Oi Get Off Our Train Red Fox Picture S:

The Building Blocks of Early Maths Elaine Bennett, Jenny Weidner, 2014-04-16 Young children need to develop and understand the core basic concepts in mathematics before they can move forward in their mathematical learning Without these solid foundations they are more likely to have gaps in their knowledge and require intervention in their primary years This new book provides guidance and resources to help you develop children s key skills and understanding in mathematics Written by experienced teachers the book outlines key mathematical concepts and provides a wide range of exciting mathematically rich activities that support the development of these concepts It exposes some of the common misconceptions and errors that practitioners may observe children showing in their settings and offers simple practical strategies to help move children forward in their thinking and understanding Covering all areas of mathematics learning counting and number calculation shape and space pattern measuring and handling data the book features practical ideas for supporting assessment observation mathematical vocabulary and building links with home activities that promote a child led approach linked to children s everyday lives and experiences guidance on how to extend and challenge children s learning through adult led quality teaching and effective practice a clear sense of progression based on children s understanding rather than age Written by experienced practitioners The Building Blocks of Early Maths will help you to ensure that the children in your care have the strong foundations they need to become confident successful mathematician in the future **Developing**

Children's Critical Thinking through Picturebooks Mary Roche, 2014-07-25 This accessible text will show students and class teachers how they can enable their pupils to become critical thinkers through the medium of picturebooks By introducing children to the notion of making meaning together through thinking and discussion Roche focuses on carefully chosen picturebooks as a stimulus for discussion and shows how they can constitute an accessible multimodal resource for adding to literacy skills while at the same time developing in pupils a far wider range of literary understanding By allowing time for thinking about and digesting the pictures as well as the text and then engaging pupils in classroom discussion this book highlights a powerful means of developing children s oral language ability critical thinking and visual literacy while also acting as a rich resource for developing children s literary understanding Throughout Roche provides rich data and examples from real classroom practice This book also provides an overview of recent international research on doing interactive read alouds on what critical literacy means on what critical thinking means and on picturebooks themselves Lecturers on teacher education courses for early years or primary levels classroom teachers pre service education students and all those interested in promoting critical engagement and dialogue about literature will find this an engaging and very insightful text

Young Researchers Margaret Mallett, 2002-02-07 Informational kinds of reading are crucial in every lesson This book looks at how we can encourage children from the very beginning to think of themselves as young researchers using skills and strategies for clear purposes It argues that the creative practitioner nurtures children s sense of wonder and curiosity about

the world and all its phenomena Packed full of advice on how to use the most stimulating and exciting texts and the liveliest approaches the book celebrates the good practice of teachers and student teachers in a large number of classroom case studies The content includes a summary of the recent developments and a framework of principles to inform good practice in this challenging aspect of literacy chapters concentrating on particular age groups beginning with the nursery and ending with the later primary years and thus taking up an essentially developmental approach an assessment of recent research and how findings can be put to practical and creative use in the classroom A central message is that children benefit from collaborating with teachers and peers at every stage of finding out The spoken language energises informational reading and writing making the sharing of the fruits of children s research highly enjoyable This book will inspire you and lead to the very best practice

Coordinating Religious Education Across the Primary School Derek Bastide,2005-06-23 Provides support for RE Coordinators who are trying to get religious education properly established in their primary schools The text focuses upon issues of planning implementing and resourcing and aims to be a user friendly guide

Picture Book Index Margaret Hobson,Jennifer Madden,1996

Threads of Thinking Cathy Nutbrown,2011-04-06 Written by a leading author this popular book explains schemas a key early childhood concept in an accessible manner making it perfect for any early childhood course

Picture Books for the Literacy Hour Guy Merchant,Huw Thomas,2013-12-19 First Published in 2000 Over the last 30 years growth in the popularity and provision of books for children has been remarkable The quality and inventiveness of children s authors and illustrators have led some to think of the picture book as a new art form This book is a celebration of some of this work and it concentrates on the potential that picture books have for the teaching and learning of literacy The aim of this book is to encourage colleagues to take a closer look at some of their favourite picture books and to see how they can be used as a starting point for enjoyable and challenging literacy work in primary classrooms Believing that teachers do not need to rely on schemes to structure their English curriculum and with this in mind this book includes 24 popular titles that have been identified in terms of their potential for delivering exciting text sentence and word level work Written to be used as a resource and anticipate that many readers will be most interested the commentaries on the picture books contained in Chapters 3 7 and the accompanying photocopiable activity sheets

Creative Activities for the Early Years Barbara Melling,2010-11-17 Creative Activities for the Early Years contains over 160 art and music activities for use with children aged 0 5 These tried and tested activities which include songs rhymes and story suggestions are ideal for use in all early years settings Whether your topic is the autumn the Chinese New Year or the coastline you can be sure that children will find the art and music ideas in this book interesting and entertaining The activities encourage children to use their imagination to communicate ideas and develop their gross and fine motor skills The activities are grouped by popular early years themes and can be used as a complete programme or as a dip in resource

Developing a Leadership Role Within the Key Stage 1 Curriculum Julie Davies,1995 Since 1989 initial teacher training courses in England and Wales have recognized

the need for teachers to take a lead in a school subject area in their first appointment There is no longer a place for a primary school teacher newly qualified or not whose sole responsibility is his or her own class Further a teacher must have specific specialist knowledge and expertise in particular subjects which must be disseminated to the rest of the staff A teacher also needs to develop the skills of communication leadership and persuasion

Developing Early Literacy 0-8 Virginia

Bower,2014-02-13 Developing Early Literacy presents an interesting range of literacy related topics which address issues of current importance to early years practice and in places question current thinking There is an excellent balance of theoretical background and case study examples which would make this a relevant and practical text for both students and early years professionals Mary Louise Maynes Lecturer in Early Childhood Studies Bishop Grosseteste University Providing clear guidance on how to develop early literacy this book offers support with the planning and teaching of this vital aspect of the curriculum using innovative and exciting methods Linking theory with practice topics covered include babies and very early communication the importance of role play corners outdoor learning and literacy how rhyme and repetition help to develop literacy teaching literacy to children who have English as an Additional Language EAL literacy and diversity using picture books to develop literacy supporting transitions different approaches to the teaching of phonics and early reading Each chapter has learning objectives case studies featuring younger and older children from the Birth to 8 age range a summary and suggested Further Reading This text is essential reading for those on Early Childhood Studies Early Years Primary PGCE and Early Years teacher education courses Virginia Bower is Senior Lecturer at Canterbury Christ Church University

Playing and Learning Outdoors Jan White,2019-09-06

Fully updated to reflect the current status and understandings regarding outdoor provision within early childhood education frameworks across the UK this new edition shows early years practitioners how to get the very best from outdoor play and learning for the enjoyment health and education of young children up to age seven This invaluable resource gives sound practical guidance for providing play with water sand and other natural materials experiences with plants growing and living things movement and physical play construction imaginative and creative play and explorations into the locality and community just beyond your garden This full colour third edition has been further developed to act as a comprehensive source book of relevant materials books and resources supporting the core ingredients of high quality outdoor provision while each chapter also includes extensive collections of children s picture books relating to the themes within each chapter Playing and Learning Outdoors has become the essential practical guide to excellence in outdoor provision and pedagogy for all early years services This lively inspiring and accessible book will help every educator to develop truly successful and satisfying approach to learning through play outdoors for every child

Great Grandfather's House Rumer Godden,1994

Keiko is not happy to be staying in her great grandfather s house while her parents are away But she discovers that there is far more to life in the countryside than she first thought walnut sailboats straw snowboots great grandfather s stories and the magic of New Year

Developing

Language and Literacy with Young Children Marian R Whitehead, 2007-05-14 In its third edition the author has included the latest research evidence relating to children aged from nought to eight Her writing embraces the value of play relationships bilingualism and multilingualism in creating a rich language and literacy environment Developing Language and Literacy with Young Children will appeal to a wide range of readers practitioners students and their tutors as well as parents and carers Early Years Update Highly readable Anybody working with babies and young children needs to have the knowledge that Whitehead clearly explains here SureStart One of the many excellent features of this book is the way it tackles the issue of bilingualism in early childhood Early Years Educator eye Praise for previous editions Marian Whitehead forces the reader to attend to the voice of the child against the encroachment of inappropriate curriculum demands Her total fascination for children s language development captures the reader in an enthusiastic and informed voyage through the most exciting and important aspect of human development language in the early years Early Years This is an excellent read for all parents and workers with young children The style of the book is friendly and accessible with beautifully produced photographs of children and indeed of their own work Marian Whitehead is not ashamed to draw on her experiences as a grandparent as well as highly competent theoretical researcher she does both with competence and humour This will prove an excellent source book for those involved in course design from childminders to university lecturers Child Language Teaching and Therapy Looking at the most exciting and important aspect of human development communication and language in the early years this accessible book gives carers parents teachers and other professionals who work and play with young children a confident understanding of children s communication and language development in the years from birth to age eight The book examines the wide range of elements that are typical of all our communication and language activities thinking feeling imagining talking listening drawing writing and reading The author emphasizes the importance of children s relationships and communications with the people who care about them spend time with them and share in the excitement of their developing languages and their investigations of literacy Taking a holistic approach she covers o early communication and language o the achievements of young bilinguals o the significance of stories narrative and language play o the emergence of literacy in homes early years settings and classrooms This highly readable guide discusses how to help babies become competent communicators Anybody working with babies and young children needs to have the knowledge that Whitehead clearly explains here SureStart

Creating an Anti-Racist Culture in the Early Years Sandra Smidt, 2020-03-26 At a time of growing evidence of racism across many countries and cultures Creating an Anti Racist Culture in the Early Years will help those working with young children recognise racism name it for what it is and help their young pupils understand that difference is nothing to be feared Drawing on both personal research and established theory Smidt includes examples of anti racist practice from real life and in literature looks at how racism is acquired and cites examples of people who have spoken or acted against racism through the centuries She emphasises how and why it is essential to develop multicultural

education into anti racist education and why it s so important to go beyond the mere celebration of differences in cultures This indispensable resource also addresses What racism is and why it is so corrosive How to recognise and challenge it in an early years setting How to work with parents and carers to help them reassess their prejudices or unconscious bias How to create an anti racist curriculum and culture through inclusion multiculturalism literature art and drama Creating an Anti Racist Culture in the Early Years is an indispensable resource for all early years practitioners and students of early childhood education who believe in creating more equitable opportunities for all of our young children **Mad Summer Night's Dream** ,2000 Bird blossomed flowers sang snow lay on the ground and two cats back to back stared each other down But how could this be Find out in Ruth Brown s dreamy adaptation of a traditional playground nonsense rhyme where everything is not quite as it seems *Global Citizenship* Mary Young,Eilish Commins,2002 Global Citizenship is not an additional subject but a way of teaching the existing curriculum which promotes social justice and equity This handbook explains Global Citizenship and develops its principles into clear practical pointers for use in school By discussing the issues ideas and approaches in this handbook users will be able to explore and develop their own understanding of Global Citizenship Teachers will be able to bring its concepts into their educational practice through every subject area into assemblies and across the whole school The handbook will be a valuable tool for classroom teachers head teachers teacher educators student teachers and home school educators It will also be of interest to non teaching staff governors school board members and parents Global Citizenship The Handbook for Primary Teaching contains an exploration of issues for In Service Training and strategies for implementing whole school change ideas and activities for assemblies and classroom work specific sections mapping Global Citizenship to subject areas for England Scotland and Wales a wide range of activities to deliver subject areas including Citizenship PSHE PSD and PSE through Global Citizenship lesson plan and photocopiable resource material to support Literacy English in the classroom material relevant to Environmental Studies 5 14 ideas and guidance on incorporating Global Citizenship into the QCA Geography Schemes of Work a comprehensive list of useful books for children and teachers resources weblinks and contact addresses **Oi! Get Off Our Train** John Burningham,1991 At bedtime a young boy takes a trip on his toy train and rescues several endangered animals Suggested level junior primary Growing Point ,1991 The School Librarian ,1999 Write Ways Lesley Wing Jan,1991 Resource book for primary school teachers containing advice on developing extensive language learning programmes Includes activities sample units of work and reference lists
