

Give complete information when ordering service parts. Always give complete part number and also complete part description. The model number and serial number should always be given. Numbers for this set are stamped in a plate located on the right side of the Main Frame adjacent to the Cylinder Shaft Bearing.

"Right" and "Left" are determined from a position standing behind the unit and facing toward the Drawbar Mch. From this position, the Transmission and Drive are on the "Left" side.

NOTE: You will find common hardware such as nuts, bolts, etc., listed but not illustrated in parts list in this Manual. Check the listing with the particular parts in for mounting purposes and is not included when the part is ordered for replacement.

Company reserves the right to make changes or improvements in the design or construction of any part without incurring obligation to install such changes on any unit previously delivered.
