Old Deeside Ways Folklore History:

The Deeside Way Peter Evans, 2021-07-01 The Deeside Way is a long distance path running for 66km 41 miles from Aberdeen the oil capital of Europe to Ballater in Royal Deeside in the Cairngorms National Park. Mainly following the course of old Royal Deeside Railway line it is suitable for cyclists as well as walkers. There is much to be seen along the Way of scenic beauty, historical interest and thriving wildlife. There are fascinating links to the Romans, to Queen Victoria and Balmoral and even to bodysnatchers. This new Guide covers all of these with a wealth of practical information on preparation for the walk, accommodation, transport and much else. As well as describing the Way itself, Peter Evans includes six additional walks in and around Deeside, varying from short low level walks to mountain summits. *Place name discoveries on Upper Deeside and the far Highlands* Ian Murray, Adam Watson, 2015-01-01 In this book the authors present many unpublished place names from Upper Deeside and from counties in the Highlands beyond. These were heard from indigenous folk back to 1941. Names are given with phonetic spellings so that readers can pronounce them accurately and in most cases with translations from Gaelic, Norse, Scots or Pictish into English. The book is richly illustrated with photographs of places and informants. Of interest to residents and visitors, it should help preserve for the future an important aspect of local identity and language.

The Old Ways Robert Macfarlane, 2012-10-11 From the acclaimed author of *The Wild Places* and *Underland*, an exploration of walking and thinking. In this exquisitely written book, Robert Macfarlane sets off from his Cambridge, England home to follow the ancient tracks, holloways, drove roads and sea paths that crisscross both the British landscape and its waters and territories beyond. The result is an immersive, enthralling exploration of the ghosts and voices that haunt old paths, of the stories our tracks keep and tell, and of pilgrimage and ritual. Told in Macfarlane's distinctive voice, *The Old Ways* folds together natural history, cartography, geology, archaeology and literature. His walks take him from the chalk downs of England to the bird islands of the Scottish northwest, from Palestine to the sacred landscapes of Spain and the Himalayas. Along the way, he crosses paths with walkers of many kinds, wanderers, pilgrims, guides and artists. Above all, this is a book about walking as a journey inward and the subtle ways we are shaped by the landscapes through which we move. Macfarlane discovers that paths offer not just a means of traversing space but of feeling, knowing and thinking. *Hunt for the Shadow Wolf* [US Edition] Derek Gow, 2024-03-07 Longlisted for the James Cropper Wainwright Prize 2024 for Nature Writing. Terrific life lit moments come howling out of *Hunt for the Shadow Wolf*. The Telegraph. One of the most remarkable figures in British conservation, The Observer. There have been several books on the fate of British wolves, but this is the best. The Spectator. Derek Gow is a wry, profane truth teller who is equal parts yeoman farmer, historical ecologist and pirate. Ben Goldfarb, author of *Eager* and *Crossings*. Renowned rewilder Derek Gow has a dream that one day we will see the return of the wolf to Britain, as it has already returned elsewhere. As Derek worked to reintroduce the beaver, he began to hear stories of the wolf, both real and mythical, and his fascination with this creature grew. With increasing curiosity, Derek started to piece together

fragments of information stories and artefacts to reveal a shadowy creature that first walked proud through these lands and then was hunted to extinction as coexistence turned to fear hatred and domination What Derek came to realize was that the underlying motives behind our hatred were actually far more prosaic and like most persecutions to do with power and profit We turned the wolf into a savage beast and saw its extirpation as a civilizing mission But the wolf survived far longer than many thought and Derek tells of his sightings of the wolf through folklore and mythology the records of grand estates and parish churches as well as wolf heads both real and recreated With biting funny but also tender stories Hunt for the Shadow Wolf is Derek's quest to uncover the true nature of this creature because as we seek to heal our landscape we must reconcile our relationship with it Before we can even begin to bring the wolf back we need to understand it I have loved this chase dearly and though what unfolds might be an ending of sorts I have no intention to let this hunt cease Derek Gow from Hunt for the Shadow Wolf Beautifully crafted fascinating and unbearably poignant I totally loved this book Isabella Tree author of Wilding Gow reinvents what it means to be a guardian of the countryside The Guardian [Hunt for the Shadow Wolf](#) Derek Gow, 2024-03-07 Longlisted for the James Cropper Wainwright Prize 2024 for Nature Writing Terrific life lit moments come howling out of Hunt for the Shadow Wolf The Telegraph One of the most remarkable figures in British conservation The Observer There have been several books on the fate of British wolves but this is the best The Spectator Derek Gow is a wry profane truth teller who is equal parts yeoman farmer historical ecologist and pirate Ben Goldfarb author of Eager and Crossings Renowned rewilder Derek Gow has a dream that one day we will see the return of the wolf to Britain as it has already returned elsewhere As Derek worked to reintroduce the beaver he began to hear stories of the wolf both real and mythical and his fascination with this creature grew With increasing curiosity Derek started to piece together fragments of information stories and artefacts to reveal a shadowy creature that first walked proud through these lands and then was hunted to extinction as coexistence turned to fear hatred and domination What Derek came to realize was that the underlying motives behind our hatred were actually far more prosaic and like most persecutions to do with power and profit We turned the wolf into a savage beast and saw its extirpation as a civilizing mission But the wolf survived far longer than many thought and Derek tells of his sightings of the wolf through folklore and mythology the records of grand estates and parish churches as well as wolf heads both real and recreated With biting funny but also tender stories Hunt for the Shadow Wolf is Derek's quest to uncover the true nature of this creature because as we seek to heal our landscape we must reconcile our relationship with it Before we can even begin to bring the wolf back we need to understand it I have loved this chase dearly and though what unfolds might be an ending of sorts I have no intention to let this hunt cease Derek Gow from Hunt for the Shadow Wolf Beautifully crafted fascinating and unbearably poignant I totally loved this book Isabella Tree author of Wilding Gow reinvents what it means to be a guardian of the countryside The Guardian **Notes and Queries**, 1908 *The Publishers' Circular and Booksellers' Record*, 1924 [The place names of Upper Deeside](#) Adam
