Transition and Transformation in Hungary Krisztina Oláh, 2025-07-31 Moving from communist regimes to democratically elected governments in 1990 initiated radical political economic and cultural transition in Central and Eastern Europe Emerging from the shadows of communist rule in Hungary visible in the widespread presence of corruption autocratic leadership and counter economy how can personal Christian values bring lasting change to the work leadership and business activities of individuals and their organizations Bridging the gap between secular and sacred in philosophy theology and business studies Krisztina Oláh seeks to define how the integrated life of those Christians in business can be the solution to widespread corruption With academic rigor and interdisciplinary scope Oláh's qualitative interviews and survey data present empirical insight from experienced Christian business leaders as well as authentic perspectives on ethical leadership to lay out

practical tools in overcoming the challenges they face This exploration of post communist transformation in the Hungarian context will have relevance to any scholar practitioner or Christian business leader who longs to see the practice of biblical values reshape their environment

An Introduction to Biblical Ethics J. Robertson McQuilkin,1995 A highly readable book which states the need for a clear system of moral values and duties based on solid biblical scholarship and an understanding of today s culture Part One deals with what the Bible says about love law sin and ethics Part Two tells how to apply all these biblical principles to life

Historical Dictionary of the Reformed Churches Robert Benedetto,Donald K. McKim,2023-10-15 As its name implies the Reformed tradition grew out of the 16th century Protestant Reformation The Reformed churches consider themselves to be the Catholic Church reformed The movement originated in the reform efforts of Huldrych Zwingli 1484 1531 of Zurich and John Calvin 1509 1564 of Geneva Although the Reformed movement was dependent upon many Protestant leaders it was Calvin s tireless work as a writer preacher teacher and social and ecclesiastical reformer that provided a substantial body of literature and an ethos from which the Reformed tradition grew Today the Reformed churches are a multicultural multiethnic and multinational phenomenon

Historical Dictionary of the Reformed Churches Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on leaders personalities events facts movements and beliefs of the Reformed churches This book is an excellent resource for students researchers and anyone wanting to know more about reformed churches

Reimagining Faith and Management Edwina Pio,Robert Kilpatrick,Timothy Pratt,2021-03-22 Much contemporary research ignores or is dismissive of the growth of global religiosity even though 90 percent of the global population sees the world through a commitment to some kind of faith *Reimagining Faith and Management* addresses this issue and extends the research on the impact of faith in various aspects of management such as negotiation leadership entrepreneurship governance innovation ethics finance and careers Faith impacts how individuals and organisations envision manage and respond to their various stakeholders communities the natural environment and the world around them This book presents various facets of how faith values and or ideological outlook which informs influences and adds mystery to inspire and impel individuals and organisations The 21 chapters are based on academic research and offer practical managerial recommendations The book is divided into three sections faithful futures impacting individuals faithful futures impacting organisations and faithful futures impacting society Each chapter presents a theoretical base and includes practical implications The book is ideal reading for educators practitioners researchers and students of business management career studies faith based organisations corporate governance and business ethics as well as religious studies including applied theology

Neo-Calvinism and Roman Catholicism ,2023-06-05 In their theological and historical interactions neo Calvinism and Roman Catholicism have often met in moments of conflict and co operation The neo Calvinist statesman Abraham Kuyper polemicized against the Roman Catholic Church and its theology whilst building bridges between

those traditions by forging novel political coalitions across ecclesiastical boundaries In theology Gerrit C Berkouwer a neo Calvinist critic of Roman Catholicism in the 1930s later attended the Second Vatican Council as an appreciative Protestant observer Telling their stories and others including new research on lesser known figures and neglected topics this book presents the first scholarly volume on those dynamics of polemics and partnership **What is Economic Justice?** Andrew Hartropp,2008-03-01 Although the language of economic justice is used right across the political spectrum today there is no consensus about what it means Secular perspectives are in deep and confusing disarray This is of little help to the poor or the rich Can the Bible do better Most certainly according to this book Whereas secular approaches tend to focus either on justice in production and exchange free trade versus fair trade or justice in distribution equality versus freedom a biblically rooted account shows that both of these aspects are central to economic justice The book indicates how this understanding applies to contemporary topics such as the relationships between borrowers and lenders and the use of monopoly power

Public Theology for a Global Society Deidre King Hainsworth,Scott R. Paeth,2010 In these essays honoring ethicist Max Stackhouse leading Christian scholars consider the historical roots and ongoing resources of public theology as a vital element in the church s engagement with global issues Public Theology for a Global Society explores the concept of public theology and the challenge of relating theological claims to a larger social and political context The range of essays included here allows readers to understand public theology as both theological practice and public speech and to consider the potential and limits of public theology in ecumenical and international networks The essays begin by introducing the reader to the development of public theology as an area of study and to the historical interrelationship of religious legal and professional categories The later essays engage the reader with emerging problems in public theology as religious communities encounter shifting publics that are being transformed by globalization and sweeping political and technological changes The breadth and scholarship of Public Theology for a Global Society make this volume a fitting tribute to Stackhouse a central figure in Christian ethics and pioneer in the church s study of globalization *Accounting and Money for Ministerial Leadership* Nimi Wariboko,2013-05-22 This book will help seminary students and ministers with no training in accounting to expand their core management competency and church leadership skills to include basic issues of finance and accounting It will also provide pastors ministers with financial management orientation to become better leaders managers of their churches and organizations Specifically this book is designed to bring pastors ministers and seminary students up to speed in the language of accounting and money in contemporary American society It gives them practical resources for effective not hands on management of church finances Among others it will offer training on basic accounting and budgeting reading of financial reports and elementary tax and legal issues in order to develop pastors students core competency in stewardship leadership After going through this book most students and pastors should be able to read exegete and make sense of the financial reports that will be given to them by church accountants treasurers finance committees This book helps

pastors to understand and interpret the accounting and monetary issues of their ministries in a professional and theologically sound way

The Cambridge Companion to Christian Ethics Robin Gill, 2012 Twenty essays providing an authoritative introduction to Christian ethics addressing issues such as war social justice ecology sexuality and medicine *Praxiology and Pragmatism* F. Nahser, 2018-05-11 Volume 10 in this distinguished series addresses two distinct but interrelated philosophical movements which exemplify different approaches to the study of ethics Praxiology an unique Central European philosophical movement embraces the study of purposeful and conscious action and the elements essential to each action act and causative act Pragmatism an uniquely American philosophical movement was founded by Charles S Peirce and William James and is based on the meaning of conceptions defined in their practical bearings that guides actions and measures them by practical consequences of belief The chapters in this volume are grouped in a section on Praxiology and one on Pragmatism Each section defines the historical origins of their respective philosophical movements describes their methodology and interrelates their impact on human conduct and contemporary society The section on Praxiology presents for the first time in English a seminal study The ABC of Practicality written in 1972 by Tadeusz Kotarbinski the father of modern Polish praxiology Wojciech W Gasparski offers an interpretative analysis of Praxiology Daryl Koehn explores the nature of practical judgment and Timo Airaksinen applies praxiological efficiency in professional ethics The section devoted directly to Pragmatism includes scholarly contributions by eight academics on the relevance of pragmatism to management Juan Fontrodona business ethics Sandra Rosenthal law Fred Kellogg and pragmatic inquiry F Byron Nahser The contribution of Max Scheler to pragmatism Manfred Frings and the influence of William James on business ethics Dennis McCann are groundbreaking contributions to the study of pragmatism The volume also includes a teaching model for a classroom application of pragmatism Jack Ruhe and concludes with an evaluation of the renaissance of interest in pragmatism in Europe Jacek Sojka Leo V Ryan C S V professor of management DePaul University is past president of the Society for Business Ethics He is co editor of Human Action in Business Vol 5 and Business Students Focus on Ethics Vol 8 of the Praxiology series F Byron Nahser is chairman and CEO Globe Group Chicago the originator of Pathfinder Pragmatic Inquiry Method and author of Learning to Read the Signs Reclaiming Pragmatism in Business Wojciech W Gasparski is professor of humanities at the Institute of Philosophy and Sociology the Polish Academy of Sciences Warsaw and editor in chief of the Praxiological series He has published numerous volumes and over two hundred articles and conference papers *The Character of the Manager* G. The People Make the Place D. Brent Smith, 2008 First Published in 2008 Routledge is an imprint of Taylor Francis an informa company [God and Globalization: Volume 2](#) Max L. Stackhouse, Peter J. Paris, Don S. Browning, 2001-03-01 A trenchant study of the impact of globalization on the world s major institutions shows how the new

authorities are influenced by religious and spiritual principles Original *The Free Person and the Free Economy* Anthony J. Santelli, 2002-01-01 Foundations of Economic Personalism is a series of three book length monographs each closely examining a significant dimension of the Center for Economic Personalism's unique synthesis of Christian personalism and free economic market theory In the aftermath of the momentous geo political and economic changes of the late 1980s a small group of Christian social ethicists began to converse with free market economists over the morality of market activity This interdisciplinary exchange eventually led to the founding of a new academic subdiscipline under the rubric of economic personalism These scholars attempt to integrate economic theory history and methodology with Christian personalism's stress upon human dignity humane social structures and social justice This final volume in the series systematically applies the praxeological from the first volume and theoretical from the second volume foundations of the personalist tradition to free market economic theory Unlike the previous two this work defends economic liberty in theologically sensitive terms that reference the personalist tradition without compromising the disciplinary integrity of either economics or social ethics

The Kingdom of God in Working Clothes R. Paul Stevens, 2022-08-05 Work occupies most of our waking time whether it is in a factory office school or at home But unfortunately most people of faith separate their working life from their worshipping life Dualism is a pernicious heresy that has infected believers worldwide namely that church work and missionary service are holy and our everyday work is secular In this timely volume Stevens explores the connection of the kingdom of God the master thought of Jesus with the marketplace Traditionally people have either related the kingdom of God God's new world coming either exclusively for the present or only for the distant future But it is both now and coming This gives meaning hope and endurance to our work in the world So daily labor in the marketplace gets reoriented through salty values and ingrained virtues We become double agent spies exploring the new world coming in everyday life We can also grapple helpfully with the resistance we face daily in the workplace There are many books on the kingdom of God and many on work Few have brought these two vital arenas of everyday service together It is indeed part of the good news
