Mississippi Mud Edward Humes, 1995 Documents governmental and political corruption in the Deep South through the story of a daughter who seeks justice when her parents are slain in Mississippi **Mississippi Mud** Edward Humes, 2007-11 On a quiet September afternoon Lynne Sposito learned that her parents Vincent and Margaret Sherry had been shot to death in their Biloxi Mississippi home One of the city's most prominent couples he served as Circuit Court judge and she was running for mayor the Sherry's were mourned by a community But for a stunned and grieving daughter the nightmare was just beginning Racing to Biloxi for answers Lynne found the police investigation in chaos The only sure lead was that the Sherry's murder somehow was connected to the Dixie Mafia a predatory band of criminals who ran Biloxi's beachfront hub of sex drugs and sleaze known as The Strip Lynne armed with a savvy private eye and a 357 Magnum set out to accomplish what the authorities could not or would not do hunt down her parents assassins and bring them to justice Pulitzer Prize winner Edward Humes delivers a shocking and bizarre tale set against a teeming underworld of merciless killers ruthless con men and venal politicians *Mississippi Mud* portrays how one woman's steely obsession for the truth shook a city to its foundation and nearly destroyed everything she loved [Forthcoming Books](#) Rose Arny, 2002 **The Dead Line** T. Powell, 2020-02 THE DEAD LINE CONFESSIONS of a DIXIE MAFIA ASSASSINAN INVESTIGATIVE MEMOIR T. A. POWELL Not everyone who dies rests in peace and not everyone who rests in peace remains silent That's something the souls of the dead say the Dixie Mafia of the golden Gulf coast has apparently forgotten after 52 years Wallowing under the misguided mysteries of a broken family and the Mississippi mud that slogged through their veins the indomitable daughter of slain Lt Dan Anderson Phyllis Anderson Cook and Investigative Forensics author Powell are ready to expose newfound evidence about the previously known and unknown participants of the Cornbread Cabal's two greatest murders of revenge the infamous night of the Buford and Pauline Pusser ambush on the Mississippi Tennessee state line and the assassination of Gulfport Mississippi's Judge Vincent Sherry and his politically active wife Margaret With never before revealed first hand eye witness testimonials and fact patterned evidence the investigative author has been able to provide a plausible and corroborative segue to the mystery men of the Gulf coasts sinister history that the public has casually forgotten but spirit has not Led by the ethereal soul of Dixie Mafia maven and victim Calamity Jane whose own murder begged to be solved Powell has used both investigative forensics skill sets and the shorthand of the dead to assist Cook in connecting the dots between the alleged suicides of her father and brother to the graveside guardians of local law enforcement who were hired by the Dixie Mafia to ensure their silence about the nights the lights went out in Mississippi In tandem with dedicated field researchers and Dixie Mafia victims brave enough to step forward forensically based discoveries have been made by Powell that supports the supposition of assassination for her client's youngest brother and Dixie Mafia embedded father But neither psychic medium detective nor Cook were satisfied with just providing segue they wanted justice and it came from the most

unlikely source Unable to rest in the Mississippi mire the spirit of Calamity Jane came through time and again to describe her killers her place of burial and the dirty cops that watched her killers destroy her headstone to hide her final resting place and the criminal activities they were all involved in Unearthing new facts through once overlooked family photographs countless documents eye witness testimonies and hours of undercover and unpublished podcast sessions interviews both Powell and Cook have built an undeniable dossier of formidable truth Victims who wish to remain anonymous until the public steps forward and demands justice from its local state and federal governments along with their respective political representatives demand their voices to be heard even if from beyond the grave T A Powell *Silenced by the Dixie Mafia* Synova Cantrell,2020-08 There is no other group anywhere in the country as mobile and as well organized as the Dixie Mafia Agent James Duff Georgia State Organized Crime Intelligence Unit 1974 Deep in the heart of Dixie lies a hidden evil It s tentacles stretch from state to state from county to county The Dixie Mafia has produced infamous outlaws bank robbers and murderers The story contains tidbits from each of their lives and even includes the story of a famous sheriff but this book is not about them Silenced by the Dixie Mafia is about a big sister who has fought for answers for over five decades It s about a father who was an ex alcoholic turned into a gambling addict A father s decisions would lead to the death of his disabled son and eventually lead to his own demise Now left alone to find answers and make sense of the chaos is a brave little southern belle named Phyllis Tying back to the ambush of Sheriff Buford Pusser on August 12 1967 this story will change history as we know it The world knew nothing about the Dixie Mafia until the murders of Judge Vincent Sherry and his wife Margaret in 1987 This public assassination brought this band of ruthless criminals into view but the truth was still hidden until the death of the Andersons **The Devil in Dixie** Robert Peecher,2023-07-23 The old Dixie Mafia boss is back in charge And he s bringing back the old ways Intimidation Raw violence Brutality These are the tools of his trade But the DA s investigator is Aintury County to the bone His roots grow deep in the Dixie clay And he s brought his own toolbox If you love stories of deep fried justice from the Deep South then jump in the 67 Camaro and ride along with Barnett Lowery as he cleans up corruption in his hometown But you d better strap on your seatbelt because this Camaro runs fast and this time Lowery is going up against the Devil in Dixie Perfect for fans of Elmore Leonard s Raylan Givens Grab your copy today Mississippi Blood Hewitt Clarke,2008 **Under the Dixie Moon** Robert Peecher,2023-04-04 In Aintury County things aren t like they used to be The Dixie Mafia is getting old They re losing their grasp And a new investigator at the District Attorney s office threatens to ruin everything for them Barnett Lowery never wanted to come back home He d escaped Aintury County and the demons here The shame of his daddy s legacy The mama who drank herself to death And he sure never wanted to take up the torch his daddy dropped twenty years ago But when the District Attorney decides to build his political future on going after the corrupt officials who run Aintury County Barnett Lowery is the obvious choice to be the hammer he uses to drive in the final nail in the Dixie Mafia s coffin If you love stories of down home murder deep in the hills of Dixie small town crime and
