**A Discourse of Christ's Coming** Theophilus Gale,1673      **Melancholy and the Otherness of God** Alina N. Feld,2011-12-16 An impressive study that prompts the reader toward philosophical reflection on the hermeneutics of melancholy in its relation to maturing theological understanding and cultivation of a profound self consciousness Melancholy has been interpreted as a deadly sin or demonic temptation to non being yet its history of interpretation reveals a progressive coming to terms with the dark mood that ultimately unveils it as the self s own ground and a trace of the abysmal nature of God The book advances two provocative claims that far from being a contingent condition melancholy has been progressively acknowledged as constitutive of subjectivity as such a trace of divine otherness and pathos and that the effort to transcend melancholy like Perseus vanquishing Medusa is a necessary labor of maturing self consciousness Reductive attempts to eliminate it besides being dangerously utopian risk overcoming the labor of the soul that makes us human This study sets forth a rigorous scholarly argument that spans several disciplines including philosophy theology psychology and literary studies      *Religious Affections* Jonathan Edwards,2009-01-01 This volume contains Edwards most mature and persistent attempt to judge the validity of the religious development in eighteenth century America known as the Great Awakening In developing criteria for such judgment he attacked at the same time one of the fundamental questions facing all religion how to distinguish genuine from spurious piety The Awakening created much bitter controversy on the one side stood the emotionalists and enthusiasts and on the other the rationalists for whom religion was

essentially a matter of morality or good conduct and the acceptance of properly formulated doctrine Edwards with great analytical skill and enormous biblical learning showed that both sides were in the wrong He attacked both a lifeless morality as too pale as to be the essence of religion and he rejected the excesses of a purely emotional religion more concerned for sensational effects than for the inner transformation of the self which was for him the center of genuine Christianity

Scientific Christian Mental Practice Emma Curtis Hopkins,2012 Scientific Christian Mental Practice which once more becomes available with this ebook edition embodies class instruction given by Emma Curtis Hopkins in the practical application of metaphysical Science as exemplified most particularly by Jesus Christ but with varying degrees of understanding by all true metaphysicians Breaking open the twelve lessons of Science and receiving the ointment of the meanings is getting at the actual teachings of Jesus Christ      **Hang On, Let Go** Frank Viola,2021 Written from the pit of numerous soul piercing adversities in the author s own life In this volume he draws from the insights he gleaned from the Lord friends and writers during his darkest days The wisdom contained in this volume became the bread and butter the author relied on helping him to be developed by his trials rather than destroyed by them      **God in our Nature** Peter Kenneth Stevenson,2007-09-01 Arguably the leading Scottish theologian of the nineteenth century John McLeod Campbell s theology is much criticized and often misunderstood Previous accounts have tended to overlook both his sermons and his Christology This reassessment of his thought breaks new ground by offering a detailed study of his sermons and by identifying the distinctive Christology which contributes to a clearer understanding of his doctrine of atonement Drawing upon the full range of Campbell s work God in our Nature brings to light a trinitarian theologian whose pilgrimage represents a journey within evangelicalism rather than a departure from the evangelical fold      **It Is the Same Light** Daljit Singh Jawa,2015-03-28 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the worlds fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankinds religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world Arnold Toynbee Historian I have studied the scripture of great religions but I do

not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib. There is something strangely modern about these scriptures. They speak to the people of any religion or of none. They speak for the human heart and the searching mind. Mrs Pearl S Buck Nobel Laureate In Volume five of the It Is The Same Light series SGGS pages 801 1000 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurmukhi history or context. The following are some of the comments received on the volume 7 pages 1201 1430 of SGGS. This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabads summary message is given there is connection between the shabads to reveal continuity of thought process in Guru ji's message. Thanks to S Daljit Singh ji for the great work which will benefit future generations understand Guru Ji's message easily. Amarjit Singh M D University at Buffalo Buffalo NY. A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts. Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granths many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general. **The Path to Enlightenment is not a Highway** Baba Hari Dass, 2021-11-01. Baba Hari Dass kept a vow of silence from 1952 and had the gift of teaching by writing in concise and simple phrases. Starting in the fall of 1994 in a small notebook entitled My Convictions Babaji recorded these inspired thoughts as they came to him. For most of us the spiritual path is not a highway often it is a steep and rocky road. We hope that reading Babaji's convictions and reflecting on their universal truths will shed light on your path. *Blinks in My Mind's Eye* Mairead Kelly, 2007-07-01. This is a book of poetry by an Irish woman. It is a reflection on her thoughts reactions and day to day observations of her life and the lives of people she has come in contact with. Dr. W. John Murray's Magazine , 1918.

**Listening For the Voice of God!** Cynthia Burton, 2021-07-21. MY NAME IS MRS Cynthia Marie Burton and I am the mother of seven grown children one daughter and six sons and two grown stepdaughters. All our children are grown. God took care of them but life doesn't go on forever. I want to let the whole world know how I actually made it by putting God first. That is the key to everything. Put God first number one and all will at least go somewhat right for you. I will always and forever put God first in my life because God has been good to all of us. Sometimes God will allow things to happen for a reason to mold you into who you are and shape you. *An Ocean of Light* Martin Laird, 2018-11-07. For people drawn to a life of contemplation the dawning of luminous awareness in a mind full of clutter is deeply liberating. In the third of his best selling books on Christian contemplative life Martin Laird turns his attention to those who are well settled in their contemplative practice. An Ocean of Light speaks both to those just entering the contemplative path and to those with a maturing practice of contemplation. Gradually the practice of contemplation lifts the soul freeing it from the blockages that introduce confusion into our identity and thus confusion about the mystery we call

God In the course of a lifetime of inner silencing the flower of awareness emerges a living realization that we have never been separate from God or from the rest of humanity while we each fully become what each of us is created to be In contemplation we become so silent before God that the before drops away Those whose lives have led them deeply into the silent land realize this but not in the way that we realize that the square root of 144 is 12 Laird draws from a wide and diverse range of writers from St Augustine Evagrius Ponticus and St Teresa of Avila to David Foster Wallace Flannery O Connor Virginia Woolf and Franz Wright to ground his insight in an ancient practice and give it a voice in contemporary language With his characteristic lyricism and gentleness Laird guides readers through new challenges of contemplative life such as making ourselves the focus of our own contemplative project dealing with old pain transforming the isolation of loneliness and depression into a liberating solidarity with all who suffer and the danger of using a spiritual practice as a strategy to acquire and control

**Ontological Aspects of Early Jewish Anthropology** Tyson L. Putthoff, 2016-11-28 In Ontological Aspects of Early Jewish Anthropology Tyson L Putthoff explores early Jewish beliefs about how the human self reacts ontologically in God s presence Combining contemporary theory with sound exegesis Putthoff demonstrates that early Jews widely considered the self to be intrinsically malleable such that it mimics the ontological state of the space it inhabits

In divine space they believed the self therefore shares in the ontological state of God himself The book is critical for students and scholars alike In putting forth a new framework for conceptualising early Jewish anthropology it challenges scholars to rethink not only what early Jews believed about the self but how we approach the subject in the first place
