The Revelation of Ireland Diarmaid Ferriter, 2024-09-05 THE NUMBER 1 IRISH TIMES BESTSELLER SHORTLISTED FOR THE IRISH BOOK AWARDS HISTORY BOOK OF THE YEAR 2024 An Irish Times Book of the Year 2024 Ireland is a strikingly different country now to the one it was in the mid 1990s Dramatic economic social and cultural changes including the Celtic Tiger boom and increasingly secular debate about abortion the status of women and same sex marriage underlined the scale of the transformation The new diversity of the population and literary and musical prowess also revealed a country experiencing rapid alteration The road to peace that saw an end to war in Northern Ireland and culminated in the first visit to southern Ireland of a reigning British monarch in 100 years illuminated the new Anglo Irish dynamic Explosive revelations about deep betrayals from the past destroyed the credibility of the traditionally powerful Catholic Church And in the wake of the 2008 financial crash Ireland rebounded and rebuilt to great success but remained plagued by health and housing failures Economic recovery the end of civil war politics ever closer European involvement and Anglo Irish highs were followed by Brexit lows and increasing talk of Irish unity There is much to open people s eyes in this riveting account of contemporary Ireland As the Republic enters its second century of independence and the North continues to grapple with the legacy of the Troubles Diarmaid Ferriter makes historical sense of post 1990s Ireland and what lies in the darkest corners of its archives

Ministers, Minders and Mandarins Richard Shaw, Chris Eichbaum, 2018-06-29 *Ministers Minders and Mandarins* collects the leading academics in the field to rigorously assess the impact and consequences of political advisers in parliamentary democracies The 10 contemporary and original case studies focus on issues of tension trust and tradition and are written in an accessible and engaging style **Independents in Irish party democracy** Liam Weeks, 2017-05-15 This book examines the phenomenon of the independent politician believed to be extinct in most political systems It is very much alive and well in Ireland and has experienced a considerable resurgence in recent years Independents won a record number of seats in 2016 and had three ministers appointed to cabinet This presence

is very unusual from a comparative perspective and there are more independents in the Irish parliament than the combined total in all other industrial democracies The aim of this book is to explain this anomaly how and why independents can endure in a democracy that is one of the oldest surviving in Europe and has historically had one of the most stable party systems

Trust, Accountability and Purpose Justin O'Brien, 2019-08-15 The collapse of trust can be found across all of our institutions but most of all in finance This Element seeks to answer an existential question how to rebuild trust in distrusting times Integrity responsibility and accountability must be embedded into corporate mission statements values and codes of conduct Through organisational and regulatory design across five interlocking themes legal regulatory managerial ethical and social What is required is substantive rather than technical compliance warranted rather than stated commitment to high ethical standards effective deterrence strategies enhanced accountability and a shared commitment to risk within negotiated binding and enforceable parameters
