The Church of Us vs. Them David E. Fitch, 2019-07-16 We are living in angry times No matter where we go what we watch or how we communicate our culture is rife with conflict Unfortunately Christians appear to be caught up in the same animosity as the culture at large We are perceived as angry judgmental and defensive fighting among ourselves in various media while the world looks on How have we failed to be a people of reconciliation and renewal in the face of such tumult Claiming that the church has lost itself in the grip of an antagonistic culture David Fitch takes a close look at what drives the vitriol in our congregations He traces the enemy making patterns in church history and diagnoses the divisiveness that marks the contemporary evangelical church Fitch shows a way for the church to be true to itself unwinding the antagonisms of our day and making space for Christ s reconciling presence in our day to day lives He offers new patterns and practices that move the church beyond making enemies to being the presence of

The Simple Power of a Broken Life J. Daniel Moore,2019-05-30 The Simple Power of a Broken Life serves to bring meaning to and ultimately healing from the suffering and pain that accompanies the broken seasons of our lives Drawing upon the brokenness of seven individuals from the Scriptures and their respective pain a picture of hope and usefulness emerges that serves to begin to make sense of the mysteries betrayals rejections heartaches and disappointments that we all eventually come into contact with in one form or another Not only do we each matter to God but our brokenness actually sets us apart as being more likely to be used to impact other lives Being fully convinced that God uses broken things we find that our brokenness is the starting point in a deeper more intimate experience with God Broken lives may experience a beautiful and simple power in the midst of their pain and suffering that the Father can use as a rich blessing for other wounded souls

My strong desire is that the purpose of your pain and the healing of your heart will lead you into deeper waters of God's grace than you have ever known before and that multitudes of people will be helped on their journey because of your brokenness Here's to believing that the simple power of your broken life will gloriously transform both you and all the lives God wants to touch through you *Stronger Than You Think* Kim Gaines Eckert, 2013-03-05 Kim Gaines Eckert has spent years helping women tackle the issues life throws their way At the heart of their struggle she believes is not the desire to be perfect but the desire to be whole As Kim invites you into her conversations with women you'll discover you are not alone in your struggles and you'll find help to become the whole healthy woman he created you to be

Stories of the Middle Space Deborah C. Bowen, 2010 Postmodernism's critics often accuse the movement of being dangerously amoral because of its apparent wariness of concepts such as truth ethics and justice *Stories of the Middle Space* explores the possibility of postmodernism with a conscience and examines a variety of British and Canadian postmodern fiction to show how twentieth century critical theory can be brought into fruitful dialogue with a faith based perspective Highlighting the wide variety of ethical concerns considered by writers such as Timothy Findley Thomas King Carol Shields Julian Barnes A S Byatt and Salman Rushdie Deborah Bowen makes the case for a new category of postmodern realism and shows how contemporary stories about the real and the good are constructed Applying theoretical insights from Emmanuel Levinas and Mikhail Bakhtin Bowen investigates categories of postmodern realism such as magic realism parody and metafiction while laying the groundwork for Christian readings of a medium that is often perceived as largely irreligious An illuminating study of well known contemporary writers *Stories of the Middle Space* is a critically nuanced and methodologically innovative work that reads the postmodern from a faith based perspective to create new literary insights Deborah Bowen addresses the ethical concerns of a wide variety of postmodern fiction from a faith based perspective that engages with the decentred discourses of post structuralism She suggests that a focus on the middle space between language and the world not only provides new insights into the construction of the real and the notion of a good story but also resituates the possibility of Christian reading in a largely post Christian era
