Ministry On Fire Fanning The Flame Of Your Congregation:

Ministry on Fire B Bruce Humphrey, 2005-01-01 Using examples from his personal ministry Humphrey shows how to use flames of momentum without getting burned or burned out He uses images of a wood burning stove and principles of momentum gleaned from scriptural examples to help church leaders overcome problems of inertia and move the church forward into a pattern of growth and celebration Humphrey incorporates his more than twenty years of experience in congregational growth both spiritual and numerical as inspiration guidance and project ideas for sparking new flames nurturing the fire and banking the coals *Refilling the Church's Fountain of Youth* Nicholas A. Meade, 2015-03-23 Refilling the Church's Fountain of Youth is a must read for any individual who has a need for grasping a further understanding of why the decline is occurring within churches amongst the young adult population Therefore pastors church leaders and the emerging population are encouraged to add this work to their repertoire to further enhance their knowledge and wisdom of the challenges that exist within retention and attraction of young adults Additionally the work provides the example of a strong church community that understands the benefits of providing the young adults with support love and the freedom to develop into disciples without fear of judgment or contradiction Finally the work is designed to provide assistance to any denomination or church that has recognized the decline of membership as it relates to emerging adults It is indeed a necessary tool that can provide assistance and guidance for anyone working in the trenches of ministry from the foreword by Lori D Spears D Min This book offers a portable and repeatable model of ministry that crosses denominations and ethnic boundaries within the church Are you a pastor looking to improve your young adult ministry Are you a leader of a teaching ministry looking for ways to be more effective Are you a parent seeking to understand your young adult child's faith journey so that you can minister effectively Are you a seasoned Christian who wants to be equipped to engage with young adults inside and outside your congregation Then this book is for you Fanning the Revitalization Flame Robert Beckett, 2022-12-06 Revitalization more than a word but a practice In Fanning the Revitalization Flame author Rev Robert Beckett presents the case for fanning the flames Step by step he discusses what's needed for the revitalization of the small church Fanning the Revitalization Flame follows the journey of a small suburban church that had long past lived its glory days Beckett points out the challenges and rewards of being obedient to God regardless of the consequence and shows the benefit of following God in each small step Each chapter demonstrates a proven path of success that God honors for revitalization The church leader will learn that prayer vision mission and implementation are the ingredients for a successful revitalization effort It's God's desire to see every church succeed and to prosper for his kingdom Everyone will benefit from the truths shared in this resource that will help bring health and confidence When the flame of revitalization is fanned and burning hot in a congregation God will receive the glory and will transform lives both inside and outside the church Fanning the Flame Jim Cymbala, John Blattnner, 2022-09-20 What if we modeled our churches after what Jesus intended His church to

look like What if our hope for our ministries rested not on human wisdom but on God's power Over the past few years we've all seen how quickly circumstances can change and many of us have experienced firsthand how church growth trends and popular models fail us Churches across the country are struggling and many pastors are deeply discouraged We work hard and with great sincerity but our efforts don't seem to be helping our churches flourish Jim Cymbala New York Times best selling author and long time pastor of The Brooklyn Tabernacle has been watching the pressing need for back to the basics spiritual leadership among Christians and he's seen so many churches come to defeat because so many leaders forget this one truth Your church is not your church It's Christ's church In order for his church to flourish we have to minister his way With this posture of humility and a refreshing return to the model of Paul's church leadership and philosophy of preaching shown in the book of Acts Cymbala has written an urgent message for all those in ministry that identifies the many pitfalls that church leaders can fall into Reasserts the need for total confidence in the Gospel Preaches complete dependence on the Holy Spirit while showing you how to see the new things that the Spirit can do through your work Offers practical guidance on inevitable leadership challenges such as money division and priorities With honesty and clarity Jim Cymbala has written Fan the Flame to ministers church leaders staff members and any Christians serious about God's church He's written this book in order to help you face these difficult times in the name of the Lord He's written so that our prayer as God's people with God's mission might be Lord show us how to do your work so that in the midst of dark times we can still see you fan the flames of your power and Spirit Lord use us to that end Amen
