**Gender-Based Perspectives on Batterer Programs** Edward W. Gondolf,2015-08-15 Gender Based Perspectives on Batterer Programs responds to the intense debate about the approach and effectiveness of batterer programs especially in light of the evidence based practice movement But it does so through a collection of 24 interviews with batterer program

founders and leaders who have been working in the field for 25 to 35 years In the process it answers many of the misconceptions and misrepresentations of batterer programs and highlights their contributions and development It also offers recommendations to researchers and the field in general that would help strengthen the work overall More specifically the book is a follow up to the author s research oriented book *The Future of Batterer Programs Reassessing Evidence Based Practice* Northeastern University Press 2012 That book critically reviewed the research on batterer programs in light of the demand for documentation of program effectiveness and documented the effective role of batterer programs in an intervention system It also exposed the need for evidence based practice research to include the feedback interpretations and critique of practitioners who have their own evidence to contribute In *Gender Based Perspectives on Batterer Programs* a summarizing introduction and conclusion on leadership frame the set of leader interviews The collection of interviews represents an archive of the experience and wisdom of long term workers in the field many of whom are on the verge of retirement This database should help researchers develop more meaningful studies and ground research results in actualities of the work Ideally the interviews will also help practitioners realize their commonalities and better represent themselves to their critics and public in general
