Little Bosses Everywhere Bridget Read,2025-05-06 A groundbreaking work of history and reportage that unveils the stranger than fiction world of multilevel marketing a massive money making scam and radical political conspiracy that has remade American society Companies like Amway Mary Kay and Herbalife advertise the world s greatest opportunity the chance to be

your own boss via an enigmatic business model called multilevel marketing or MLM They offer a world of pink Cadillacs white columned mansions tropical vacations and most precious of all financial freedom If that is you re willing to shell out for expensive products and recruit everyone you know to buy them and if they recruit everyone they know too thus creating the multiple levels of MLM Overwhelming evidence suggests that most people lose money in multilevel marketing and that many MLM companies are pyramid schemes Yet the industry s origins tied to right wing ideologues like Ronald Reagan have escaped public scrutiny MLM has slithered in the wake of every economic crisis of the last century from the Depression to the pandemic ensnaring laid off workers stay at home moms and teachers anyone who has been left behind by rising inequality In *Little Bosses Everywhere* journalist Bridget Read tells the gripping story of multilevel marketing in full for the first time winding from sunny postwar California where a failed salesman started a vitamin business through the devoutly religious suburbs of Michigan where the industry built its political influence to stadium size conventions where today s top sellers preach to die hard recruits MLM has enriched powerful people like the DeVos and Van Andel families Warren Buffett and President Donald Trump all while eroding public institutions and the social safety net then profiting from the chaos Along the way Read delves into the stories of those devastated by the majority female industry a veteran in Florida searching for healing a young mom in Texas struggling to feed her children a waitress scraping by in Brooklyn A wild trip down an endless rabbit hole of greed and exploitation *Little Bosses Everywhere* exposes multilevel marketing as American capitalism s stealthiest PR campaign a cunning grift that has shaped nearly everything about how we live and whose ultimate target is democracy itself

Crazy Life Tony L. Nelson, 2017-02-07 How to hold on to hope amid life s upheavals Tony speaks from a long history of experience and a deep understanding of Scripture Dr Boyd Hannold Lead Pastor Princeton Alliance Church You re not crazy life is It s full of twists and turns and disruptions Some are irritating interruptions some are positive life experiences and others are tragic The problem is that very few people actually prepare for life s imminent storms and upheavals Have you ever wondered how to navigate through life s whirlwinds without losing your faith or questioned where God is in all of it *Crazy Life* offers timeless hope while helping you recognize God s glorious presence in the center of each struggle

Spirituality Beyond Science and Religion Lillian Stover Wells, Jack McMahan, William Pillow, 2012-05-25 Spirituality means something different to everyone Some may believe it involves participating in organized religion Others may prefer it to be more personal like getting in touch with ones inner self through yoga meditation quiet reflection or even long walks A few may find that it lies in finding a new sense of purpose for their lives *Spirituality Beyond Science and Religion* addresses all of these and more through a new paradigm about life and death It lifts readers above their daily press for competitive survival and success by going to the heart of all spirituality The book disputes traditional sciences claim that physical matter is the only reality It also helps explain enigmas that have confronted orthodox religion for centuries To do so this book correlates published research from nearly one hundred and fifty authors and professionals in medicine

neuroscience psychology theology history and metaphysics It explores new insights being revealed through thousands of subjective experiences around the world all of them beyond the ability of science or religion to explain The book therefore not only offers reassurance that death is not final but it also discloses profound implications for how we live our lives on earth The US Review of Books Spirituality Beyond Science and Religion by William Pillow with Jack McMahan and Lillian Stover Wells iUniverse reviewed by Priscilla Estes but deep inside us is the recognition that life can and should have more meaning one that reaches far beyond traditional science and orthodox religion and one that involves all of us The mind body spirit MBS publishing industry has come a long way since the 1960s and 1970s when Aldous Huxley Hermann Hesse and Carlos Castaneda combined Eastern and Western thought in the best sellers Doors of Perception Siddhartha and The Teachings of Don Juan respectively In fact according to religion and publishing expert Elizabeth Puttick MBS publishing is the fastest growing non fiction genre which a quick examination of virtual and real bookstores supports More than ever before great minds race to close the gap between science and religion to answer the questions of where do we come from why are we here and where do we go after death We search for answers inside the human brain the psyche the fetus gravity energy fields near death experiences NDEs universal consciousness time travel soul travel quantum medicine karma dharma and more it's hard for the average person to comprehend let alone keep up Finally here is a book that helps pull it all together for us written by William Pillow ex US Air Force and retired pharmacist with thirty four years at Eli Lilly Pillow began a quest to discover where we go after death and why when a long and lingering illness befell his wife and he confronted aging Initially a Southern Baptist and a skeptic about all things metaphysical he changed his mind while reading the incredible body of research on soul survival After prodigious investigation much of which concerns NDEs and studies on fetal awareness Pillow concluded there is a soul a God and a Heaven His conclusions may challenge your philosophy but parenthetical documentation and a fifteen page bibliography encourage independent verification The book starts slowly and carefully as Pillow builds his case by conscientiously stitching together scientific religious and metaphysical literature both ancient and modern on the nature of God the spark of life souls the human superconsciousness and Heaven the spirit world The brain begins to smoke while chugging through study after study on NDEs shared NDEs life between lives LBL out of body experiences OBE past life regression after death communications ADC pre birth visions neurological pathways the transcendent source of consciousness the ego and more We long for an index a glossary and less use of quotes around words that don't require them Halfway through our mental labors are rewarded with chapter 7 Our Incomparable Souls This is the heart of the book a behind the scenes look at the soul and a parting of the veil of forgetfulness produced by the ego Pillow discusses studies on fetal consciousness which provide the strongest circumstantial evidence for existence of the soul and gives a moving testament to the soul's purpose to instill compassion empathy and benevolence in its human host The second half of the book flies by as we greedily gobble mainstream studies on energy healing brain waves and the need for face to

face friendships in an electronically connected world Tucked unobtrusively at the end of chapter 11 are three paragraphs titled For Me Personally in which the author shares his private definition of faith Such unheralded brevity from a man who once considered entering the Christian ministry shows great respect for the reader and for the role of science in decoding religion and spirituality The final chapter implores us to at least consider the possible importance of these concepts and commentaries for your loved ones and for you Pillow believes that by knowing there is a God a soul and a Heaven we can sustain our inner journey toward purpose and meaning in our lives and that by recognizing our shared humanity we can save civilization One hopes and prays this is true as murders by children mass killings by governments greed corruption materialism apathy mental illness addiction and more threaten to suffocate humanity s life force Pillow is an accomplished author having written or edited five educational textbooks several dozen articles one murder mystery involving reincarnation and the paranormal and five books about the search for self and the meaning of life through science self awareness and spirituality Spirituality Beyond Science and Religion is his first book written with theologian Jack McMahan and clinical psychologist Lillian Stover Wells Pillow brilliantly connects his philosophy on the soul God and Heaven with salient literature in the field of science and religion The MBS genre has come a long way from the Indian fables and drug induced journeys of the sixties and seventies Pillow s overall message that the power of love is greater than the love of power points us in the right direction for the twenty first century HOPE Joy P.
