Message Great King Reading Messenger:

A Message from the Great King R. Michael Fox, 2015-11-16 The academy has not been kind to Malachi Indeed some of the most influential and seminal studies on the book denigrate its style message and overall artistry This negative assessment proves extensive in the history of scholarship Furthermore the studies demonstrating a more positive assessment of Malachi do so without offering serious challenges to these long standing denigrations Complicating the matter is the observation that critical study has proffered numerous suggestions for what Malachi contains while failing to provide a viable model of what Malachi actually is *A Message from the Great King* presents serious challenges to the guild's prior assessments and conclusions about the book Through an interdisciplinary approach that synthesizes insights from literary theory thorough historical reconstruction and a close reading of the biblical text R Michael Fox makes a formidable case that a root messenger metaphor pervades the entire text of Malachi Viewed and read through this new lens Malachi's artistry becomes more readily apparent and its theological message more intense and demanding *A Message from the Great King* provides serious reassessment of the academy's long standing denigrations of the book and a compelling answer to what Malachi actually is Accompanying these insights into Malachi are new methodological procedures and exercises that merit further attention and reflection

Persian Royal-Judaean Elite Engagements in the Early Teispid and Achaemenid Empire

Jason M. Silverman, 2019-11-14 Jason Silverman presents a timely and necessary study advancing the understanding of Achaemenid ideology and Persian Period Judaism While the Achaemenid Persian Empire c 550-330 BCE dwarfed all previous empires of the Ancient Near East in both size and longevity the royal system that forged and preserved this civilisation remains only rudimentarily understood as is the imperial and religious legacy bequeathed to future generations In response to this deficit Silverman provides a critically sophisticated and interdisciplinary model for comparative studies While the Achaemenids rebuilt the Jerusalem temple Judaeon literature of the period reflects tensions over its Persian re-establishment demonstrating colliding religious perspectives Although both First Zechariah 1:8 and Second Isaiah 40:55 are controversial the greater imperial context is rarely dealt with in depth both books deal directly with the temple's legitimacy and this ties them intimately to kings' engagements with cults Silverman explores how the Achaemenid kings portrayed their rule to subject minorities the ways in which minority elites reshaped this ideology and how long this impact lasted as revealed through the Judaeon reactions to the restoration of the Jerusalem temple

Eggleston, 2016-02-08. Unusually for the Hebrew Bible, the book of Jeremiah contains a high number of references to writers writing and the written word. The book, which was primarily written during the exilic period, demonstrates a key moment in the ongoing integration of writing and the written word into ancient Israelite society. Yet the book does not describe writing in the abstract. Instead, it provides an account of its own textualization, thereby blurring the lines between the texts in the narrative and the texts that constitute the book. Scrolls in Jeremiah become inextricably intertwined with the scroll of Jeremiah. To authenticate the book of Jeremiah as the word of YHWH, its tradents present a theological account of the chain of transmission from the divine to the prophet and then to the scribe and the written page. Indeed, the book of Jeremiah extends the chain of transmission beyond the written word to include the book of Jeremiah itself and finally a receiving audience. To make the case for this chain of transmission, See and Read's three exegetical chapters attend to writers, YHWH, prophets, and scribes, the written word, and the receiving audience. The first exegetical chapter describes the standard chain of transmission from the divine to the prophet to the scribe, demonstrating that all three agents in this chain are imagined as writers and that writing was increasingly understood as a suitable conduit for the divine word. The second exegetical chapter attends to the written word in Jeremiah, especially Jeremiah's self-references, e.g., in this book all these words, as a pivotal element in the extension of the chain of transmission beyond the words in the text to the words of the text. Finally, the third exegetical chapter considers the construction of the audience in the book of Jeremiah, concluding that the written word, as Jeremiah imagines it, is to be received by a worshipping audience through public reading but delivered via textual intermediaries.

Genebago, 2023-07-07. The Day of the Lord texts of Malachi Mal 3:2-7, 4:5 demonstrate that he seems to allude to Joel's Day of the Lord 2:11-13, 3:1 MT 3:4. Malachi's Day of the Lord seems to have a strong inner biblical relationship with the Day of the

Lord motif of Joel A significant interpretive loss is committed when allusion is recognized in the source text but ignored and not explored Thus the passages themselves call for an inner biblical allusion study In addition the interpretive significance of Joel s Day of the Lord in Malachi has not been investigated comprehensively as the review of literature and intertextual and inner biblical studies on Malachi validated Thus these are the interrelated questions a What are the criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord b How did Malachi use Joel s Day of the Lord motif c How did Malachi develop the Day of the Lord theme in his book There are three purposes of this study The first is to identify objective criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord The second is to determine how Malachi used Joel s Day of the Lord motif The last is to ascertain how Malachi developed the Day of the Lord theme in his book *Children of the Church Magazine* ,1902 *The Way It Went* Kamran Ali, *The Church School Journal* ,1886 **A Guide to Biblical Commentaries and Reference Works, 11th Edition** John F.
