Spanish 1 Pacing Guide

Teacher's Guide

I love Auténtico and the resources it uses!

However, over my years of teaching, I have found that when teaching, the order is not ideal for student learning.

If teachers were to go straight through the book (left to right so to speak) from the para empezar unit, to 1A, 1B, 2A, 2B, etc, this is what happens:

Students learn:

- Para empezar (basic questions, weather, introductions, etc)
- 1A (infinitives, negatives, expressing agreement or disagreement)

All seems well in the world, right? Keep reading.

- 1B (adjectives, definite & indefinite articles, placement of adjectives)
- 2A (subject pronouns, present tense of -AR verbs)
- 2B (the verb estar, plural of nouns & articles)

Doesn't it seem like the adjectives, nouns, and articles keep coming up in a new grammar topic?

Students won't have time to get the main grammar topics if they keep spending time relearning the same topics.
