*The Merman* Carl-Johan Vallgren, 2015-12-15 Nella and her brother Robert live a difficult life with their mother and father in a small town on the west coast of Sweden. Robert is bullied at school and Nella has to resort to debt and petty crime to pay off his tormentors. When she turns to her friend Tommy for help, her suspicions are aroused by the mysterious comings and goings of his brothers at their dilapidated boat house. But when she uncovers the reason behind their enigmatic behavior, her life is opened to the realities of a mindboggling secret. *The Merman* is a dark and haunting novel about sibling love and betrayal and about what happens when the mundane collides with the strange and beautiful. ***A Tale of Two Families*** Dodie Smith, 2016-08-22 From the author of *I Capture the Castle* comes a delightful funny tale of complicated sibling relationships, friendship and forbidden love set in 1970s England. Suspecting her husband George of dalliances in the city, May decides it is high time the family moved to the country. Determined to create the perfect home, there she finds an idyllic country house set in a lilac grove and sets about furnishing it properly and cooking enormous meals. She even manages to convince her less well-off sister June to move into a cozy cottage on the grounds with her husband Robert. This new set up is very much a family affair as June's husband Robert just happens to be George's brother; the two sisters are married to two brothers. At first both families seem to be settling in well, sharing delicious meals and having fun times together. Their grown-up children, Hugh and Corinna, visit from London and there even seems to be a hint of romance in the air for them, while the surviving grandparents from both sides of the family move into the big house and forge new friendships. But the arrival of a cantankerous great aunt will reveal the cracks in the family's tangled relationships and will even threaten to unveil the greatest secret of all while May thought moving George to the country would put a stop to his affairs, he has begun to fall in love with his sister-in-law June. The death of a beloved character will however turn the tables again and lead to the ultimate happy denouement.

*Beneath the Heart of the Sea* Owen Chase, 2015-04-01 Discover the amazing true story behind the inspiration for Herman Melville's *Moby Dick* and the feature film *Heart of the Sea*. A tragic yet riveting narration of life and death and man against the elements, this is an extreme account of shipwreck survival. On the morning of November 20, 1820, in the Pacific Ocean, 2,000 miles from the coast of South America, an enraged sperm whale rammed the Nantucket whaleship *Essex*. As the boat began to sink, her crew of 20, including first mate Owen Chase, grabbed what little they could before piling into frail boats and taking to the open seas. So began their four-month ordeal and struggle for survival. This is a bleak story; only eight men survived, having endured starvation and dehydration, giving in to cannibalism, murder, and insanity. Owen Chase recorded the extraordinary account in his autobiography, originally published in 1821. ***The Boy in the Shadows*** Carl-Johan Vallgren, 2016-07-05 In an overcrowded Stockholm subway station, a harried father and his two boys are late for their train. Joel, the youngest, is howling in his stroller, and his seven-year-old brother Kristoffer refuses to take the elevator. A woman approaches and helpfully offers to lead Kristoffer up the stairs. Reluctantly, his father agrees, but when he arrives on

the platform Kristoffer and the woman have vanished without a trace The kidnapping becomes a national sensation but the boy is never found Today Joel now an adult goes missing in suspicious circumstances His frantic wife turns to Danny Katz an old friend with a troubled past for help A brilliant computer programmer and recovering heroin addict Katz is also the divorced father of two young girls Katz begins to dig behind the digital veil in search of Joel even though the investigation quickly interferes with his duties as a parent Before long Katz discovers he isn't the only one trying to find Joel The deeper Katz digs the more upsetting the secrets he uncovers about the wealthy and powerful family at the heart of the investigation Chillingly the case takes a violent turn that reveals a disorienting connection to Katz's own troubled childhood soon there will be no backing out of his unofficial investigation
