Paddy Power Scratch Card Review:

Economics of Betting Markets David Peel, 2013-09-13 During the last few decades commercial gambling has increased substantially throughout the Western world More people than ever before have access to sources of legalised gambling leading to bumper revenues for the institutions involved Naturally enough this has led to an increased interest in the area of the economics of betting This book addresses the issues raised by the continued growth of the gambling sector How can we model the behaviour of people who seemingly act irrationally What are the implications of different tax policies with regard to gambling Are casinos capable of taking money away from state run lotteries and the causes they fund Can bookmakers odds be influenced in such a way as to make the gambling market inefficient The authors in this volume provide insights based on data from many different countries including England the USA Australia Spain and Cyprus This volume brings together work which addresses the economic impact of the huge growth of commercial gambling in the Western world as well as trying to model the cognitive processes which can explain why individuals are prepared to behave in such apparently irrational ways This book was published as a special issue of Applied Economics The academic editor of this journal is Mark P Taylor

Sports Betting and Bookmaking Arne K. Lang, 2016-07-14 Horse racing in America dates back to the colonial era when street races were a common occurrence The commercialization of horse racing produced a sport that would briefly surpass all others in popularity with annual races such as the Kentucky Derby Preakness and Belmont Stakes growing to rank among America's most celebrated sporting events From the very onset horse racing and gambling were intertwined As the popularity of racing and betting grew so too did the controversies and corruption Yet despite the best efforts of social reformers bookmakers stubbornly plied their trade adapting and evolving as horse racing gave way to team sports as the backbone of their business In Sports Betting and Bookmaking An American History Arne K Lang provides a sweeping overview of legal and illegal sports and race betting in the United States from the first thoroughbred meet at Saratoga in 1863 through the modern day The cultural war between bookmakers and their adversaries is a recurring theme as bookmakers were often forced into the shadows during times of social reform only to bloom anew when the time was ripe While much of bookmaking's history takes place in New York other locales such as Chicago Las Vegas and Atlantic City not to mention Cyberspace are also discussed in this volume A comprehensive exploration of the evolution of bookmaking including the legal developments and technological advancements that have taken place over the years Sports Betting and Bookmaking is a fascinating read This informative and engaging book will be of interest to anyone wanting to learn more about America's long history with gambling on horse racing and team sports

The Gambling Act 2005 Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee, 2012-07-24 High street betting shops and casinos alike are currently allowed a maximum of four B2 FOBT gaming machines which allow stakes up to 100 and a 500 prize Casinos should instead be permitted to operate up to twenty B2 type gaming machines Limiting the number of B2 machines in betting shops has encouraged them to cluster in some high streets in order to satisfy customer demand Local Authorities should have the power to permit more than the four B2 machines per shop if they believe it will help with clustering The Committee also recommends that any local authority be able to make the decision as to whether or not they want a casino As a step towards this existing 1968 Act Casino licences should be made portable allowing operators to relocate to any local authority provided that they continue to be constrained by the need to obtain local authority approval a premises licence and planning

permission The failure to set remote gambling taxation at a level at which online operators could remain within the UK has led to almost every online gambling operator moving offshore whilst most are still able to advertise and operate into the UK The Committee further recommends the Gambling Commission should introduce a new licence fee structure which reduces the current anomaly where small independent bookmakers pay much higher fees per shop than large chains Particularly given the absence of a significant UK regulated online sector or any Regional Casinos the Gambling Commission remains an overly expensive bureaucratic regulator
