Flinn,2020-08-26 Three women grieving the loss of loved ones are guests in a charming bed and breakfast inn in Lily Dale a historic spiritualist community in upstate New York Tree Haven is owned by an eccentric ninety year old former actress who adores animals bakes delicious lemon butter cookies and entertains her guests with colorful stories of her days in theater Shortly after the women s arrival a series of horrific murders befall the scenic lakeside community The victims are an aging astrologer named Lady Moon a woman who believes she is the reincarnated soul of Madame Petrona Blavatsky founder of the Theosophical Society and a nonagenarian who communes with trees and animal spirits Inspectors Robert McLeod and Tara Flanagan are in charge of the investigation but shortly after learning that his old friends semi retired inspector Pequod Dyxx and his clairvoyant wife Evangeline are in town McLeod persuades them to help with the case The suspects include a drifter who believes he is a messenger of God a priest who terrorizes altar boys and condemns psychics as satanic blind twin brothers who are members of a self mortification group and an unscrupulous real estate man who wants to build a development in the town s center A philosophical mystery The Long Road Home is suspenseful thought provoking and satiric from start to finish with multiple plots and unconventional characters *Artificial Intelligence in the Primary Classroom* Gemma Clark,2024-05-28 Artificial intelligence AI has sparked a huge debate among teachers and school leaders Many questions arise about the trajectory of this new technology and where it will take us How will we differentiate between student authored work and AI generated content Will it lead to a loss of creativity and critical thinking skills What impact will it have on the dynamics of learning and teaching within schools These are all crucial topics for discussion yet AI has already become part of our reality and Gemma Clark firmly believes that embracing its potential is in our best interests In an era defined by technological advances Artificial Intelligence in the Primary Classroom stands as an indispensable resource that holds the key to transforming teaching and learning For educators burdened by bureaucratic tasks that divert precious time from actual teaching this book offers a lifeline It demonstrates how AI powered tools can alleviate administrative burdens enabling teachers to focus on the important job of

nurturing young minds and to channel their energy and resources into higher impact activities such as crafting tailored learning experiences giving children personalised feedback and improving engagement From time consuming tasks like lesson planning assessment marking and automating report writing processes to facilitating content creation the book details tangible ways in which AI can streamline workflows improve teaching and restore work life balance Other examples include Spelling Lessons Save time when planning your spelling lessons by using AI to automatically generate a comprehensive list of phonemes or sounds suitable for teaching young children Mindfulness in the Classroom If you are interested in incorporating mindfulness games and activities to assist children in relaxation and focus AI can provide valuable suggestions for fostering pupil and staff wellbeing PE Lessons You don t have to be an expert in sports to teach PE Whether it s tennis football rugby or running AI can offer suggestions for activities warm ups and cool downs to use in your PE lessons Art Lessons AI can be an excellent resource for planning art lessons especially when seeking suggestions to emphasize one of the eight elements such as line shape form colour value texture space and value Maths Lessons As with spelling AI can significantly reduce the time spent on creating maths questions and simplify the process of differentiation Artificial Intelligence in the Primary Classroom is filled with practical strategies engaging activities and useful tips and tricks that will save teachers time and energy Gemma provides transferrable ideas and lesson plans with step by step instructions that can be adapted and used in secondary settings as well as primary Backed up by real world examples throughout this book empowers teachers to embrace AI as a tool in fostering enhanced learning experiences while also reclaiming invaluable time for pedagogical creativity Suitable for primary school teachers of all levels of experience

Solitude and Speechlessness Andrew Mattison, 2019-07-26 Recent literary criticism along with academic culture at large has stressed collaboration as essential to textual creation and sociability as a literary and academic virtue Solitude and Speechlessness proposes an alternative understanding of writing with a complementary mode of reading literary engagement it suggests is the meeting of strangers each in a state of isolation The Renaissance authors discussed in this study did not necessarily work alone or without collaborators but they were uncertain who would read their writings and whether those readers would understand them These concerns are represented in their work through tropes images and characterizations of isolation The figure of the isolated misunderstood or misjudged poet is a preoccupation that relies on imagining the lives of wandering and complaining youths eloquent melancholics exemplary hermits homeless orphans and retiring stoics such figures acknowledge the isolation in literary experience As a response to this isolation of literary connection Solitude and Speechlessness proposes an interpretive mode it defines as strange reading a reading that merges comprehension with indeterminacy and the imaginative work of interpretation with the recognition of historical difference

Obscene in the Extreme Rick Wartzman, 2009-09-01 Few books have caused as big a stir as John Steinbeck s *The Grapes of Wrath* when it was published in April 1939 By May it was the nation s number one bestseller but in Kern County California the Joads newfound home the book was burned publicly and banned from library

shelves *Obscene in the Extreme* tells the remarkable story behind this fit of censorship When W B Bill Camp a giant cotton and potato grower presided over its burning in downtown Bakersfield he declared We are angry not because we were attacked but because we were attacked by a book obscene in the extreme sense of the word But Gretchen Knief the Kern County librarian bravely fought back If that book is banned today what book will be banned tomorrow *Obscene in the Extreme* serves as a window into an extraordinary time of upheaval in America a time when as Steinbeck put it there seemed to be a revolution going on □□□□□□□□□□,1998 **Book Smart** Jane Mallison,2007-10-25 Jane Mallison is the former head of the English department at New York s prestigious Trinity School More than five million Americans belong to a book club and members are always looking for new ideas Consumers spend more than a billion dollars on books each year Features Book Smart Recommended Reading sidebars that lead readers to similar books and authors **Books Without Borders, Volume 2** R. Fraser,M. Hammond,2008-07-10 This volume focuses on the publisher s series as a cultural formation a material artifact and component of cultural hierarchies Contributors engage with archival research cultural theory literary and bibliometric analysis amongst a range of other approaches to contextualize the publisher s series in terms of its cultural and economic work Burning the Books Richard Ovenden,2020-11-17 A Wolfson History Prize Finalist A New Statesman Book of the Year A Sunday Times Book of the Year Timely and authoritative I enjoyed it immensely Philip Pullman If you care about books and if you believe we must all stand up to the destruction of knowledge and cultural heritage this is a brilliant read both powerful and prescient Elif Shafak Libraries have been attacked since ancient times but they have been especially threatened in the modern era through war as well as willful neglect *Burning the Books* describes the deliberate destruction of the knowledge safeguarded in libraries from Alexandria to Sarajevo from smashed Assyrian tablets to the torching of the Library of Congress The director of the world famous Bodleian Libraries Richard Ovenden captures the political religious and cultural motivations behind these acts He also shines a light on the librarians and archivists preserving history and memory often risking their lives in the process More than simply repositories for knowledge libraries support the rule of law and inspire and inform citizens Ovenden reminds us of their social and political importance challenging us to protect and support these essential institutions Wonderful full of good stories and burning with passion Sunday Times The sound of a warning vibrates through this book The Guardian Essential reading for anyone concerned with libraries and what Ovenden outlines as their role in the support of democracy the rule of law and open society Wall Street Journal Ovenden emphasizes that attacks on books archives and recorded information are the usual practice of authoritarian regimes Michael Dirda Washington Post **Reading Epic** Peter Toohey,2003-09-02 Readers new to ancient epic are hampered in two ways they do not know the ancient languages and they are unfamiliar with the ancient world This survey addresses the needs of these readers by offering guidance through the major classical writers of epic it begins with Homer and concludes with an overview of the development of late ancient epic and of the interface between the epic and the novel The Literature of Waste S.

Morrison, 2015-06-03 Tracing material and metaphoric waste through the Western canon ranging from Beowulf to Samuel Beckett Susan Signe Morrison disrupts traditional perceptions of waste to better understand how we theorize manage and are implicated in what is discarded and seen as garbage Engaging a wide range of disciplines Morrison addresses how the materiality of waste has been sedimented into a variety of toxic metaphors If scholars can read waste as possessing dynamic agency how might that change the ethics of refuse ing and ostracizing wasted humans A major contribution to the growing field of Waste Studies this comparative and theoretically innovative book confronts the reader with the ethical urgency present in waste literature itself
