*Unsettled Legal Issues Facing Data in Autonomous, Connected, Electric, and Shared Vehicles* Jennifer Dukarski, 2021-09-13 Modern automobiles collect around 25 gigabytes of data per hour and autonomous vehicles are expected to generate more than 100 times that number In comparison the Apollo Guidance Computer assisting in the moon launches had only a 32 kilobyte hard disk Without question the breadth of in vehicle data has opened new possibilities and challenges The potential for accessing this data has led many entrepreneurs to claim that data is more valuable than even the vehicle itself These intrepid data miners seek to explore business opportunities in predictive maintenance pay as you drive features and infrastructure services Yet the use of data comes with inherent challenges accessibility ownership security and privacy *Unsettled Legal Issues Facing Data in Autonomous Connected Electric and Shared Vehicles* examines some of the pressing questions on the minds of both industry and consumers Who owns the data and how can it be used What are the regulatory regimes that impact vehicular data use Is the US close to harmonizing with other nations in the automotive data privacy And will the risks of hackers lead to the zombie car apocalypse or to another avenue for ransomware This report explores a number of these legal challenges and the unsettled aspects that arise in the world of automotive data Click here to access the full SAE EDGETM Research Report portfolio <https://doi.org/10.4271/EPR2021019> [Automotive Ethernet](#) Kirsten Matheus, Thomas Königseder, 2017-07-13 Get up to speed with the latest developments in automotive Ethernet technology and implementation with this fully revised second edition **Handbook of Research on Internationalization of Entrepreneurial Innovation in the Global Economy** Carvalho, Luisa Cagica, 2015-03-31 Globalization demands the creation of new business approaches to achieve high levels of competitiveness Cultural differences factor into policies as companies expand their businesses in different countries and seek to collaborate with international entrepreneurs The Handbook of Research on Internationalization of Entrepreneurial Innovation in the Global Economy brings together research on international business entrepreneurship and innovation in order to present a comprehensive publication for business professionals This volume is an essential reference source for practitioners academicians researchers and upper level students interested in learning about internationalization and innovation in a global market [Everyday Lifestyles and Sustainability](#) Fabricio Chicca, Brenda Vale, Robert Vale, 2018-04-09 The impact of humanity on the earth overshoots the earth's bio capacity to supply humanity's needs meaning that people are living off earth's capital rather than its income However not all countries are equal and this book explores why apparently similar patterns of daily living can lead to larger and smaller environmental impacts The contributors describe daily life in many different places in the world and then calculate the environmental impact of these ways of living from the perspective of ecological and carbon footprints This leads to comparison and discussion of what living within the limits of the planet might mean Current footprints for countries are derived from national statistics and these hide the variety of impacts made by individual people and the choices they make in

their daily lives This book takes a bottom up approach by calculating the footprints of daily living The purpose is to show that small changes in behaviour now could avoid some very challenging problems in the future Offering a global perspective on the question of sustainable living this book will be of great interest to anyone with a concern for the future as well as students and researchers in environmental studies human geography and development studies *Mergent International Manual* ,2002 **New Hampshire Register, State Yearbook and Legislative Manual** ,1995 *Autocar* ,1997
