Misfits From The Beehive State:

Misfits from the Beehive State Kristin Ann King, 2014-03-08 An airplane passenger who just wants to leave home is stuck with a magic boarding pass that won't cooperate. A housewife intent on heaven encounters an angel looking for sex instead. And a young woman begins her descent into schizophrenia pursued by a fairy tale character. In this debut collection by Pushcart Prize award winning author Kristin Ann King the characters try to fit into paradise but fall down the rabbit hole instead. Now they're plagued by mental illness, mystical creatures, and character flaws, and they're forced to muddle through as best they can. The result is by turns hilarious, heartbreaking, and downright peculiar. **Wasted Honor 2** Carl R.

ToersBijns, 2010-07-20 In reality, prisons resemble small communities where the warden is the mayor of a small town and the unit deputy wardens serve as council members. As soon as you come to realize this background is very much like a miniature, restricted adaptation of our free societies, you will understand the roles we play. The same responsibilities outside in the free world apply inside our prisons. Tools formalized to be available to administrators inside the prison consist of state statutes and policies and procedures that may be used to manage events which, under the existing negative circumstances of a potentially hazardous work/living environment, this potential of danger may eventually lead to the use of force allowable by law that range from non-lethal force to the use of deadly or lethal force depending on the severity of the situation at hand. Thus, when the comparison is finished inside of the prison world, we retain the basics of water, food, shelter, clothing, and civility to a degree where these conditions resemble limited and warped-minded kindness, compassion, respect, politeness, and cooperation with each other to co-exist. Although there is no doubt of the correctional employees' boldness to brag about the job at times, it has been established the less said in public the better off we are explaining what we do. This book is merely a reconstruction of events as they occurred and handled. Candidly written, the author tries to show part of a story as they were gleaned from his own eyes and his own mind. Regardless of what anyone else may think, judge, or conclude to be truthful or untruthful, this is his own story. In other words, it is purely personal from his point of view with a touch of reality to bring forth the issue at hand. Written in fiction and non-fiction, this book demonstrates logical and illogical decision making as well as sound correctional best practices and suggestions to make it a better place to work and function. Magazine, 1916 A Guide to New Jersey's Revolutionary War Trail Mark Di Ionno, 2000 Hit the road with journalist Mark Di Ionno as he takes you on a tour of New Jersey's extraordinary Revolutionary War history. Listing more than 350 historic sites throughout the state, Di Ionno has compiled the most complete guide ever to the Revolutionary War in the Garden State. New Jersey's role in the Revolutionary War is widely overlooked. Every school kid learns about the Boston Tea Party but not the Greenwich tea burning and about the miserable winter at Valley Forge but not Jockey Hollow. Schools fund class trips to Philadelphia's Independence Hall but not Princeton's Nassau Hall. To find history in New Jersey, all you need is Di Ionno's book as your guide. His easy-to-read volume helps readers explore the cities and the countryside from Bergen to Cape May.

County to find out exactly what happened there during the Revolutionary War While previously published books center on the highlights Fort Lee and Washington's retreat across the state victories at Trenton and Princeton the brutal winter encampment at Jockey Hollow and the Battle of Monmouth DiIunno fills in the blanks Battlefields churches homes of the famous and infamous cemeteries parks taverns liberty poles bridges creeks hills museums encampment sites lighthouses historical societies walking trails monuments plaques if it played a part in or commemorates the Revolutionary War in New Jersey DiIunno tells you what happened there the personalities involved and how to see it for yourself The sites are conveniently cataloged by county with a helpful summary of the area's war history beginning each chapter Each entry lists the town and directions to each site and where appropriate a complete address telephone numbers and hours of operation Both public and private sites are described and DiIunno advises readers of which private sites tours can be arranged
