recent study found almost half of middle aged English people don't walk continuously for ten minutes or more in an average month. At current trends scientists forecast the average US adult will expend little more energy in an average week than someone who spent all their time in bed. This book is a chronicle of this very modern and largely unexplored catastrophe and the story of the people trying to turn it around. Through interviews with experts in various fields doctors scientists architects and politicians Peter Walker explores how to bring more movement into the modern world and most importantly into your life. Forget the gym introducing quick and easy lifestyle changes can slow down the ageing process and even reverse many illnesses and increase mental wellbeing. *Tiny Miracles* Mel Woodworth, 2022-07-19

Many women dream of meeting their soul mate and settling down to have children and create a family. For Melissa it wasn't going to be that easy. As a senior in high school Melissa discovered she had a serious autoimmune disorder that would lead to a life of progressive pain and unique challenges. Doctors were unsure if she would be able to have children. She was fortunately blessed with a healthy baby girl early on in her marriage and everything went smoothly at first. As they tried to grow their family they ran into obstacle after obstacle. Little did she realize she would face years of challenges and heartbreak on her journey to try to expand her family. Her faith was tested again and again but God had special plans waiting for Melissa and her family. Just when they were ready to give up God showed his glory and his power through an unexpected and surprising gift that no one knew was possible not even the doctors. This is her story of hope heartbreak raw emotion and the faith that pulled her through and ended with an unexpected blessing poured out by the hands of God. Because with God all things are possible.
