On Love And Loneliness:

On Love and Loneliness Jiddu Krishnamurti, 2013-07-30 In 1950 Krishnamurti said It is only when the mind is not escaping in any form that it is possible to be in direct communion with that thing we call loneliness the alone and to have communion with that thing there must be affection there must be love On Love and Loneliness is a compelling investigation of our intimate relationships with ourselves others and society Krishnamurti suggests that true relationship can come into being only when there is self knowledge of the conditions which divide and isolate individuals and groups Only by renouncing the self can we understand the problem of loneliness and truly love

Hemingway on Love Robert W. Lewis,2014-08-04 Love was a central theme of Ernest Hemingway s major works And although his passages on sexual love and on romantic love may be widely remembered and frequently quoted says Robert W Lewis in this scholarly and detailed consideration Hemingway s later work revealed his ultimate belief that brotherly love was the supreme love of mankind Eros Hemingway concluded was a neutral value neither good nor bad in itself but yet capable of complementing agape in giving man pleasure By examining the forms and essences of the various kinds of love Hemingway worked out an explanation and tentative solution to the troubles of the human condition The tradition of romantic love that had prevailed in Western literature had challenged sexual love and brotherly love and had been confused with them since the Middle Ages Hemingway s early work was destructive of romantic love says Lewis the work of his middle career was crucial in his exploration for the supreme love and the means to whatever peace and happiness man may achieve By the time he wrote The Old Man and the Sea his ethic was formulated and he could write conclusively of the trial and lesson of love in Western civilization in a way that reflected his discovery that true love must be a reciprocal blend of eros and agape between man and woman man and man and man and his world

Philosophical-sociological Essay Олег Арин / Алекс Бэттлер, 2021-07-08 The problems of love family and state are topics that are widely discussed both in the West and in Russia This essay however differs from all previous research work in that Alex Battler elevated the well known words love family and marriage to the level of concepts This enabled the author to correlate them to the conception of force and progress he had substantiated in the book *Dialectics of Force Ont bia* and ultimately to define the regular connection between the destruction of marriage and the collapse of a state within the context of the law of entropy growth or the law of death *Dogs Never Lie About Love* Jeffrey Moussaieff Masson, 1998-09-08 Dogs fill our hearts with love and our minds with wonder but their emotional lives have remained unexplored since Darwin 125 years ago Now in *Dogs Never Lie About Love* controversial psychoanalyst Jeffrey Masson brilliantly navigates the rich inner landscape of our best friends As he guides readers through the surprising depth of canine emotional complexity Jeffrey Masson draws from myth and literature from scientific studies and from the stories and observations of dog trainers and dog lovers around the world But the stars of the book are the author s own three dogs whose delightful and mysterious behavior provides the way to exploring a wide range of subjects from emotions like gratitude compassion loneliness and disappointment to speculating what dogs dream of and how their powerful sense of smell shapes their perception of reality As he sweeps aside old prejudices on animal behavior Masson reaches into a rich universe of dog feeling to its essential core their master emotion love Like the dogs he loves Masson s writing will capture the reader with its playful mysterious and serious sides Its surprising insights provide a new dimension of understanding for dog owners everywhere **How to find true love** Александр Воронцов , What if love is not a reward but a path Not luck but an inner choice Not an ideal meeting but a mature recognition This book is not a collection of tips or instructions on seduction This is a frank and deep conversation about the most important thing how to become someone who is capable of loving and being loved You will go through 20 chapters that will help you Recognize your inner barriers and fears Heal old wounds and open up to new ones Learn to be close without losing yourself understand why the wrong people are attracted create a mature lively and warm relationship The author of the book is not a guru or an expert but a man who has made his way through doubt pain loneliness openness and the practice of intimacy His language is simple lively transparent Each chapter is like a meeting with oneself with experience with the opportunity to be closer This book is for those who are tired of masks For those who want genuine deep true love For those who are ready not to wait but to meet halfway True love exists It starts with you **In The End, It Was All About Love** Musa Okwonga, 2021-03-03 The narrator arrives in Berlin a place famed for its hedonism to find peace and maybe love only to discover that the problems which have long haunted him have arrived there too and are more present

than ever As he approaches his fortieth birthday nearing the age where his father was killed in a brutal revolution he drifts through this endlessly addictive and sometimes mystical city through its slow days and bottomless nights wondering whether he will ever escape the damage left by his father s death With the world as a whole more uncertain as both the far right and global temperatures rise at frightening speed he finds himself fighting a fierce inner battle against his turbulent past for a future free of his fear of failure of persecution and of intimacy In *The End It Was All About Love* is a journey of loss and self acceptance that takes its nameless narrator all the way through bustling Berlin to his roots a quiet village on the Uganda Sudan border It is a bracingly honest story of love sexuality and spirituality of racism dating and alienation of fleeing the greatest possible pain and of the hopeful road home *It's Still All About Love and Some Other Stuff* Terry Ann
