main road The howls roared behind him the sound a shrill screeching bellow that sent chills down his spine It didn't take more than a couple of seconds before one of them managed to jump on his back knocking him down face first to the floor The force of the blow dazed him and he could barely think straight All he knew was that he had to get the hell out of there immediately He tried to get up but suddenly felt an enormous pressure on his back The creature had mounted him Should never have associated yourself with him the creature hissed its saliva dripping all over the back of his neck Now I'm going to have to teach you a lesson Parker was petrified Whatever that thing was it was speaking He could barely move the side of his face squished against the granite floor by the creature's paw Even though he couldn't see whatever was holding his head down it felt like it was much larger than his head Then it started The breathing getting heavier and heavier Another howl pierced the night and Parker felt his shirt being clawed off his back He shouted out from the pain and struggled to break loose
