Ogmios The Origins Series

Sir James Henry Ramsay

Ogmios The Origins Series:

Ogmios Steven Savile, Rick Chesler, 2013-07 This omnibus edition includes SOLOMON S SEAL With the discovery of the long lost Seal of Solomon real or not Ogmios Team members Konstantin and Orla find themselves in Jerusalem and Palestine fighting for their lives in a desperate race to stop all hell breaking loose They don't know who they can trust They don't know which way to turn next All they know is they have to find the Seal while diverting the detonation of a dirty bomb at one of Jerusalem's most holy sites LUCIFER S MACHINE During the baking summer heat a university based archaeology team uncovers an ancient box bearing the image of Baphomet Could this box a crude yet sophisticated machine centuries ahead of its time be a vital link to discovering the true nature of the Knights Templar's relationship to the horned devil WARGOD A search for the legendary sword of Julius Caesar draws the Ogmios Team into a web of intrigue betrayal and violence that threatens the stability of the Realm and the future of the entire planet The race for the sword and search for the truth behind the plot will take both Frost and Khavin across Europe into the murky place where legends meet history and to the very brink Armageddon Perfect for those DaVinci Code fans looking for another electrifying read combining Biblical history with modern day Armageddon Douglas Preston NYT Bestselling author of IMPACT and BLASPHEMY Fascinating gripping horrific tragic and compelling Steve Alten NYT Bestselling author of MEG and THE SHELL GAME SILVER is a wild combination of Indiana Jones The Da Vinci Code and The Omen Kevin J Anderson international bestselling author of THE SAGA OF SEVEN SUNS and co author of PAUL OF DUNE A thrill a minute ride that is sure to please even the most discerning action adventure fan David Wood author of the Dane Maddock adventures [Perilous Pacific](#) Rick Chesler, 2025-09-02 For fans of Michael Crichton Clive Cussler and Tom Clancy comes the exciting re-release of book 3 in the Tara Shores Thrillers An artificial island roaming the ocean harvesting the sun's power an independent nation ruled by a visionary genius a crime scene For more than a year Solar Island the creation of revolutionary engineer Jacob Lightner has traversed the Pacific Ocean reaping the sun's endless bounty of energy and providing electricity to developing nations But is Lightner a benevolent genius pioneering a new path to energy independence and sustainability Or is he a power hungry despot intent on using the power of his creation to reshape the political landscape of the Pacific Rim willing to murder anyone who gets in his way Responding to a cryptic message FBI Special Agent Tara Shores goes undercover to untangle the web of intrigue and oppression that conceals Lightner's true purpose But nothing can prepare her for the struggle that will test the limits of her physical mental and emotional endurance the battle to control Solar Island in the perilous Pacific [Selected Works on Celtic Literature, Mythology and History](#) Various Authors, 1958-01-01 Last year in giving the young ones a volume of English Fairy Tales my difficulty was one of collection This time in offering them specimens of the rich folk fancy of the Celts of these islands my trouble has rather been one of selection Ireland began to collect her folk tales almost as early as any country in Europe and Croker has found a whole school of successors in Carleton Griffin Kennedy Curtin and Douglas Hyde Scotland

had the great name of Campbell and has still efficient followers in MacDougall MacInnes Carmichael Macleod and Campbell of Tiree Gallant little Wales has no name to rank alongside these in this department the Cymru have shown less vigour than the Gaedhel Perhaps the Eisteddfod by offering prizes for the collection of Welsh folk tales may remove this inferiority Meanwhile Wales must be content to be somewhat scantily represented among the Fairy Tales of the Celts while the extinct Cornish tongue has only contributed one tale In making my selection I have chiefly tried to make the stories characteristic It would have been easy especially from Kennedy to have made up a volume entirely filled with Grimm's Goblins la Celtique But one can have too much even of that very good thing and I have therefore avoided as far as possible the more familiar formulae of folk tale literature To do this I had to withdraw from the English speaking Pale both in Scotland and Ireland and I laid down the rule to include only tales that have been taken down from Celtic peasants ignorant of English Having laid down the rule I immediately proceeded to break it The success of a fairy book I am convinced depends on the due admixture of the comic and the romantic Grimm and Asbjørnsen knew this secret and they alone But the Celtic peasant who speaks Gaelic takes the pleasure of telling tales somewhat sadly so far as he has been printed and translated I found him to my surprise conspicuously lacking in humour For the comic relief of this volume I have therefore had to turn mainly to the Irish peasant of the Pale and what richer source could I draw from For the more romantic tales I have depended on the Gaelic and as I know about as much of Gaelic as an Irish Nationalist M P I have had to depend on translators But I have felt myself more at liberty than the translators themselves who have generally been over literal in changing excising or modifying the original I have even gone further In order that the tales should be characteristically Celtic I have paid more particular attention to tales that are to be found on both sides of the North Channel In re-telling them I have had no scruple in interpolating now and then a Scotch incident into an Irish variant of the same story or vice versa Where the translators appealed to English folklorists and scholars I am trying to attract English children They translated I endeavoured to transfer In short I have tried to put myself into the position of an ollamh or sheenachie familiar with both forms of Gaelic and anxious to put his stories in the best way to attract English children I trust I shall be forgiven by Celtic scholars for the changes I have had to make to effect this end The stories collected in this volume are longer and more detailed than the English ones I brought together last Christmas The romantic ones are certainly more romantic and the comic ones perhaps more comic though there may be room for a difference of opinion on this latter point This superiority of the Celtic folk tales is due as much to the conditions under which they have been collected as to any innate superiority of the folk imagination The folk tale in England is in the last stages of exhaustion The Celtic folk tales have been collected while the practice of story telling is still in full vigour though there are every signs that its term of life is already numbered The more the reason why they should be collected and put on record while there is yet time On the whole the industry of the collectors of Celtic folk lore is to be commended as may be seen from the survey of it I have prefixed to the Notes and References at the end of the volume Among these I would call

attention to the study of the legend of Beth Gellert the origin of which I believe I have settled While I have endeavoured to render the language of the tales simple and free from bookish artifice I have not felt at liberty to retell the tales in the English way I have not scrupled to retain a Celtic turn of speech and here and there a Celtic word which I have not explained within brackets a practice to be abhorred of all good men A few words unknown to the reader only add effectiveness and local colour to a narrative as Mr Kipling well knows One characteristic of the Celtic folk lore I have endeavoured to represent in my selection because it is nearly unique at the present day in Europe Nowhere else is there so large and consistent a body of oral tradition about the national and mythical heroes as amongst the Gaels Only the byline or hero songs of Russia equal in extent the amount of knowledge about the heroes of the past that still exists among the Gaelic speaking peasantry of Scotland and Ireland And the Irish tales and ballads have this peculiarity that some of them have been extant and can be traced for well nigh a thousand years I have selected as a specimen of this class the Story of Deirdre collected among the Scotch peasantry a few years ago into which I have been able to insert a passage taken from an Irish vellum of the twelfth century I could have more than filled this volume with similar oral traditions about Finn the Fingal of Macpherson s Ossian But the story of Finn as told by the Gaelic peasantry of to day deserves a volume by itself while the adventures of the Ultonian hero Cuchulain could easily fill another I have endeavoured to include in this volume the best and most typical stories told by the chief masters of the Celtic folk tale Campbell Kennedy Hyde and Curtin and to these I have added the best tales scattered elsewhere By this means I hope I have put together a volume containing both the best and the best known folk tales of the Celts I have only been enabled to do this by the courtesy of those who owned the copyright of these stories Lady Wilde has kindly granted me the use of her effective version of The Horned Women and I have specially to thank Messrs Macmillan for right to use Kennedy s Legendary Fictions and Messrs Sampson Low Co for the use of Mr Curtin s Tales In making my selection and in all doubtful points of treatment I have had resource to the wide knowledge of my friend Mr Alfred Nutt in all branches of Celtic folk lore If this volume does anything to represent to English children the vision and colour the magic and charm of the Celtic folk imagination this is due in large measure to the care with which Mr Nutt has watched its inception and progress With him by my side I could venture into regions where the non Celt wanders at his own risk Bad News Box Set Scott Nicholson, One of the most thrilling writers working today Miss him at your peril Blake Crouch Wayward Pines Always surprises and always entertains Jonathan Maberry Patient Zero BAD NEWS FOUR CHILLING THRILLERS A box set of four science fiction post apocalyptic and creature thrillers by international bestselling author Scott Nicholson Features the complete text of AFTERBURN Five years after a massive solar storm survivors must face the strange mutants that have taken over a world populated by bloodthirsty monsters MOSTLY HUMAN An embittered British policeman is drawn into a series of murders that point to an unnatural suspect BONE AND CINDER In the immediate aftermath of a technological collapse Mackie Dailey organizes a small band of survivors to fight mysterious savage mutants and a vicious

Scottish Myths Robert Craig MacLagan,1882 *Celtic Mythology & The Religion of the Ancient Celts* John Arnott MacCulloch,2023-12-18 In Celtic Mythology The Religion of the Ancient Celts John Arnott MacCulloch delves deeply into the rich tapestry of Celtic myths and religious practices exploring their intricate relationships with identity landscape and spirituality MacCulloch's scholarly approach employs both linguistic and ethnographic analysis yielding an extensive examination of colorful deities legendary heroes and ritualistic traditions that shaped the Celts worldview His literary style is characterized by a blend of eloquent prose and rigorous scholarship set within the broader context of early 20th century perspectives on mythology that straddle the line between romanticism and historical inquiry John Arnott MacCulloch a prominent figure in the study of folklore and mythology drew from his extensive background in philology and cultural history which undoubtedly fueled his passion for examining the Celtic tradition His immersion in Celtic studies was influenced by the cultural revival of the time as well as his encounters with various historical texts and artifacts enriching his interpretations and insights into Celtic spirituality and mythic narratives This book is a must read for anyone seeking a comprehensive understanding of Celtic heritage and its mythological significance MacCulloch's meticulous research not only illuminates the ancient Celts beliefs and values but also serves as a vital resource for scholars students and enthusiasts eager to uncover the mystical dimensions of Celtic culture **The Secrets Of Nostradamus** David Ovason,2012-05-31 Walker argues that

previous translations have got it wrong because they have failed to realise that Nostradamus was writing in an esoteric language called the green language Where previous translations have seemed to stretch a point to make a quotation fit an historical event Walker reveals the prophet's true prophecies regarding the American and French revolutions the Franco Prussian First Second and Third world wars earthquakes floods the Antichrist and the end of the world Properly seen Walker argues Nostradamus is the greatest Western prophet to commit his prophecies to writing since the Old Testament *The Foundations of England; Or, Twelve Centuries of British History (B.C. 55-A.D. 1154): B.C. 55-A.D. 1066* Sir James Henry Ramsay,1898 *Women and Weasels* Maurizio Bettini,2024-05-31 If you told a woman her sex had a shared long lived history with weasels she might deck you But those familiar with mythology know better that the connection between women and weasels is an ancient and favorable one based in the Greek myth of a midwife who tricked the gods to ease Heracles's

birth and was turned into a weasel by Hera as punishment Following this story as it is retold over centuries in literature and art *Women and Weasels* takes us on a journey through mythology and ancient belief revising our understanding of myth heroism and the status of women and animals in Western culture Maurizio Bettini recounts and analyzes a variety of key literary and visual moments that highlight the weasel's many attributes We learn of its legendary sexual and childbearing habits and symbolic association with witchcraft and midwifery its role as a domestic pet favored by women and its ability to slip in and out of tight spaces The weasel Bettini reveals is present at many unexpected moments in human history assisting women in labor and thwarting enemies who might plot their ruin With a parade of symbolic associations between weasels and women witches prostitutes midwives sisters in law brides mothers and heroes Bettini brings to life one of the most venerable and enduring myths of Western culture Australian National Bibliography, 1994 Dictionary of Celtic Religion and Culture Bernhard Maier, 1997 This dictionary with more than 1000 articles provides a comprehensive survey of all important aspects of Celtic religion and culture covering both the prehistoric continental Celts and the later medieval culture that found written form long after the Celts had settled in the British Isles Articles in the dictionary also cover the interaction between Celtic and Roman civilisations and the seminal input of medieval Celtic legend into the Arthurian tradition The continental and insular Celtic languages both ancient and modern are described and there is a full account of the Celtic deities known to us from the inscriptions and iconography of the classical world Celtic art and agriculture the Ossian myth the Irish Renaissance and the history of Celtic studies are among other areas treated in depth **The Foundations of England Or Twelve Centuries of British History** James Henry Ramsay, 1898 **The Scholar's History of England ...** Sir James Henry Ramsay (bart.), 1898 Roman Eyes Jas Elsner, 2021-12-07 In *Roman Eyes* Jas Elsner seeks to understand the multiple ways that art in ancient Rome formulated the very conditions for its own viewing and as a result was complicit in the construction of subjectivity in the Roman Empire Elsner draws upon a wide variety of visual material from sculpture and wall paintings to coins and terra cotta statuettes He examines the different contexts in which images were used from the religious to the voyeuristic from the domestic to the subversive He reads images alongside and against the rich literary tradition of the Greco Roman world including travel writing prose fiction satire poetry mythology and pilgrimage accounts The astonishing picture that emerges reveals the mindsets Romans had when they viewed art their preoccupations and theories their cultural biases and loosely held beliefs *Roman Eyes* is not a history of official public art the monumental sculptures arches and buildings we typically associate with ancient Rome and that tend to dominate the field Rather Elsner looks at smaller objects used or displayed in private settings and closed religious rituals including tapestries ivories altars jewelry and even silverware In many cases he focuses on works of art that no longer exist providing a rare window into the aesthetic and religious lives of the ancient Romans *Webster's Crossword Puzzle Dictionary* RH Disney Staff, Random House, 2003-06-10 More than 700 000 clue and answer words and easy to use *"The" Foundations of*

England Or Twelve Centuries of British History Sir James Henry Ramsay, 1898 **Greek Bronzes** Alexander Stuart Murray, 1899 **The Ancient Symbolic Landscape of Wessex** David Ride, 2010-10-15 An absorbing study of how early man imposed order on the landscape *The Portfolio* Philip Gilbert Hamerton, 1898
