Stuckenbruck,Daniel M. Gurtner,2019-12-26 The T T Clark Encyclopedia of Second Temple Judaism provides a comprehensive reference resource of over 600 scholarly articles aimed at scholars and students interested in Judaism of the Second Temple Period The two volume work is split into four parts Part One offers a prolegomenon for the contemporary study and appreciation of Second Temple Judaism locating the discipline in relation to other relevant fields such as Hebrew Bible Rabbinics Christian Origins Beginning with a discussion of terminology the discussion suggests ways the Second Temple period may be described and concludes by noting areas of study that challenge our perception of ancient Judaism Part Two presents an overview of respective contexts of the discipline set within the broad framework of historical chronology corresponding to a set of full colour custom designed maps With distinct attention to primary sources the author traces the development of historical social political and religious developments from the time period following the exile in the late 6th century B C E through to the end of the Bar Kokhba revolt 135 C E Part Three focuses specifically on a wide selection of primary source literature of Second Temple Judaism summarizing the content of key texts and examining their similarities and differences with other texts of the period Essays here include a brief introduction to the work and a summary of its contents as well as examination of critical issues such as date provenance location language s and interpretative matters The early reception history of texts is also considered and followed by a bibliography specific to that essay Numerous high resolution manuscript images are utilized to illustrate distinct features of the texts Part Four addresses topics relevant to the Second Temple Period such as places practices historical figures concepts and subjects of scholarly discussion These are often supplemented by images maps drawings or diagrams some of which appear here for the first time Copiously illustrated carefully researched and meticulously referenced this resource provides a reliable up to date and complete guide for those studying early Judaism in its literary and historical settings **Lawrence Durrell, Postmodernism and the Ethics of Alterity** Stefan Herbrechter,1999 This book is of interest for any reader wishing to explore the interface between literature and critical and cultural theory It investigates the notions of alterity which underlie the work of Lawrence Durrell and postmodernist theory Grass Irmgard Elsner Hunt **Gnosticism and the History of Religions** David G. Robertson,2021-08-12 Building on critical work in biblical studies which shows how a historically bounded heretical tradition called Gnosticism was invented this work focuses on the following stage in which it was essentialised into a sui generis universal category of religion At the same time it shows how Gnosticism became a religious self identifier with a number of sizable contemporary groups identifying as Gnostics today drawing on the same discourses This book provides a history of

this problematic category and its relationship with scholarly and popular discourse on religion in the twentieth century It uses a critical historical method to show how and why Gnosis Gnostic and Gnosticism were taken up by specific groups and individuals practitioners and scholars at different times It shows how ideas about Gnosticism developed in late nineteenth and twentieth century scholarship drawing from continental phenomenology Jungian psychology and post Holocaust theology to be constructed as a perennial religious current based on special knowledge of the divine in a corrupt world David G Robertson challenges how scholars interact with the category Gnosticism and contributes to our understanding of the complex relationship between primary sources academics and practitioners in category formation *American Mythologies* William Blazek, Michael K. Glenday, 2005-01-01 In its more than three decades of existence the discipline of American studies has been reliably unreliable its boundaries and assumptions forever shifting as it continuously repositions itself to better address the changing character of American life literature and culture *American Mythologies* is a challenging new look at the current reinvention of American studies a reinvention that has questioned the whole notion of what American let alone American studies means Essays in the collection range widely in considering these questions from the effect of Muhammad Ali on Norman Mailer's writings about boxing to the interactions of myth and memory in the fictions of Jayne Anne Phillips to the conflicted portrayal of the American West in Cormac McCarthy's novels Four essays in the collection focus on Native American authors including Leslie Marmon Silko and Gerald Vizenor while another considers Louise Erdrich's novels in the context of Ojibwa myth By bringing together perspectives on American studies from both Europe and America *American Mythologies* provides a clear picture of the current state of the discipline while pointing out fruitful directions for its future

**James Merrill's Apocalypse** Timothy Materer, 2000 Materer interprets Merrill's body of work from the perspective of his epic *The Changing Light at Sandover* and shows that in his earliest poems and in the volumes preceding *The Changing Light* Merrill repeatedly expressed his fear of nuclear holocaust and his sense that some momentous revelation was near at hand Materer demonstrates how apocalyptic motifs also inspire *Late Settings* *The Inner Room* and *A Scattering of Salts*

**Working the Ruins** Elizabeth St. Pierre, Wanda Pillow, 2002-05-03 From

some of the leading feminist scholars in education comes a collection of writings discussing how they use feminist poststructural theory in their classrooms and research Drawing on real life situations in their work they show how using this theory has transformed their work Topics covered include theory in everyday life ethnography writing the body emotions in the classroom qualitative research and gossip as a counter discourse The range of topics processes and styles presented provides the reader with a variety of examples illustrating the diversity and power of the effects of poststructural theory as well as showing the possibilities of work still to be done **American Literature in Transition, 1990-2000** Stephen J. Burn, 2017-12-28 Written in the shadow of the approaching millennium American literature in the 1990s was beset by bleak announcements of the end of books the end of postmodernism and even the end of literature Yet as conservative critics marked the century's twilight hours by launching elegies for the conventional canon American writers proved the continuing vitality of their literature by reinvigorating inherited forms by adopting and adapting emerging technologies to narrative ends and by finding new voices that had remained outside that canon for too long By reading 1990s literature in a sequence of shifting contexts from independent presses to the AIDS crisis and from angelology to virtual reality *American Literature in Transition 1990-2000* provides the fullest map yet of the changing shape of a rich and diverse decade's literary production It offers new perspectives on the period's well known landmarks Toni Morrison Thomas Pynchon David Foster Wallace but also overdue recognition to writers such as Ana Castillo Evan Dara Steve Erickson and Carole Maso **Pagan Theology** Michael York, 2003-04-01 This study identifies paganism as a viable religion exploring its practices and theology as they are expressed in religious communities across the world Long dismissed as a miscellany of fringe ideas and practices Paganism is one of the fastest growing spiritual orientations in the West In *Pagan Theology* Michael York reframes Paganism as a world religion He provides an overview of pagan theology and practice while expanding on the concept of paganism itself He demonstrates it to be a viable spiritual perspective one which he identifies around the world today in such forms as Chinese folk religion Shinto tribal religions and neo Paganism in the West While adherents to many of these traditions do not use the word pagan to describe their beliefs or practices York contends that they feature common characteristics for which the label pagan is appropriate After outlining these characteristics he examines many of the world's major religions which while not themselves pagan have pagan elements In the course of examining such behavior York provides rich and lively descriptions of religions in action including Buddhism and Hinduism **Unveiling Empire** Wes Howard-Brook, Anthony Gwyther, 1999 Confused by end of the world readings or put off by the dense and mysterious imagery many readers hesitate to explore the Book of Revelation *Unveiling Empire* offers a new entree into this troubling and controversial book of the Bible by examining the roots and social purposes of apocalyptic literature and Revelations own use of traditional imagery In this way the authors provide readers with the tools for deciphering the text's message and its urgent applications for Christians today living amidst a new kind of empire **Analytical Psychology and German Classical Aesthetics: Goethe, Schiller, and Jung** Volume

2 Paul Bishop, 2008-07-16 The second volume of *Analytical Psychology and German Classical Aesthetics* builds on the previous volume to show how German classicism specifically the classical aesthetics associated with Goethe and Schiller known as Weimar classicism was a major influence on psychoanalysis and analytical psychology alike This volume examines such significant parallels between analytical psychology and Weimar classicism as the methodological similarities between Goethe's morphological and Jung's archetypal approaches which both seek to use synthesis as well as analysis in their attempt to understand the world It also focuses on the project of the construction of the self which it is argued is not only a personal but also a cultural activity This book like its previous volume aims to clarify the intellectual continuity between Weimar classicism and analytical psychology It will be of interest to both students and scholars in the fields of analytical psychology comparative literature and the history of ideas

**Fundamentalism in America** Philip Melling, 2013-12-02 This important book challenges the idea that religious fundamentalism can adequately be understood as a paranoid xenophobic faith It demonstrates instead how it draws upon a long tradition of evangelical and millennialist scripture in its engagement with issues at the spiritual and ethical core of postmodernity in the United States The author examines the varieties of fundamentalism as they appear in prophecy sermon film and fiction In its wide ranging consideration of the rhetoric of the New World Order the literature of prophecy Cold War films television evangelism cross border texts and post nationalist writing *Fundamentalism in America* provides a vital and compelling account of the present state of religious and nationality identity in the United States
