Ben P. Robertson

#### Oxford Companion To The Romantic Age:

An Oxford Companion to the Romantic Age Iain McCalman, 2001 The Romantic period in British culture was an era of extraordinarily diverse and original achievements in literature and the arts accomplished in a time of great political and social upheaval This book is the first major interdisciplinary reference guide to provide a broad cultural and historical perspective which presents the aesthetic achievements of great literary figures like Wordsworth and Coleridge their followers and opponents alongside their counterparts in the field of art music design science and the history of ideas within a comprehensive picture of the period Illustrated throughout An Oxford Companion to the Romantic Age, 1999 Oxford Companion to the Romantic Age Iain McCalman, 2010 The Companion s two part structure presents forty two essays on major topics by leading international experts cross referenced to an extensive alphabetical section covering all the principal figures events and movements in the broad culture of the period Aimed at students and general readers as well as scholars the essays constitute an accessible pluralistic and modern social history of the epoch the alphabetical entries can either be used alongside them for deeper information on specific subjects or as a free standing reference tool The volume as a whole embraces both high and low culture and explores its subject across the whole breadth of England Scotland Wales An Oxford Companion to the Romantic Age Iain McCalman, Jon Mee, Gillian Russell, Clara and Ireland Home page Tuite, 1999-07-01 For the first time in this innovative reference book the Romantic Age is surveyed across all aspects of British culture rather than in literary or artistic terms alone The Companion s two part structure presents forty two essays on major topics by leading international experts cross referenced to an extensive alphabetical section covering all the principal figures events and movements in the broad culture of the period Aimed at students and general readers as well as scholars the essays constitute an accessible pluralistic and modern social history of the epoch the alphabetical entries can either be used alongside them for deeper information on specific subjects or as a free standing reference tool The volume as a whole embraces both high and low culture and explores its subject across the whole breadth of England Scotland Wales and Ireland The book s multi disciplinary approach treats Romanticism both in aesthetic terms its meaning for painting music design architecture and above all literature and as a historical epoch of revolutionary transformations which ushered in modern democratic and industrialized society In this period Wedgwood turned taste into a commercial enterprise Pierce Egan took Britain by storm with his sensational accounts of low life in the capital and Mary Shelley created in Frankenstein one of the enduring myths of scientific advance The Companion revitalizes canonical Romantic figures in the context of the historical events political and linguistic debates commercial pressures and plebeian subcultures of their day as well as bringing back into historical focus individuals and events whose impact has often been muffled or forgotten With over 100 integrated illustrations bibliographies accompanying all the major essays and an index to Part 1 this is the most comprehensive volume of its kind offering a unique breadth of information to scholars and students of eighteenth and nineteenth century British

culture literature and history EDITORIAL BOARD John Brewer University of California Marilyn Butler Exeter College University of Oxford James Chandler University of Chicago Jerome J McGann University of Virginia Charlottesville Mark Philp Oriel College Oxford Robert Webb University of Maryland An Oxford companion to the Romantic age Iain McCalman, 2009 This reference work provides a broad cultural and historical perspective which presents the aesthetic achievements of great literary figures their followers and opponents with their counterparts in the field of art music design A Concise Companion to the Romantic Age Jon Klancher, 2009-04-06 A Concise Companion to the Romantic Age provides newperspectives on the relationships between literature and culture in Britain from 1780 to 1830 Provides original essays from a variety of multi disciplinaryscholars on the Romantic era Includes fresh insights into such topics as religious controversy and politics empire and nationalism and therelationship of Romanticism to modernist aesthetics Ranges across the Romantic era's literary visual andnon fictional genres Encyclopedia of the Romantic Era 1760-1850 Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism The Cambridge Companion to the Romantic Sublime Cian Duffy, 2023-07-20 An accessible and wide ranging introduction to one of the most important aspects of the cultural history of the Romantic period Handbook of British Romanticism Ralf Haekel, 2017-09-11 The Handbook of British Romanticism is a state of the art investigation of Romantic literature and theory a field that probably changed more guickly and more fundamentally than any other traditional era in literary studies Since the early 1980s Romantic studies has widened its scope significantly The canon has been expanded hitherto ignored genres have been investigated and new topics of research explored After these profound changes intensified by the general crisis of literary theory since the turn of the millennium traditional concepts such as subjectivity imagination and the creative genius have lost their status as paradigms defining Romanticism The handbook will feature discussions of key concepts such as history class gender science and the use of media as well as a thorough account of the most central literary genres around the turn of the 19th century The focus of the book however will lie on a discussion of key literary texts in the light of the most recent theoretical developments Thus the Handbook of British Romanticism will provide students with an introduction to Romantic literature in general and literary scholars with a discussion of innovative and groundbreaking theoretical developments Romantic Border Crossings Larry Peer, 2016-04-08 Romantic Border Crossings participates in the important movement towards otherness in Romanticism by uncovering the intellectual and disciplinary anxieties that surround comparative studies of British American and European literature and culture As this diverse group of essays

demonstrates we can now speak of a global Romanticism that encompasses emerging critical categories such as Romantic pedagogy transatlantic studies and transnationalism with the result that new works by writers marginalized by class gender race or geography are invited into the canon at the same time that fresh readings of traditional texts emerge Exemplifying these developments the authors and topics examined include Elizabeth Inchbald Lord Byron G rard de Nerval English Jacobinism Goethe the Gothic Orientalism Emily Dickinson Walt Whitman Anglo American conflicts manifest destiny and teaching romanticism The collection constitutes a powerful rethinking of the divisions that continue to haunt Romantic William Blake and Gender Magnus Ankarsjö, 2015-01-27 The closing years of the eighteenth century were the particular domain of literary radicals whose work challenged ideas on gender and sexuality During this transitional period the poetry of William Blake reflected the changing mores of society as well as his own developing notions of gender This work presents an in depth exploration of gender issues in Blake's three epic poems The Four Zoas Milton and Jerusalem The opening chapter discusses basic concepts such as notions of apocalypse utopia and gender all essential to the author s reading of Blake Background regarding the literary atmosphere of the time which included influence from the tradition of dissent English Jacobinism and early feminism is also included effectively setting the context for Blake's work The book then examines the poems in chronological order It concentrates particularly on male and female activity within each work refuting the common assumption that Blake was anti feminist while exploring the symbolism of the poetry Blake's repeated theme of the struggle between the sexes receives special emphasis as does the progress of his gender vision through the three poems

A Handbook of Romanticism Studies Joel Faflak, Julia M. Wright, 2016-01-19 The Handbook to Romanticism Studies is an accessible and indispensible resource providing students and scholars with a rich array of historical and up to date critical and theoretical contexts for the study of Romanticism Focuses on British Romanticism while also addressing continental and transatlantic Romanticism and earlier periods Utilizes keywords such as imagination sublime poetics philosophy race historiography and visual culture as points of access to the study of Romanticism and the theoretical concerns and the culture of the period Explores topics central to Romanticism studies and the critical trends of the last thirty years

**Discovering the Human** Ralf Haekel, Sabine Blackmore, 2013 English Summary Discovering the Human investigates the emergence of the modern human sciences and their impact on literature art and other media in the 18th and the 19th centuries Up until the 1830s science and culture were part of a joint endeavour to discover and explore the secret of life The question What is life unites science and the arts during the Ages of Enlightenment and Romanticism and at the end of the Romantic period a shift of focus from the human as an organic whole to the specialized disciplines signals the dawning of modernity The emphasis of the edited collection is threefold the first part sheds light on the human in art and science in the Age of Enlightenment the second part is concerned with the transitions taking place at the turn of the 19th century The chapters forming the third part investigate the impact of different media on the concept of the human in science literature

and film German Description Discovering the Human investigates the emergence of the modern human sciences and their impact on literature art and other media in the 18th and 19th centuries Up until the 1830s science and culture were part of a joint endeavour to discover and explore the secret of life The question What is life unites science and the arts during the Ages of Enlightenment and Romanticism and at the end of the Romantic period a shift of focus from the human as an organic whole to the specialized disciplines signals the dawning of modernity The emphasis of the edited collection is threefold the first part sheds light on the human in art and science in the Age of Enlightenment the second part is concerned with the transitions taking place at the turn of the 19th century The chapters forming the third part investigate the impact of different media on the concept of the human in science literature and film Cosmo Innes and the Defence of Scotland's Past c. **1825-1875** Richard A. Marsden, 2016-05-13 Today Scotland's history is frequently associated with the clarion call of political nationalism However in the nineteenth century the influence of history on Scottish national identity was far more ambiguous How then did ideas about the past shape Scottish identity in a period when union with England was all but unquestioned The activities of the antiquary Cosmo Innes 1798 1874 help us to address this question Innes was a prolific editor of medieval and early modern documents relating to Scotland's parliament legal system burghs universities aristocratic families and pre Reformation church Yet unlike scholars today he saw that editorial role in interventionist terms His source editions were artificial constructs that powerfully articulated his worldview and agendas emphasising Enlightenment inspired narratives of social progress and institutional development At the same time they used manuscript facsimiles and images of medieval architecture to foreground a romantic concern for the texture of past lives Innes operated within an elite associational culture which gave him access to the leading intellectuals and politicians of the day His representations of Scottish history therefore had significant influence and were put to work as commentaries on some of the major debates which exorcised Scotland's intelligentsia across the middle decades of the century This analysis of Innes's work with sources set within the intellectual context of the time and against the antiquarian activities of his contemporaries provides a window onto the ways in which the national past was perceived in Scotland during the nineteenth century This allows us to explore how historical thinkers negotiated the apparent dichotomies between Enlightenment and Romanticism whilst at the same time enabling a re examination of prevailing assumptions about Scotland's supposed failure to maintain a viable national consciousness in the later 1800s Intellectual Politics and Cultural Conflict in the Romantic Period Alex Benchimol, 2016-05-23 Intellectual Politics and Cultural Conflict in the Romantic Period maps the intellectual formation of English plebeian radicalism and Scottish philosophic Whiggism over the long eighteenth century and examines their associated strategies of critical engagement with the cultural social and political crises of the early nineteenth century It is a story of the making of a wider British public sphere out of the agendas and discourses of the radical and liberal publics that both shaped and responded to them When juxtaposed these competing intellectual formations illustrate two important expressions of cultural

politics in the Romantic period as well as the peculiar overlapping of national cultural histories that contributed to the ideological conflict over the public meaning of Britain's industrial modernity Alex Benchimol's study provides an original contribution to recent scholarship in Romantic period studies centred around the public sphere recovering the contemporary debates and national cultural histories that together made up a significant part of the ideological landscape of the British public sphere in the early nineteenth century **Romanticism** Sharon Ruston, 2007-04-05 Introductions to British Literature and Culture provide practical guides to key literary periods Guides in the series help to orientate students as they begin a new module or area of study providing concise information on the historical cultural literary and critical context and acting as an initial map of the knowledge needed to study the literature and culture of a specific period This accessible introduction to Romanticism and its contexts from 1780 1820 includes an overview of the historical cultural and intellectual background including the romantic movement in culture political upheaval philosophy and religion and scientific development a survey of the developments in key genres including discussion of major writers such as Blake Wordsworth Coleridge Keats Shelley Byron Wollstonecraft Hemans and Smith concise explanations of key terms needed to understand the literature and criticism a guide to key critical approaches a chronology mapping historical events and literary works guided further reading including websites and electronic resources Studying English Literature Ashley Chantler, David Higgins, 2010-02-28 Studying English Literature offers a link between pre degree study and undergraduate study by introducing students to the history of English literature from the Renaissance to the present the key literary genres poetry prose and drama a range of techniques tools and terms useful in the analysis of literature critical and theoretical approaches to literature It is designed to improve close critical reading skills and evidence based discussion encourage reflection on texts themes issues and historical contexts and demonstrate how criticism and literary theories enable richer and more nuanced interpretations This one stop resource for beginning students combines a historical survey of English literature with a practical introduction to the main forms of literary writing Case studies of key texts offer practical demonstrations of the tools and approaches discussed Guided further reading and a glossary of terms used provide further support for the student Introducing a wide range of literary writing this is an indispensable guide for any student beginning their study of English Literature providing the tools techniques approaches and terminology needed to succeed at university Romantic Sustainability Ben P. Robertson, 2015-12-24 Romantic Sustainability is a collection of sixteen essays that examine the British Romantic era in ecocritical terms Written by scholars from five continents this international collection addresses the works of traditional Romantic writers such as John Keats Percy Shelley William Wordsworth Lord Byron and Samuel Coleridge but also delves into ecocritical topics related to authors added to the canon more recently such as Elizabeth Inchbald and John Clare The essays examine geological formations clouds and landscapes as well as the posthuman and the monstrous The essays are grouped into rough categories that start with inspiration and the imagination before moving to the

varied types of consumption associated with human interaction with the natural world Subsequent essays in the volume focus on environmental destruction monstrous creations and apocalypse The common theme is sustainability as each contributor examines Romantic ideas that intersect with ecocriticism and relates literary works to questions about race gender religion and identity **Bloody Romanticism** I. Haywood,2006-10-26 This book studies the impact of violence on the writing of the Romantic period The focus is on the response of writers to a series of violent events including the revolutions in America and France and the Irish rebellion of 1798 Authors covered include Coleridge Wordsworth Scott Byron Fennimore Cooper Equiano and Helen Maria Williams Enlightenment World Martin Fitzpatrick,2004-07-22 Draws together the work of thirty nine leading international experts on the European Enlightenment c1660 1800 to offer informed comprehensive and up to date analysis of this period as both an historical epoch and a cultural formation BOOKJACKET

#### Oxford Companion To The Romantic Age Introduction

In the digital age, access to information has become easier than ever before. The ability to download Oxford Companion To The Romantic Age has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Oxford Companion To The Romantic Age has opened up a world of possibilities. Downloading Oxford Companion To The Romantic Age provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Oxford Companion To The Romantic Age has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Oxford Companion To The Romantic Age. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Oxford Companion To The Romantic Age. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Oxford Companion To The Romantic

Age, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Oxford Companion To The Romantic Age has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Oxford Companion To The Romantic Age Books**
