On The Edge Of The Wild Passions And Pleasures Of A Naturalist:

On the Edge of the Wild Stephen Bodio, 2015-01-27 This book is a collage in essays about the kind of life I found worth living so far writes author Stephen J Bodio *On the Edge of the Wild* is a stunning collection that shares Bodio's love for the country wilderness literature and much more With compelling stories about moving to Montana treasured shotguns and his absolute love of cooking readers will be hooked by the beautiful way in which Bodio shares his feelings about life and the outdoors The thought provoking essays in *On the Edge of the Wild* will appeal to those who enjoy living off the land as well as those who appreciate the detail and way that Bodio paints a picture of his travels The incredible array of stories shows the deep appreciation and respect that he has for nature including the wonderful animals that grace his presence From dogs to falcons the love shared by this naturalist will be something that readers treasure and hope to one day be able to share through experiences similar to the ones Bodio has lived

Ecomysticism Carl von Essen, 2010-10-19 Explores the philosophy science and spirituality of nature mysticism and its Green calling Offers a solid bridge between spiritual practice and environmental activism Reveals how we can heal the environment by renewing our connection to it Shows how spiritual encounters in nature are healing the Nature Deficit Disorder of our psyches and bodies Many have been struck by a majestic moment in nature a sole illuminated flower in a shady grove an owl swooping silently across a wooded path or an infinitely starry sky and found themselves in a state of expanded awareness so profound they can feel the interconnectedness of all life These trance like moments of clarity unity and wonder often incite a call to protect and preserve the earth to support Nature as she supports us Termed nature mysticism people from all cultures have described such experiences However the ever increasing urbanization of the world's population is threatening this ancient connection as well as the earth itself In *Ecomysticism* Carl von Essen explores nature mysticism through the recorded experiences of outdoor enthusiasts as well as scientific studies in biology psychology and neuroscience Citing consciousness scholar William James and a variety of well known nature lovers such as Ansel Adams Henry David Thoreau and Ralph Waldo Emerson von Essen shows how the spiritual transcendence from an encounter in nature like other mystical experiences is healing the Nature Deficit Disorder of our psyches and bodies leading to an expansion of our worldview and a clearer understanding of our self and of our natural world Offering a solid bridge between spiritual practice and environmental activism von Essen's spiritual ecology reveals how only through a renewal of humanity's spiritual connection to nature can we effect true environmental healing
