

A man with short dark hair, wearing a dark blue suit and a light-colored shirt, sits on a black leather tufted chair. He has his hands clasped in his lap and is looking directly at the camera. Behind him, two shirtless, muscular men are visible. The man on the left is leaning forward, and the man on the right is standing and looking towards the camera. The background is dark and out of focus.

would be different Someday came but only made the situation worse Tanner learned they shared a close friend in common another omega one Fitz eventually bedded Brokenhearted Tanner was sure the gods fate or whoever was in charge of binding an alpha and an omega together had gotten it very very wrong His mate wasn't the one apparently Tanner lied to himself saying he didn't care and kept his secret close When the truth finally emerges Fitz knows he has mountains to climb to make things right and even that might not be enough \_\_\_\_ This book is part of Kelex's Omegaverse there are two series based in the same world The Omega Quadrant His Surrogate Omega 1 Unexpected Heat An Omegaverse Short 1 5 Suddenly His Alpha An Omegaverse Short 1 9 His Reluctant Omega 2 Coming Soon Alphas of the Western Provinces One Wild Heat 1 One Wild Omega 2 Title TBD 3 Coming Soon

**One Wild Heat: An MPREG Omegaverse Book** Kelex, 2019-11-13 After catching his beta boyfriend in bed with another alpha Quinn McCreary needs a quiet space away before he does something he'll regret like let the man remain in his life He heads up to the little used family lake house hoping it's enough distance between him and a cheating ex Too bad his younger omega brother has handed a key to that lake house to a friend who needs to cycle off his heat blocking drugs Bellamy Carter has waited too long and his body is struggling He's on the cusp of a wild heat brought on by suppressing his nature too long By the time he walks into the lake house he's in full heat and there's a sexy alpha across the room who's more than willing to assist Quinn is enslaved by the instinct and goes into full rut The pair spend several days in bed sating the animal need within them both When it's over they part awkwardly still little more than strangers Unsure how they feel about each other and the bond they've already seemed to forge it's not until they see each other again that they realize it wasn't just a wild heat but something more But will life get into the way of their happily ever after This book is the first in a BRAND NEW SERIES and is linked to the same world created in His Surrogate Omega While it takes place in the same world these stories focus on another province where the laws that govern omegas are much more lenient
