Mission Vision And Bullshit:

Bullshit and Philosophy Gary L. Hardcastle, George A. Reisch, 2011-09-30 Popular interest in bullshit and its near relative truthiness is at an all time high but the subject has a rich philosophical history with Hobbes Locke Hume and Kant all weighing in on the matter Here contemporary philosophers reflect on bullshit from epistemological ethical metaphysical historical and political points of view Tackling questions including what is bullshit what does it do is it a passing fad and can it ever be eliminated the book is a guide and resource for the many who find bullshit worth pondering *Adrift* Scott Galloway, 2022-09-27 From bestselling author CNN host of No Mercy No Malice and NYU business school professor Scott Galloway comes an urgent examination of the future of our nation and how we got here We are only just beginning to reckon with our post pandemic future As political extremism intensifies the great resignation affects businesses everywhere and supply chain issues crush bottom lines we re faced with daunting questions is our democracy under threat How will Big Tech change our lives What does job security look like for me America is on the brink of massive change change that will disrupt the workings of our economy and drastically impact the financial backbone of our nation the middle class In *Adrift* Galloway looks to the past from 1945 to present day to explain just how America arrived at this precipice Telling the story of our nation through 100 charts Galloway demonstrates how crises such as Jim Crow World War II and the Stock Market Crash of 2008 as well as the escalating power of technology an entrenched white patriarchy and the socio economic effects of the pandemic created today s perfect storm *Adrift* attempts to make sense of it all and offers Galloway s unique take on where we re headed and who we ll become touching on topics as wide ranging as online dating to minimum wage to the American dream Just as in 1945 and 1980 America is once again a nation at a crossroads This time what will it take for our nation to keep up with the fast and violent changes to our new world

Propaganda and Rhetoric in Democracy Gae Lyn Henderson, M. J. Braun, 2016-10-05 The study of propaganda s uses in modern democracy highlights important theoretical questions about normative rhetorical practices Edited by Gae Lyn Henderson and M J Braun *Propaganda and Rhetoric in Democracy* History Theory Analysis advances our understanding of propaganda and rhetoric Essays focus on historical figures examining the development of the theory of propaganda during the rise of industrialism and the later changes of a mass mediated society *Propaganda and Rhetoric in Democracy* offers new perspectives on the history of propaganda explores how it has evolved during the twentieth and twenty first centuries and advances a much more nuanced understanding of what it means to call discourse propaganda

Power, Politics, and Organizational Change David A. Buchanan, Richard J. Badham, 2020-05-11 Organization politics can be seen as a game in which players compete for different kinds of territory such as status power and influence In *Power Politics and Organizational Change* David Buchanan and Richard Badham ask What s the relevance of politics to change and innovation What kind of game is this What if any are the rules How is the game played What ethical issues arise Should one play this game to win and if so how How can you develop political expertise The third edition has

Writing with Sweet Clarity John E. Eck,2022-02-27 In this book criminologist and experienced educator John E Eck draws on decades of academic and professional writing experience to provide an analytical toolkit for clear professional writing This book focuses on the essential objective of clarity and addresses topics seldom addressed in other books such as ethics beyond plagiarism writing with co authors organizing complex ideas using analytics to improve writing crafting strong beginnings and endings using examples and metaphors and integrating tables charts and diagrams As universities continue to demand writing intensive courses in the social sciences this book is indispensable in university settings and throughout a professional career The reader will use the practical advice examples and exercises in this book to master a method for clear writing unimpaired by stereotypical academic jargon The book will help both new and seasoned researchers seeking to translate their work into a clear and accessible presentation for both professional and lay audiences Designed for and field tested with graduate and advanced undergraduate students this lively and easy to read book will work for courses taught in criminology sociology geography and other social sciences and will enable scholars to extend and broaden the impact of their research **Jane Raggedfir Was a Dike** Steven Kladstrup,2022-09-08 Early Readers Praise For Jane Raggedfir Was a Dike a great read funny heroic and frightening a detailed account of a teacher s life laugh out loud storytelling heartfelt funny and eye opening If you are a veteran teacher this story will make you laugh And cry And maybe stamp your feet as you curse all the idiots who turned your job into a drive up window for people who simply want things their way If you re thinking about a

career as a public school teacher in the United States reading this book may make you think twice Jane Raggedfir is an in your face heads up on what you ll truly be facing once you re on the job Written as a set of novels spanning the course of a veteran teacher s last year on the job Jane Raggedfir s story will have you laughing when you re not crying pondering when you re not simply appalled and in the end sympathizing with the people who are serving on the real world front lines we call classrooms doing their best to fight the good fight That s because this is the story of how impossible it is to actually be a teacher nowadays In Volume 1 Back to School you ll start learning about All the sacrifices All the endless expectations All the so called leadership All the incompetence All the secrets All the compromises All the competition All the merciless scrutiny All the blame All the unfairness And last but not least all the consequences Inspired by issues and practices in the real world of education this first volume Back To School is your introduction to Jane Raggedfir a high school teacher who spent the last years of her career trying to hold back the waters of ignorance and save a troubled teen only to fail spectacularly thanks to all the hypocrisy and short sightedness that has too often turned public education into a fragmented fear based nightmare of self serving competition and back biting disrespect Get ready to experience the non public side of public education as Jane deals with the system and the system in turn deals with her Likewise get ready to learn the secrets that the rest of the staff doesn t know about Mrs Raggedfir like the truth that she is anything but safe in the classroom and is in fact disabled in a way that no one else can ever fully understand So if you re an admin in an American public school go ahead and burn this book right now before it challenges your tried and true ways of operating If you re simply on the outside looking in i e an interested party who wants to know why teachers and teaching seem so messed up these days this series will offer you plenty of insight into what s been going on particularly in some of the best schools No matter where you re coming from Jane Raggedfir will take you places you haven t been before in any other book about teaching Instead of all the rah rah rose colored I just love teaching stories Jane s journey will have you howling and shaking your head even as it clues you in on how compromised the profession really is and where many of the dark closets in your own local schools can be found Please Note This is Volume 1 of a planned series While this first volume stands on its own as a humorous and painful example of what it s really like for teachers when a school year is about to get underway it is also intended as an invitation to readers to come back for the rest of the story as additional volumes are released Volume 1 Back To School includes Prologue The Edge Part 1 The Dog Days of August Part 2 Workshop Week
