IMPORTANT
BEFORE taking any pictures with your Kodak, and before loading it with film, read and follow these instructions carefully. Take especial care to learn how to operate the shutter.

While loading and unloading, be very careful to keep the red paper wound tightly around the film to prevent light striking it. The Kodak can be loaded or unloaded in daylight. This should be done in a subdued light, not in direct sunlight.

Caution: Prolonged exposure to direct sunlight might cause the colored covering of the camera to fade. Alcoholic solvents must not be used for cleaning the Kodak or carrying case.

Old Fields John R. Stilgoe,2014-03-04 Glamour subverts convention Models images and even landscapes can skew ordinary ways of seeing when viewed through the lens of photography suggesting new worlds imbued with fantasy mystery sexuality and tension In *Old Fields* John Stilgoe one of the most original observers of his time offers a poetic and controversial exploration of the generations long effort to portray glamour Fusing three forces in contemporary American

culture amateur photography after 1880 the rise of glamour and fantasy and the often mysterious quality of landscape photographs Stilgoe provides a wide ranging yet concentrated take on the cultural legacy of our photographic history Through the medium of shop theory the techniques tools and purpose made equipment a maker uses to realize intent Stilgoe looks at the role of Eastman Kodak in shaping the ways photographers purchased cameras and films while also mapping the divisions that were created by European made cameras He then goes on to argue that with the proliferation of digital cameras smart phones and Instagram young people s lack of knowledge about photographic technique is in direct correlation to their lack of knowledge of the history of glamour photography In his exploration of the rise of glamour and fantasy in contemporary American culture Stilgoe offers a provocative and very personal look into his enduring fascination with and the possibilities inherent in creating one s own images
