Jean-Jacques Rousseau

Of The Social Contract And Other Political Writings

James Farr, David Lay Williams

Of The Social Contract And Other Political Writings:

Rousseau: 'The Social Contract' and Other Later Political Writings Jean-Jacques Rousseau, 1997-07-24 The work of Jean Jacques Rousseau is presented in two volumes together forming the most comprehensive anthology of Rousseau's political writings in English Volume II contains the later writings such as *The Social Contract* and a selection of Rousseau's letters on important aspects of his thought *The Social Contract* has become Rousseau's most famous single work but on publication was condemned by both the civil and the ecclesiastical authorities in France and Geneva Rousseau fled and it is during this period that he wrote some of his autobiographical works as well as political essays such as *On the Government of Poland* This 1997 volume like its predecessor contains a comprehensive introduction chronology and guide to further reading and will enable students to obtain a full understanding of the writings of one of the world's greatest thinkers

Of The Social Contract and Other Political Writings Jean-Jacques Rousseau, 2012-10-04 Man was born free and everywhere he is in chains These are the famous opening words of a treatise that has stirred vigorous debate ever since its first publication in 1762 Rejecting the view that anyone has a natural right to wield authority over others Rousseau argues instead for a pact or social contract that should exist between all the citizens of a state and that should be the source of sovereign power From this fundamental premise he goes on to consider issues of liberty and law freedom and justice arriving at a view of society that has seemed to some a blueprint for totalitarianism to others a declaration of democratic principles Translated by Quintin Hoare With a new introduction by Christopher Bertram

The Social Contract and Other Political Writings Jean-Jacques Rousseau, 2015-05-22 Jean Jacques Rousseau was one of the greatest and most influential political philosophers of all time His writings influenced America's founding fathers later with less salutary results elements of his thinking were adopted by the leaders of the French Revolution This essential edition of Rousseau's writings includes his most classic political essays *On the Social Contract* *Discourse on the Sciences and the Arts* *Discourse on the Origin and Foundation of Inequality among Men* *A Discourse on Political Economy* and *The State of War* It also includes an extended introduction to Rousseau and his thought as well as notes to clarify and explain Rousseau for the modern reader

The Major Political Writings of Jean-Jacques Rousseau Jean-Jacques Rousseau, 2012-10-17 This fresh new rendition of Rousseau's major political writings is a boon for scholars and students alike with a critical introduction by the translator Richard Boyd Georgetown University Individualist and communitarian Anarchist and totalitarian Progressive and reactionary Since the eighteenth century Jean Jacques Rousseau has been called all of these things Few philosophers have been the subject of such intense debate yet almost everyone agrees that Rousseau is among the most important political thinkers in history Renowned Rousseau scholar John T Scott highlights his enduring influence with this superb new edition of his major political writings This volume includes authoritative and lucid new translations of the *Discourse on the Sciences and Arts* the *Discourse on the Origin and Foundations of Inequality Among Men* and *On the Social Contract* The two Discourses show Rousseau developing his well

known conception of the natural goodness of man and the problems posed by life in society With the Social Contract Rousseau became the first major thinker to argue that democracy is the only legitimate form of political organization Scott's extensive introduction enhances our understanding of these foundational writings providing background information social and historical context and guidance for interpreting the works Throughout translation and editorial notes clarify ideas and terms that might not be immediately familiar to most readers

The Social Contract and Discourses Jean-Jacques Rousseau, 2018-05-24 A book in which Rousseau theorized about the best way to establish a political community in the face of the problems of commercial society which he had already identified in his Discourse on Inequality The Social Contract helped inspire political reforms or revolutions in Europe especially in France The Social Contract argued against the idea that monarchs were divinely empowered to legislate Rousseau asserts that only the people who are sovereign have that all powerful right

The Social Contract R. J. Jackson, D. J. Jackson, 1997-01 With the publication of The Social Contract in 1761 Jean Jacques Rousseau took his place among the leading political philosophers of the Enlightenment Like his contractarian predecessors Thomas Hobbes and John Locke Rousseau sought to ground his political theory in an understanding of human nature which he believed to be basically good but corrupted by the conflicting interests within society Here self interest degenerated into a state of war from which humanity could only be extricated by the imposition of a contract As a party to the compact each individual would find his true interest served within the political expression of the community of man or the general will What is the content of human nature and how does it compel mankind to come together to create a civil society What form does this society take What benefits does it offer its citizens and what must each individual sacrifice to reap its rewards How does sovereign power manifest itself and what consequences follow for those who choose not to abide by the general will Does Rousseau's political theory set forth a blueprint for democracy one that results in equality universal suffrage and popular sovereignty or is it a recipe for central state totalitarianism These are just a few of the complex questions that will confront readers of The Social Contract Whatever their intent or ultimate result Jean Jacques Rousseau's views on the state and man's relationship to it have culminated in one of the most powerful and compelling pieces of political philosophy ever written

On the Social Contract Jean-Jacques Rousseau, G. D. H. Cole, 2003-02-13 A milestone of political science Rousseau's 1762 work argues that all government is fundamentally flawed and that modern society is rife with inequality He proposes an alternative system for the development of self governing self disciplined citizens

Rousseau: 'The Discourses' and Other Early Political Writings Jean-Jacques Rousseau, 1997-07-13 The work of Jean Jacques Rousseau is presented in two volumes together forming a comprehensive anthology of Rousseau's political writings in English This second volume contains the earlier writings such as the First and Second Discourses the publication of which signalled the power and challenge of Rousseau's thinking Rousseau's influence was wide reaching and has continued to grow since his death major landmarks in world history such as the American and French Revolutions were profoundly affected by

Rousseau's writing as were cultural and intellectual movements such as Romanticism and Idealism. This volume like its successor contains a comprehensive introduction, chronology and guide to further reading and will enable students to obtain a full understanding of the writings of one of the world's greatest thinkers. *The Social Contract and Other Later Political Writings* Jean-Jacques Rousseau, 1997

Reading Jean-Jacques Rousseau through the Prism of Chess Florian Vauleon, 2019-11-25 Over a period of forty years Rousseau combined his devotion to writing with his enthusiasm for chess and these two passions necessarily intertwined. Rousseau was able to transfer his power of concentration and the strict dialectics of his literary writings to his chess strategy. If Rousseau's analytical skills influenced his attitude toward the game, then the game of chess inspired his logic and affected his discourse. Interpreted as a form of rationality as a conceptual paradigm, the rules and strategies of chess accurately describe Rousseau's ideas for social management, political power and organization. Reading Jean-Jacques Rousseau through the Prism of Chess shows that Rousseau's political theory, though allegedly inspired by Nature, found a perfect model in a game created by mankind; chess thus became a reference for his philosophical discourse and practice as well as a method to systematize Nature and organize society. *The Social Contract: Or, the Principles of Political Rights* Jean-Jacques Rousseau, Edward Lorraine Walter, 2015-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references, library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity, individual or corporate, has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

Of the Social Contract, Or, Principles of Political Right & Discourse on Political Economy Jean-Jacques Rousseau, 1984 *Rousseau: 'The Discourses' and Other Early Political Writings* Jean-Jacques Rousseau, 1997-07-13 The work of Jean-Jacques Rousseau is presented in two volumes which together form the most comprehensive anthology of Rousseau's political writings in English. Volume I contains the earlier writings such as the First and Second Discourses. The American and French Revolutions were profoundly affected by Rousseau's writing, thus illustrating the scope of his influence. Volume II contains the later writings such as the Social Contract. The Social Contract was publicly condemned on publication, causing Rousseau to flee. In exile he wrote both autobiographical and political works. These volumes contain comprehensive introductions, chronologies and guides to further reading and will enable students to fully understand the writings of one of the world's greatest thinkers. **The Routledge**

Companion to Social and Political Philosophy Gerald Gaus, Fred D'Agostino, Ryan Muldoon, 2024-11-26 The Routledge Companion to Social and Political Philosophy Second Edition is a comprehensive definitive reference work providing an up to date survey of the field charting its history and key figures and movements and addressing enduring questions as well as contemporary research Features unique to the Companion are as follows Extensive coverage of the history of social and political thought including separate chapters on the development of political thought in the Islamic world India and China as well as in modern Germany France and Britain A focus on the core concepts and the normative foundations of social and political theory A section devoted exclusively to distributive justice the central issue of political philosophy since Rawls Theory of Justice Several chapters on global justice and international issues The Companion s 74 commissioned chapters by leading scholars from throughout the world are divided into eight thematic sections The History of Social and Political Theory Political Theories and Ideologies Normative Foundations Distributive Justice The National State and Beyond Political Concepts Approaches and Issues in Social and Political Philosophy Expanded updated and revised throughout this Second Edition includes new chapters on Politics Philosophy and Economics PPE Political Epistemology Race and Ethnicity Power Foucault and New Diversity Theory *Rousseau and Revolution* Holger Ross Lauritsen, Mikkel Thorup, 2011-07-14 The political philosophy of the 18th century philosopher Jean Jacques Rousseau has long been associated with the dramatic events of the French Revolution In this book an international team of scholars has been brought together to examine the connection between Rousseau s thought and the revolutionary traditions of modern Europe The book explores Rousseau s own conceptions of violence and revolution in contrast to those of other thinkers such as Hegel and Fanon and in connection with his ideas on democracy Historical analyses also consider Rousseau s thinking in light of the French Revolution in particular and the European revolutions that have followed it Across the eleven chapters the book also touches on such issues as citizenship activism terrorism and the State In doing so the book reveals Rousseau to be an important source of insight into contemporary political problems *The General Will* James Farr, David Lay Williams, 2015-02-16 Although it originated in theological debates the general will ultimately became one of the most celebrated and denigrated concepts emerging from early modern political thought Jean Jacques Rousseau made it the central element of his political theory and it took on a life of its own during the French Revolution before being subjected to generations of embrace or opprobrium James Farr and David Lay Williams have collected for the first time a set of essays that track the evolving history of the general will from its origins to recent times The General Will The Evolution of a Concept discusses the general will s theological political formal and substantive dimensions with a careful eye toward the concept s virtues and limitations as understood by its expositors and critics among them Arnauld Pascal Malebranche Leibniz Locke Spinoza Montesquieu Kant Constant Tocqueville Adam Smith and John Rawls The Greatest of All Plagues David Lay Williams, 2024-09-03 How the great political thinkers have persistently warned against the dangers of economic inequality Economic inequality is one of the most

daunting challenges of our time with public debate often turning to questions of whether it is an inevitable outcome of economic systems and what if anything can be done about it But why exactly should inequality worry us The Greatest of All Plagues demonstrates that this underlying question has been a central preoccupation of some of the most eminent political thinkers of the Western intellectual tradition David Lay Williams shares bold new perspectives on the writings and ideas of Plato Jesus Thomas Hobbes Jean Jacques Rousseau Adam Smith John Stuart Mill and Karl Marx He shows how they describe economic inequality as a source of political instability and a corrupter of character and soul and how they view unchecked inequality as a threat to their most cherished values such as justice faith civic harmony peace democracy and freedom Williams draws invaluable insights into the societal problems generated by what Plato called the greatest of all plagues and examines the solutions employed through the centuries An eye opening work of intellectual history The Greatest of All Plagues recovers a forgotten past for some of the most timeless books in the Western canon revealing how economic inequality has been a paramount problem throughout the history of political thought The Social Contract Jean-Jacques Rousseau,1968-06-30 Man was born free and he is everywhere in chains These are the famous opening words of a treatise that has not ceased to stir vigorous debate since its first publication in 1762 Rejecting the view that anyone has a natural right to wield authority over others Rousseau argues instead for a pact or social contract that should exist between all the citizens of a state and that should be the source of sovereign power From this fundamental premise he goes on to consider issues of liberty and law freedom and justice arriving at a view of society that has seemed to some a blueprint for totalitarianism to others a declaration of democratic principles For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **The Mythological State and its Empire** David Grant,2010-06-21 We see the modern State as the most rational form of governing yet devised and one which properly recognises our inherent individual rights However as the histories of colonialism and imprisonment reveal it is also an intruder into the lives of generally unwilling individuals constraining rights This book looks beneath the contradiction to see an entity willingly sustained by all individuals and for which we forgo our responsibility to and for ourselves We place ourselves in the hands of those interests that promise to deal with our fears and desires the best Probing the work of political thinkers from Hobbes to Rawls the book discovers a State that is a real mythological entity spreading across social and geographic space and concerned first with satisfying our two passions Understanding this mythology may allow reason to emerge from its service to fear and desire so that the modern State could become truly modern This book will be of interest to scholars in Sociology Politics Philosophy and Law **Jean Jaques Rousseau's Concept of Society and Government: A Study of the Social**

Contract Andrea Becker, Maren Reyelt, 2004-07-15 Seminar paper from the year 2001 in the subject Politics Political Theory and the History of Ideas Journal grade 1 A University of Wyoming Department of Political Science course Recent Political Thought language English abstract Man is born free and everywhere he is in chains One believes himself the other's master and yet is more a slave than they How did this change come about I do not know What can it make legitimate I believe I can solve this 1 Regarding this quoted statement Jean Jacques Rousseau's *Of the Social Contract or Principles of Political Right* in the following referred to as the *Social Contract* of 1762 tries to explain and solve the problems of the society Rousseau lived in with the idea of a somewhat direct democracy and a radical popular sovereignty Accordingly the author's theory is the counterpart to the early liberal Montesquieuian model of a state with a binding constitution but also to the later classical liberal theories of democracy of John Stuart Mill In general Rousseau is known as a representative of the concept of direct democracy and as an intercessor of the identity of governors and the governed Moreover he pledged for the inseparability of popular sovereignty 2 Taking this into consideration Rousseau's *Social Contract* although censored and prohibited in his own time remains a key source of democratic belief and is one of the classics of political theory His theories were viewed so controversially that they were even publicly burned So the *Social Contract* and *Emile or on Education* 1762 became victims of the flames 3 This was because basically the *Social Contract* argues that the first and the most important consequences of the principles established so far is that the general will *volonté g n rale* alone can direct the forces of the state according to the end of its institution which is the common good 4 1 Jean Jacques Rousseau *The Social Contract and Other Later Political Writings* edited and translated by Victor Gourevitch Cambridge Cambridge University Press Cambridge Texts in the History of Political Thought 1997 Book I p 41 2 Manfred G Schmidt *Demokratietheorien Eine Einf hrung* 2 Auflage Opladen Leske Budrich 1997 pp 23 24 3 Merle L Perkins *Jean Jacques Rousseau on the Individual and Society* Lexington University Press of Kentucky 1974 p 239 4 Rousseau *The Social Contract* Book II p 57

Of The Social Contract And Other Political Writings Introduction

In the digital age, access to information has become easier than ever before. The ability to download Of The Social Contract And Other Political Writings has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Of The Social Contract And Other Political Writings has opened up a world of possibilities. Downloading Of The Social Contract And Other Political Writings provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Of The Social Contract And Other Political Writings has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Of The Social Contract And Other Political Writings. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Of The Social Contract And Other Political Writings. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Of The Social Contract And Other Political Writings, users should also consider the potential security risks associated with

online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Of The Social Contract And Other Political Writings has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
