Airman's Guide ,1951 The Enduring Promise of America's Great City Schools Michael Casserly,2024-10-30 A sober yet encouraging look at how urban public schools have confronted challenges defied expectations and continued to improve

Community Nutrition Resilience in Greater Miami Franziska Alesso-Bendisich,2019-09-10 This book conceptualizes community nutrition resilience as a critical area that is currently lacking the attention it requires from both the public and private sectors The book spotlights Greater Miami s resilience efforts both responding to slowly developing challenges such as immigration environmental deterioration and the wealth distribution gap as well as sudden disasters such as hurricanes or flooding driven by climate change Drawing on existing literature as well as interviews with professionals working in the field the author makes recommendations on how to incorporate food systems into urban resilience planning how to prioritize resilience on urban food agendas and how to strengthen food system resilience through public private and third sector level engagement She also highlights how the availability of and access to nutritious food impact the health performance and well being of communities in the region thus making a strong case for the prioritization of this growing issue **Monthly Catalogue, United States Public Documents** ,1982 **The Rough Guide to Florida** Mark Ellwood,Todd Obolsky,Ross Velton,Rough Guides (Firm),2004 Discover this exquisite region of the United Stateswith the most incisive and entertaining guidebook on the market Whether you plan to soak up the sun on Miami Beach track down alligators in the Evergladesor dive amid vibrant coral reefs in the Florida Keys The Rough Guide to Florida will show you the ideal places to sleep eat drink shop and visit alongthe way **The Rough Guide to Florida** Sarah Hull,Rebecca Strauss,Stephen Keeling,Rough Guides (Firm),2012-01-01 Provides information for traveling in Florida including travel tips recommended accommodations restaurants shopping cultural events historic sites and natural landscapes **Identification** Scott Hunsaker,2023-05-31 Editor Scott L Hunsaker s new volume sheds much needed light on the process of identifying students for gifted education services a topic surrounded by controversy and confusion With contributions from leading experts in the field Identification takes an in depth look at the research and practice of identification of gifted and talented students Each of the four sections tackles an important aspect of the issue Theoretical Foundations Professional Foundations Identification Practice and Instrumentation The text presents multiple points of view and does not shy away from thorny issues such as the theory practice gap underrepresentation of diverse populations identification as status bestowal rather than assessment process rigidity in use of processes and instruments the search for the magic bullet test and the validity of nonverbal intelligence tests Whether you are an administrator teacher gifted education specialist professor or parent Identification will offer you insight presented nowhere else **Resources in Education** ,1997 **Climate Action Planning** Michael R. Boswell,Adrienne I. Greve,Tammy L. Seale,2019-07-16 Climate change continues to impact our health and safety the economy and natural systems With climate related protections and programs under attack at the federal level it is critical for

cities to address climate impacts locally Every day there are new examples of cities approaching the challenge of climate change in creative and innovative ways from rethinking transportation to greening city buildings to protecting against sea level rise Climate Action Planning is designed to help planners municipal staff and officials citizens and others working at local levels to develop and implement plans to mitigate a community s greenhouse gas emissions and increase the resilience of communities against climate change impacts This fully revised and expanded edition goes well beyond climate action plans to examine the mix of policy and planning instruments available to every community Boswell Greve and Seale also look at process and communication How does a community bring diverse voices to the table What do recent examples and research tell us about successful communication strategies Climate Action Planning brings in new examples of implemented projects to highlight what has worked and the challenges that remain A completely new chapter on vulnerability assessment will help each community to identify their greatest risks and opportunities Sections on land use and transportation have been expanded to reflect their growing contribution to greenhouse gas emissions The guidance in the book is put in context of international national and state mandates and goals Climate Action Planning is the most comprehensive book on the state of the art science and practice of local climate action planning It should be a first stop for any local government interested in addressing climate change
