Restless in Sleep Country Paul Huebener, 2024-05-14 Sleep and the lack of it is a public obsession and an enormous everyday quandary Troubled sleep tends to be seen as an individual problem and personal responsibility to be fixed by better habits and tracking gadgets but the reality is more complicated Sleep is a site of politics culture and power In Restless in Sleep Country Paul Huebener pulls back the covers on cultural representations of sleep to show how they are entangled with issues of colonialism homelessness consumer culture technology and privacy the exploitation of labour and the effects of the Covid 19 pandemic Even though it almost entirely evades direct experience sleep is the subject of a variety of potent narratives each of which can serve to clarify and shape its role in our lives In Canada cultural visions of slumber circulate through such diverse forms as mattress commercials billboards comic books memoirs experimental poetry and

bedtime story phone apps By guiding us through this imaginative landscape Huebener shows us how to develop a critical literacy of sleep Lying down and closing our eyes is an act that carries surprisingly high stakes going beyond individual sleep troubles Restless in Sleep Country illuminates the idea of sleep as a crucial site of inequity struggle and gratification

When Semi-Gods Sleep with Downing Chapters, Gods Wake up with Floating Pages Amr Saleh, 2011-06-09 If I was told I have a day to live I wouldn't go to rest I will type faster Most literary books are sorted out by genre either all poems short stories novellas drama or novels etc This book breaks this rule it cooks novellas with short stories adds some spices of free writing simmers them all with a pinch of theatrical effect to serve a hearty meal No dessert is offered because it is a given after finishing this book

LIFE, 1950-04-03 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use

In Search of Sleep Bregje Hofstede, 2023-03-14 Bregje Hofstede is an extraordinary writer Rutger Bregmans author of *Utopia for Realists* and *Humankind A Hopeful History* Jenny Odell's *How to Do Nothing* meets Matthew Walker's *Why We Sleep* in this fascinating deep dive into the science and history of sleep *In Search of Sleep* is both a self help manual for insomniacs and a sweeping critique of the hustle culture that blinds us to the real reasons we lie awake at night from politics to pandemics to poverty Amsterdam based writer Bregje Hofstede struggled with insomnia for 10 years but advice from doctors and books always felt lacking in perspective Wasn't insomnia more than just an individual struggle Might it also be a rational reaction to our increasingly turbulent world Unlike the vast majority of books about sleep *In Search of Sleep* examines insomnia as both a physical and psychological condition and an early warning sign that something is off in society As Hofstede points out studies show that insomnia increased during the pandemic and that people with less money sleep the worst She also shows that sleeplessness is tied inextricably to loneliness while meaningful relationships can provide the security we need to slumber Interweaving neuroscience cultural anthropology history and interviews with experts *In Search of Sleep* invites us to see insomniacs as oracles not oddballs and offers a unique way forward for the sleep deprived and the dreamless If we are aware of both the small and large forces that keep us awake then we can begin to take political action reimagine the role of sleep in our own lives and rid ourselves of insomnia for good

Cincinnati Magazine, 1990-12 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region

Holistic Sleep Francis B. Buda, Buda, 2000-10 Few doctors really understand sleep problems Most will simply give their patients sleeping pills Dr Francis Buda one of the few experts on the science of sleep offers an alternative His holistic approach first helps you determine whether your sleeplessness is caused by a treatable medical or psychological condition or by the side effects of medications If not then your problem is most likely caused by some aspect of your lifestyle *Holistic Sleep* gives you the whole picture Its informed commonsense advice can help

you solve your sleep problem and change your life **Bedtime Stories for the Insomniac** , *Insomnia is Jane* McCall,2013-01-14 This book is small in length but its message is large Contains an incredible amount of wisdom It explores the many reasons for insomnia and gives you ways to solve the problem Up to date with the latest findings on the dangers of what we are eating and is truly a book for 21st century living From the perspective of an insomnia sufferer the information presented in this book proved to be a real eye opener it is a must for any insomniac *The Homestead* ,1915 **Clinical Handbook of Insomnia** Hrayr P. Attarian,2016-10-11 Expanding on the critical contributions of previous editions this updated and comprehensive resource covers the latest diagnostic criteria of insomnia The book is thematically divided into two parts The first section consists of chapters on nomenclature epidemiology pathophysiology diagnosis and differential diagnosis complications and prognosis and treatment both pharmacological and behavioral The second features chapters on insomnia in special populations including ones on children and adolescents cancer sufferers and survivors in pregnancy in menopausal women and in patients with neurological disorders and those with psychiatric illnesses This third edition fills an important niche in the medical literature by addressing insomnia in its multiple forms summarizes the findings published in different medical journals and presents these to the practicing health care provider in an easily accessible format

Sleepiness Michael J. Thorpy,Michel Billiard,2011-01-27 Written and edited by leading clinicians and researchers in sleep medicine this is the first book to focus on the causes consequences and treatment of disorders of excessive sleepiness Extensive coverage is provided for all known causes of sleepiness including sleep deprivation obstructive sleep apnea syndrome narcolepsy and other hypersomnias of central origin shift work and medical and psychiatric disorders Since many causes of sleepiness are difficult to differentiate from each other and treatment modalities can vary greatly from one disorder to another this book helps the clinician to formulate a differential diagnosis that will ultimately lead to the correct diagnosis Epidemiology evaluation of the sleepy patient diagnostic investigations including neuroimaging subjective and objective testing cognitive effects of sleepiness motor vehicle driving issues medico legal aspects of sleepiness and therapy are also discussed in detail This is an essential resource for neurologists psychiatrists and sleep specialists **Psychology: From Inquiry to Understanding** Scott Lilienfeld,Steven Jay Lynn,Laura Namy,Nancy Woolf,Graham Jamieson,Anthony Marks, Virginia Slaughter,2014-10-01 Psychology from inquiry to understanding 2e continues its commitment to emphasise the importance of scientific thinking skills It teaches students how to test their assumptions and motivates them to use scientific thinking skills to better understand the field of psychology in their everyday lives With leading classic and contemporary research from both Australia and abroad and referencing DSM 5 students will understand the global nature of psychology in the context of Australia's cultural landscape **Yoga Therapy for Insomnia and Sleep Recovery** Lisa Sanfilippo,2019-01-21 Examining the ways that the body trauma and emotional issues and lifestyle can impact sleep this book shows how to apply yoga holistically to tackle insomnia Learn how to reset the delicate body mind balance by moving through

the koshas This approach will put clients on the path to good quality sleep with increasing effect over time Integrative Healthcare Remedies for Everyday Life - E-Book Malinee Thambyayah,2022-12-06 A user friendly guidebook for anyone interested in enhancing health and wellness Integrative Healthcare Remedies for Everyday Life marries modern medical knowledge with a cross cultural understanding of health and healing The authors are a family of modern physicians who share a passion for the rapidly growing field of holistic and integrative health Representing both Western diagnostics and complementary medicine this reference offers practical guidance on incorporating simple remedies and therapies into everyday life Detailed preparation instructions facilitate the use of Chinese Indian and Western natural remedies Therapies from multiple Asian and Western medical systems are presented side by side to act as both a one stop treatment guide and comparative reference Body system organization provides comprehensive coverage of both common and complex diseases and disorders Expert author team is a family of modern physicians who share a passion for the rapidly growing field of holistic and integrative health An eBook version is included with print purchase The eBook allows students to access all of the text figures and references with the ability to search customize content make notes and highlights and have content read aloud LIFE ,1950-04-03 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use
