Padre Pio Under Investigation Francesco Castelli, 2011-02-22 Preface by Vittorio Messori On June 14 1921 a priest knocks at the convent in San Giovanni Rotondo He is in his early forties and wears a simple cassock but he is no ordinary priest He is Bishop Raffaello Carlo Rossi future cardinal and the Apostolic Visitor sent by the Holy Office to investigate secretly Padre Pio The Bishop Inquisitor remains with the Capuchin Brothers for eight days interrogating and recording depositions He also interviews Padre Pio himself and examines the mysterious wounds of Christ that he bears on his body After gathering all the evidence the Inquisitor sketches his own evaluation of Padre Pio which includes his reasons for believing that the stigmata are of divine origin He sends his report and the depositions to Rome where they stay buried for nearly a century Now forty years after the saint's death these exceptional documents are published in their entirety thanks to the skillful research of Father Francesco Castelli The documents in this book reveal every aspect of Padre Pio's life from his amazing supernatural gifts to his health In his depositions he admits under oath to the phenomenon of bilocation and to other supernatural charisms and for the first time tells the detailed story of his stigmatization Also included are letters from his spiritual father and a chronology of his life Illustrated with black and white photos **Padre Pio** C. understanding and experiences of suffering and how they used it to live joyous lives and not only live joyously but heal others with it The Way of Padre Pio weaves the basic tools of Redemptive Suffering penance and reparation which take the form of suffering and sacrifice into common areas of life and how to use them to sanctify oneself and others It is how to live the Redemptive Life in all circumstances and answer Mary's call at Fatima to offer ourselves as Victims for the salvation of the world There are additional resources through the website friendsofpadrepio.com that include bookmarks prayers and reading materials as well as how to begin a prayer group at your parish

They Flew Carlos M. N. Eire, 2023-09-26 An award winning historian's examination of impossible events at the dawn of modernity and of their enduring significance Accounts of seemingly impossible phenomena abounded in the early modern era tales of levitation bilocation and witchcraft even as skepticism atheism and empirical science were starting to supplant religious belief in the paranormal In this book Carlos Eire explores how a culture increasingly devoted to scientific thinking grappled with events deemed impossible by its leading intellectuals Eire observes how levitating saints and flying witches were as essential a component of early modern life as the religious turmoil of the age and as much a part of history as Newton's scientific discoveries Relying on an array of firsthand accounts and focusing on exceptionally impossible cases involving levitation bilocation witchcraft and demonic possession Eire challenges established assumptions about the redrawing of boundaries between the natural and supernatural that marked the transition to modernity Using as his case studies stories about St Teresa of Avila St Joseph of Cupertino the Venerable Mar a de greda and three disgraced nuns Eire challenges readers to imagine a world animated by a different understanding of reality and of the supernatural's relationship with the natural world The questions he explores such as why and how impossibility is determined by cultural contexts and whether there is more to reality than meets the eye or can be observed by science have resonance and lessons for our time

[The Living Flame of Love: Study Edition](#) St John of the Cross, Kieran Kavanaugh, 2023-07-28 St John of the Cross described the stanzas of his poem The Living Flame of Love as the songs of the soul in the intimate communication of the union of love with God The verses capture the mystical vistas from the summit of the saint's spiritual journey describing the mystery and powerful experience of divine transformation as the soul encounters and unites with the pure love of God After the poem's composition and at the request of his friend the laywoman Do a Ana de Pe alosa St John of the Cross wrote the prose commentary that represents his final word on the journey of the soul's transformation toward union with God In these verses and commentary our saintly guide teaches us as the Mystical Doctor of the Church but also as a gentle pastor Readers can aptly place themselves in the position of Do a Ana a fellow soul on this journey of transformation in God's grace following this holy shepherd along the narrow paths of purification toward our eternal dwelling place in God and union with him In this study edition Father Kieran Kavanaugh O C D offers important context and contemporary interpretive notes concerning the

Padre Pio Sergio Luzzatto,2010-11-23 The first historical appraisal of the astonishing life and times of a controversial
twentieth century saint Padre Pio is one of the world s most beloved holy figures more popular in Italy than the Virgin Mary
and even Jesus His tomb is the most visited Catholic shrine anywhere drawing more devotees than Lourdes His miraculous
feats included the ability to fly and to be present in two places at once an apparition of Padre Pio in midair prevented Allied
warplanes from dropping bombs on his hometown Most notable of all were his stigmata which provoke heated controversy to
this day Were they truly God given A psychosomatic response to extreme devotion Or perhaps the self inflicted wounds of a
charlatan Now acclaimed historian Sergio Luzzatto offers a pioneering investigation of this remarkable man and his followers
Neither a worshipful hagiography nor a sensationalist expos Padre Pio is a nuanced examination of the persistence of
mysticism in contemporary society and a striking analysis of the links between Catholicism and twentieth century politics
Granted unprecedented access to the Vatican archives Luzzatto has also unearthed a letter from Padre Pio himself in which
the monk asks for a secret delivery of carbolic acid a discovery which helps explain why two successive popes regarded
Padre Pio as a fraud until pressure from Pio worshipping pilgrims forced the Vatican to change its views A profoundly
original tale of wounds and wonder salvation and swindle Padre Pio explores what it really means to be a saint in our time
