*Brian Selznick* Joseph Kampff, 2014-01-01 Brian Selznick is an award-winning children's book author and illustrator whose innovative work has redefined what a children's book looks like. His work combines the structure of a novel, picture book, graphic novel, and flip book into a new form of story telling. For middle school readers, this tell-all and fascinating biography will expose this artist's childhood, early influences, and insights into his struggle to get published. It includes interviews with the author, family, and colleagues; excerpts from popular works; and provides a list of Selznick's professional influences. Readers will also discover how this widely celebrated author and illustrator continues to keep his current writing fresh and focused.

*The New York Times Parent's Guide to the Best Books for Children* Eden Ross Lipson, 2000-11-14 The Classic Guide That Helps You Select the Books the Child You Know Will Love. In this third, fully revised and updated edition of *The New York Times Parent's Guide to the Best Books for Children*, the children's book editor of *The New York Times Book Review* personally selects and recommends books for children of every age. The most comprehensive and authoritative book of its kind has been completely updated for the new millennium. It contains hundreds of new entries, many expanded descriptions, and notations of additional companion and related titles, more than 1,700 in all. The best-loved classics of the twentieth century are included, as well as a thoughtful selection of outstanding titles from the last decade. Six sections are organized according to reading level: Wordless Picture Story, Early Reading, Middle Reading, and Young Adult. In addition to a summary of the book, each entry provides the essential bibliographic information you need to find a book in your local library or bookstore, including title, author, and/or illustrator, hardcover and/or paperback, publisher, and publication year, major awards, related titles. The unique and most popular feature of the guide is its system of

special indexes more than sixty in all They make it easy for parents and grandparents teachers and librarians even children themselves to match the right book to the right child Browse through the indexes and find titles for every interest and mood picture books about cats mice or dinosaurs for babies funny books to read aloud to toddlers series about family life or school or fantasy adventures for a middle grade child books on divorce or death and coming of age novels just right for someone starting junior high school There are also indexes for books about minorities and religion an age appropriate reading level index and much more Lavishly decorated with more than three hundred illustrations from representative titles the guide also features extra wide margins for notes on which of your children liked which book at what age and why Thus the guide becomes a family reading record as well as an invaluable resource you ll use again and again *Children's Book-a-Day Almanac* Anita Silvey, 2012-10-30 An expert on children s literature provides a worthwhile resource for teachers librarians and parents Booklist The Children s Book a Day Almanac is a new way to discover a great children s book every day of the year This fresh inventive reference book is a dynamic way to showcase the gems both new and old of children s literature Each page features an event of the day a children s book that relates to that event and a list of other events that took place on that day Always informative and often surprising celebrate a year of literature for children with The Children s Book a Day Almanac This has solid possibilities as a springboard for daily reading and writing activities in the classroom or as simply a book focused way to start the day Bulletin of the Center for Children s Books

**Elusive Childhood** Susan Honeyman, 2005 Elusive Childhood examines how discourse touched by the identity politics of youth might be revised for fairness Susan Honeyman demonstrates this potential by reading representations of children from throughout the Modern episteme in works of such writers as Henry James Edith Wharton and James Baldwin Identity politics have changed the way we classify literature by opening up the canon but they have also changed the way we approach literature We ve learned to recognize that biology is not destiny sex doesn t necessarily determine gender or orientation nor do fictitious absolutes like blood ratios measure ethnocultural identity and so in an effort to avoid false generalizing about others we endorse individual self representation all the while recognizing how society constructs us But when it comes to representing the position we call childhood there is little opportunity in legitimated discourse for children s self representation and inadequate attention to social constructedness Recognizing political inequity in literary representations of children Honeyman proposes a method of reading child figuration in relief to impose as little adult prejudice as possible This might be impossible for adults yet it is necessary to attempt BOOK JACKET
