John Stuart Mill, 2018-07-16 This collection of essays by John Stuart Mill includes his masterwork of political philosophy On Liberty together with other notable and acclaimed works A famed philosopher essayist and economist John Stuart Mill has since the nineteenth century been revered for his succinct insights on matters of society He developed the philosophy of utilitarianism which remains a subject of serious study to this day This compilation contains four principle works by Mill On Liberty the classic essay by Mill and his most known In this treatise Mill attempts to reconcile the need for civilized control and authority with the human need for personal liberty and expression Individuality is according to Mill precursor to many of the higher pleasures of existence a just society must therefore make provisions for such to occur while remaining sufficiently ordered *On Liberty* John Stuart Mill, 1865 From the Introduction In his Autobiography Mill predicts that the essay On Liberty is likely to survive longer than anything else that I have written He goes on to say that the essay is the expression of a single truth the importance to man and society of a large variety of types of character and of giving full freedom to human nature to expand itself in innumerable and conflicting directions In the essay itself Mill defines his subject as the nature and limits of the power which can be legitimately exercised by society over the individual He defends the absolute freedom of individuals to engage in conduct not harmful to others and the near absolute freedom to express and discuss opinions of all kinds Mill's essay survives as he had predicted because his powerful message is still widely rejected by the powerful and by those who continue to seek power over the lives of others Public Freedom Dana Villa, 2008-08-31 Villa critically examines among other topics the promise and limits of civil society and associational life as sources of democratic renewal the effects of mass media on the public arena and the problematic but still necessary ideas of civic competence and democratic maturity

BOOK JACKET **CLASSICS On Liberty and Other Essays** John Stuart Mill, Earth-Hunger and Other Essays William Graham Sumner, 2022-05-29 In *Earth Hunger and Other Essays* William Graham Sumner presents a seminal collection of works framed by his enlightened 19th century perspective offering incisive observations on human interactions with the natural environment the driving forces behind societal development and the intricate tapestries of economic history Sumner's literary style sophisticated yet accessible weaves empirical evidence with sharp analysis elucidating early manifestations of what would later be termed social Darwinism within the broader canvas of liberal intellectual thought of his time Reflecting Sumner's vast interdisciplinary scholarship this collection resonates with the zeitgeist of the Gilded Age providing valuable insights into the prevailing ideologies that shaped America's economic and cultural landscape William Graham Sumner a pioneering figure in American sociology was a prolific scholar whose work still echoes in contemporary discussions of liberalism and sociopolitical theory His keen interest in the social implications of economic expansion and his meticulous dissection of class structures are evident in the essays Sumner's academic legacy as a professor at Yale and a vocal critic of American imperialism and economic protectionism informed his writing imbuing it with both theoretical depth and practical relevance With the publication of this collection Sumner indubitably fortified his position as a vanguard in the analysis of social institutions and their evolution *Earth Hunger and Other Essays* stands as a significant contribution to the historical and sociological literature of the late 19th century befitting scholars students and intellectually curious readers alike The essays encapsulate the blend of skepticism and insight Sumner brought to his examination of society rendering the book indispensable for those interested in the origins and development of liberal thought and its impact on economic and political policies Sumner's clear prose and the book's historical import create an enduring resonance promising to spark thoughtful debate and deeper understanding of the foundations of our social fabric *On Liberty and Other Essays* John Stuart Mill, 1926 **Encyclopedia of the Essay** Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies **The Duties of Man and Other Essays** Giuseppe Mazzini, 1894 On the Currency of Egalitarian Justice, and Other Essays in Political Philosophy Gerald A. Cohen, 2011-01-03 G A Cohen was one of the most gifted influential and progressive voices in contemporary political philosophy At the time of his death in 2009 he had plans to bring together a number of his most significant papers This is the first of three volumes to realize those plans Drawing on three decades of work it contains previously uncollected articles that have shaped many of the central debates in political philosophy as well as papers published here for the first

time In these pieces Cohen asks what egalitarians have most reason to equalize he considers the relationship between freedom and property and he reflects upon ideal theory and political practice Included here are classic essays such as Equality of What and Capitalism Freedom and the Proletariat along with more recent contributions such as Fairness and Legitimacy in Justice Freedom and Money and the previously unpublished How to Do Political Philosophy On ample display throughout are the clarity rigor conviction and wit for which Cohen was renowned Together these essays demonstrate how his work provides a powerful account of liberty and equality to the left of Ronald Dworkin John Rawls Amartya Sen and Isaiah Berlin *The Coming Terror and Other Essays and Letters* Robert Williams Buchanan, 1891 [My Philosophy - And Other Essays on the Moral and Political Problems of Our Time](#) Benedetto Croce, 2011-10-12 My Philosophy is a 1949 work by Benedetto Croce containing many of his essays on philosophy together with various writings on the subjects of morality and politics Contents include Discourses on Philosophy Philosophy of Politics Problems of Ethics and Aesthetics Philosophy of History and Various Thoughts Benedetto Croce 1866 1952 was an Italian historian philosopher and politician A prolific writer he who wrote on many different subjects including history philosophy aesthetics and historiography This vintage book is highly recommended for those with an interest in philosophy and is not to be missed by fans and collectors of Croce's seminal work Many vintage books such as this are becoming increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with an introduction to Croce's philosophy by Raffaello Piccoli *Gray's Anatomy* John Gray, 2013-03-07 From the author of *Straw Dogs* John Gray's *Gray's Anatomy* is a pugnacious and brilliantly readable collection of essays from across his career Why is progress a pernicious myth Why do beliefs that humanity can be improved end in farce or horror Is atheism a hangover from Christian faith John Gray one of the most iconoclastic thinkers of our time smashes through civilization's most cherished beliefs overturning our view of the world and our place in it The most prescient of British public intellectuals Pankaj Mishra Financial Times Gray has consistently anticipated the shape of things to come he teaches us that true humanism is to be found in uncertainty and doubt Will Self Gray's dissection of modern delusion cant and wishful thinking is to be welcomed in this moment of convulsion This is a book to learn from and argue with Ben Wilson Literary Review A thoroughly enjoyable book These essays cover a remarkable range of topics from Isaiah Berlin to Damien Hirst from torture to environmentalism But their unifying theme is that our naive belief in the idea of progress has turned modern life into a constant round of shadow boxing David Runciman Observer Demolishes the theory that we have reached the end of history the dogmas of secular liberalism the weaknesses of financial casino capitalism and the limits of energy intensive economic growth Economist John Gray is most recently the acclaimed author of *Straw Dogs* *Thoughts on Humans and Other Animals* *Heresies Against Progress and Other Illusions* *Al Qaeda and What It Means To Be Modern* and *Black Mass* *Apocalyptic Religion and the Death of Utopia* He is Emeritus Professor of European Thought at the University of London **The Great Conversers, and Other Essays** William

Mathews, 1874 *Freedom and History and Other Essays* Richard P. McKeon, 1990 This volume of essays is an important introduction to the thought of one of the twentieth century's most significant yet underappreciated philosophers Richard McKeon. The originator of philosophical pluralism, McKeon made extraordinary contributions to philosophy, to international relations and to theory formation in the communication arts, aesthetics, the organization of knowledge and the practical sciences. This collection, which includes a philosophical autobiography as well as the out-of-print title essay *Freedom and History* and a previously unpublished essay on *Philosophic Semantics and Philosophic Inquiry*, is a testimony to the range and systematic power of McKeon's thinking for the social sciences and the humanities.

Tocqueville's Moral and Political Thought Marinus Richard Ringo Ossewaarde, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis, an informa company.
