The Lost Choice Andy Andrews,2004-06-22 A work of both scholarship and imagination The Lost Choice is a legend of personal discovery a reminder of the opportunities we each are given When a young boy finds a mysterious object in the creek near his home it starts a series of events that could change the world again Many search for the ancient relic s secret but few find its truer purpose What choices will each make or lose The Power of Choice Belu Mabandla,2013-03-23 In this world success is often measured by the wealth and prestige that one acquires So anyone who does not possess these things is considered a failure However for Belu Mabandla her financial stability and her social status do not matter at all if she cannot sow the seeds that benefit others With this in mind she wrote The Power of Choice a journal about her personal journey as a successful mother and career woman who was able to weather the storms of her life through her undying trust in God The book also tells about the experiences of other people that can be a source of inspiration and valuable lessons
