your library's collections as well as for answering patrons' questions      *At the Wording Desk* Bill Casselman, 2016-03-30 How and whence does a word gain advent into the English vocabulary? That question has hundreds of thousands of vivid, sometimes funny answers. In *At the Wording Desk*, author Bill Casselman, one of Canada's leading etymologists, shares a collection of some of the more colorful and interesting word origins. With a dose of lively humor, he offers an explanation of a plethora of words and gives the historical Latin and Greek roots and their meaning as spoken and written throughout history. In *At the Wording Desk*, he explains that the word *travel* comes from *trepalium*, a Roman torture device; examines the origin of English words which end in the pejorative suffix *-ard*, such as *coward*, *dullard*, *lubbard*, and *sluggard*; discusses how *canopy* first meant mosquito net; defines the meaning of *wind rose advection*; and a host of other interesting words and tells why *carpe diem* does not mean *seize the day*. From *thaumaturgy* to *clavis xanthopterin* and more, Casselman offers an extensive look at the history of a variety of rare words.

**Spanish Literature: Oxford Bibliographies Online Research Guide** Oxford University Press, 2010-06-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear: from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated. Related: This ebook is a static version of an article from *Oxford Bibliographies Online*; *Renaissance and Reformation*, a dynamic, continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of European history and culture between the 14th and 17th centuries. *Oxford Bibliographies Online* covers most subject disciplines within the social science and humanities; for more information, visit [www.oxfordbibliographies.com](http://www.oxfordbibliographies.com).

**The New York Public Library Book of how and where to Look it Up** Sherwood Harris, New York Public Library, 1991 A comprehensive guide to using the public library for accessing public and private resources.

**Animal Behavior Desk Reference** Edward M. Barrows, 2000-12-28 Revised and updated, containing over 5,000 entries with over 1,100 more entries than in the previous edition. *Animal Behavior Desk Reference*, Second Edition, A Dictionary of Behavior, Ecology, and Evolution provides definitions for terms in animal behavior, biogeography, evolution, ecology, genetics, psychology, statistics, systematics, and other related sciences. Formatted like a standard dictionary, this reference presents definitions in a quick and easy-to-use style. For each term, where applicable, you receive multiple definitions listed chronologically. Term hierarchies summarized in tables. Definition sources: Directives that show where a concept is defined under a synonymous name and concepts related to focal ones. Non-technical and obsolete definitions. Pronunciations of selected terms. Common denominator entries. Synonyms. Classifications of organisms and descriptions of many taxa. Organizations related to animal behavior, ecology, evolution, and related sciences. Still the most complete work of its kind, *Animal Behavior Desk Reference*.

Second Edition A Dictionary of Behavior Ecology and Evolution will improve your scientific communication particularly in the fields of animal behavior evolution ecology and related branches of biology If you are a teacher student writer or active in science in any way this book will prove to be one of your most valuable resources

**Spanish New Orleans** John Eugene Rodriguez,2021-03-17 John Eugene Rodriguez s Spanish New Orleans is the first comprehensive academic analysis of how Spain governed the largest imperial city in its North American empire Rodriguez suggests that the Spanish empire was at least on the northern edge slipping into economic and perhaps political independence a decade before the overthrow of its Bourbon Spanish rulers in 1808 His work questions that of earlier historians who argued that Latin America was fundamentally conservative and complaisant under Bourbon rule Instead Spanish New Orleans shows that in the capital of Louisiana Spanish rulers were slowly losing control of three interwoven aspects of the city demography trade and political discourse Rodriguez demonstrates how the multiethnic multilingual population of the city played a central role in encouraging trans imperial free trade and especially trade with the United States to the point of economic dependence This dependence in turn prompted the Bourbon governors in New Orleans to negotiate both economic and political discourse in a city that was steadily moving closer in every way to the United States Far from being a peripheral city in a peripheral colony by 1803 New Orleans was reshaping the Spanish empire beyond the comprehension of the Spanish king Chapters on the city s foundational merchants literacy and the judicial system all point to the unique character of this imperial city on the American periphery This study marks new methodological paths for historians of Latin America and early U S history by making use of enormous data compilations on population ethnicity and economics Rodriguez also analyzes previously ignored eighteenth century Spanish language documents including petitions postal records and military rosters and engages underutilized tools such as signature analysis Through his use of original sources and innovative methodologies Rodriguez makes new and intriguing comparisons between New Orleans and other contemporary Spanish imperial cities as well as cities in the then expanding United States In Spanish New Orleans Rodriguez goes beyond simply positioning New Orleans within Spanish imperial history Taking a broader view he considers what Spanish New Orleans reveals about the challenges and opportunities faced by the Spanish Bourbon empire and he sheds light on how a new North American empire could so quickly and easily absorb a Spanish city
