garde anthology Raw and the launch of the Love Rockets series by Gilbert Jaime and Mario Hernandez the decade saw a deluge of comics that were more autobiographical emotionally realistic and experimental than anything seen before These alternative comics were not the scatological satires of the 1960s underground nor were they brightly colored newspaper strips or superhero comic books In *Alternative Comics An Emerging Literature* Charles Hatfield establishes the parameters of alternative comics by closely examining long form comics in particular the graphic novel He argues that these are fundamentally a literary form and offers an extensive critical study of them both as a literary genre and as a cultural phenomenon Combining sharp eyed readings and illustrations from particular texts with a larger understanding of the comics as an art form this book discusses the development of specific genres such as autobiography and history *Alternative Comics* analyzes such seminal works as Spiegelman's *Maus* Gilbert Hernandez's *Palomar* *The Heartbreak Soup Stories* and Justin Green's *Binky Brown Meets the Holy Virgin Mary* Hatfield explores how issues outside of cartooning the marketplace production demands work schedules can affect the final work Using Hernandez's *Palomar* as an example he shows how serialization may determine the way a cartoonist structures a narrative In a close look at *Maus* *Binky Brown* and Harvey Pekar's *American Splendor* Hatfield teases out the complications of creating biography and autobiography in a substantially visual medium and shows how creators approach these issues in radically different ways Luba Gilbert Hernandez, 2005 Gilbert Hernandez follows up his masterpiece *Palomar* with his first graphic novel in two years which features the latest travails of matriarch Luba in America her cousin Ofelia and their lovers enemies family and friends The book begins with Ofelia deciding to write a tell all book about her life with Luba Meanwhile Hernandez continues to explore the complex sexual dramas among the honestly depicted characters that are his trademark using elements of Latino soap opera and soft core porn with touches of magical realism **The Complete Love and Rockets** Jaime Hernandez, Gilbert Hernandez, 1990 Vol 4 have imprint Westlake Village CA **Love and Rockets X** Gilbert Hernandez, 1999 This book is to contemporary L A what Robert Altman's *Nashville* was to that city a superbly observed portrait of a city in decline a character study with a large diverse cast a comedy and a drama **Love and Rockets**, 2006 *Love and Rockets* Gilbert Hernandez, 1993 In a story about a musical event that never happens before the Iraq War and Rodney King uprisings American sexual racial and personal politics are explored through the reasons and resiliencies of Gilbert Hernandez's very human characters

Beyond Palomar Gilbert Hernandez, 2007-12-17 Two classic Gilbert Hernandez *Love and Rockets* graphic novels in one beautiful volume *Poison River* traces the backstory of Luba from child to teenage mob bride to her escape to *Palomar* *Love and Rockets X* is a wide ranging Altman esque story set in early 1990s L A *The Hernandez Brothers* Enrique García, 2017-07-18 This study offers a critical examination of the work of Gilbert and Jaime Hernandez Mexican American brothers whose graphic novels are highly influential The Hernandez brothers started in the alt comics scene where their *Love and Rockets* series quickly gained prominence They have since published in more mainstream venues but have

maintained an outsider status based on their own background and the content of their work Enrique Garcia argues that the Hernandez brothers have worked to create a new American graphic storytelling that while still in touch with mainstream genres provides a transgressive alternative from an aesthetic gender and ethnic perspective The brothers were able to experiment with and modify these genres by taking advantage of the editorial freedom of independent publishing This freedom also allowed them to explore issues of ethnic and gender identity in transgressive ways Their depictions of latinidad and sexuality push against the edicts of mainstream Anglophone culture but they also defy many Latino perceptions of life politics and self representation The book concludes with an in depth interview with Jaime and Gilbert Hernandez that touches on and goes beyond the themes explored in the book
