been living among us for thousands of years voluntarily giving up being in the Worlds of higher dimensions just so that we people of Earth did not remain completely cut off from the Source from Which all of us have come out and to illuminate with the Knowledge of Truth the Path of spiritual ascent for Consciousnesses who no longer wish to abide in the sleep of illusion and the darkness of ignorance The Books of Oris are an example of this Service **Cosmic Colleagues - Ascended Master Messages** Jasmuheen,2009-03-04 A selection of loving timeless and insightful channeled messages through Jasmuheen to inspire and support all through these changing times In this book Jasmuheen shares of her personal relationship with these ones As Saint Germain once shared with her The Master discerns which experience he or she will have while dwelling in physical form in God s kingdom The Master through all realms of expression creates around them in every now moment that which serves them fully in the awakened state in each now moment From Mother Mary Spirit and reason go hand in hand and reason will deliver you to the embrace of spirit for reason was birthed in spirit Reason is like the sheep that come back home to the shepherd Times of contemplation will allow you to make peace with all aspects of your Being to recognize your humanness and love all parts of you without judgment Remember that love is the only real power of lasting transformation

come from somewhere else all the time stay and interact with your Consciousness for a while and then imperceptibly disappear to somewhere Your thinking is the process of continuously synthesizing in your reality newer and newer Forms from the already known to you mental and sensual experience Therefore for you the thinking process represents the beginning and the end of absolutely all of your desires from getting some material benefits to achieving higher according to your concepts spiritual goals By mastering the art of mental transformations you will have an absolutely real means of consciously controlling the material conditions of your earthly existence By improving in this direction your mentality can reach the point where it becomes possible to control the powerful factors of the natural elements of Nature influencing not only the weather but also such destructive phenomena as tornadoes earthquakes tsunamis with the power of your Mind

«**Wandering of the Soul**» Oris Oris,1996-01-01 The book not only introduces the reader to the problem of Death but also considers the place of human in the Cosmic Hierarchy You will learn about the Path of warrior and his attitude to Death about the septenary composition of a human about the overcoming the fear of Death about the relationship between man and Egregors about chakrams as natural channels of communication with other worlds The book contains techniques and methods of entry into inner spaces and transition to other worlds

**Book 13. «All Extraterrestrial Contacts»** Oris Oris,1999-01-01 In today's world there is a lot of information about UFOs about the meetings of individuals and even whole governments with aliens as well as materials of telepathic Contacts with representatives of various extraterrestrial civilizations etc Unfortunately this information while passing through different dimensions to us in our three dimensional world is often subject to very strong distortions and is very often misunderstood by us due to the specifics of our three dimensional way of thinking Offered to you materials of Oris's Contacts with the commanders and crew members of the Sirius A and Sirius B starships as well as with other extraterrestrial Consciousnesses and Civilizations including the Consciousness of Christ Lord Maitreya God of the Sun the Logos of our Solar System Elohim the Creators of our Universe and the four Archangels Michael Uriel Gabriel and Metatron are unique because they are literally received first hand and contain very valuable information useful for all humanity which lives on the eve of the Transfiguration of the Earth The Pleadians and Sirians who are the true spiritual Teachers of Earth's humanity are happy to share with us the knowledge without which we earthlings cannot emerge from the endless series of earthly incarnations and join as equals the extraterrestrial civilizations that are part of the Commonwealth of the Light Ring on the expanses of Cosmic and Galactic Creativity About this and much more you can learn from this book series called Extraterrestrial Contacts

«**Svadhishthana chakra**» Oris Oris,2000-01-01 The weaknesses of our sex education have led to the fact that most people even if they feel a deep sensual attraction instead of beginning a heartfelt spiritual exploration of each other in the process of intimate interaction and accumulation of sexual energy instead close their heart centers and turn the unique opportunity of highly sensual admiration into a trivial sexual act Unfortunately the creators of the lower astral and dense material types of Reality

benefit greatly from the fact that the prevailing majority of people completely incorrectly and perversely understand the very essence of SEXUAL INTERACTION Sexual interaction in fact is a spiritual intimate process which if properly understood contributes to a stronger contact between a person and his inner Essence and contributes to a more highly sensual and deeply soulful manifestation of the person Love is the real Symbol of the Age of Transfiguration that is coming on Earth And the mysterious sacred key to the Gate of Spiritual Transformation is not somewhere in the cosmic infinity and unfathomable unknown beyond our psychic capabilities but in fact is located quite nearby or rather in our own heart center AIGLILLIA which is filled with the highest vibrations of Love literally towards every manifested aspect of the Life around us including the strongest of all the sexual one      *Book 12. «The Transmutation Diary. Part 3»* Oris Oris,1999-01-01 Tells about the events that took place from 08 01 1999 to 13 08 1999      [Complete Book Catalogue](#) Oris Oris, This catalogue contains all the books ever written by Oris Oris Books in the catalogue are presented in chronological order as they were written All Oris books in all available languages can be downloaded for free from our website <https://orisoris.com>
