

*"On Strategy is just about
the best thing I have read on Vietnam."
—Drew Middleton, The New York Times*

ON STRATEGY

a critical analysis
of the Vietnam War
Harry G. Summers Jr.
Colonel of Infantry

*"Perhaps the most trenchant single postmortem
to date of our defeat in Vietnam. . . a classic. . . compact,
subtle—and surprisingly readable." —Newsweek*

On Strategy A Critical Analysis Of The Vietnam War

Andrew J. Bacevich

On Strategy A Critical Analysis Of The Vietnam War:

On Strategy Harry G. Summers, 2009-02-04 Stunning in its insight **On Strategy** is required reading not just for everyone who is interested in the Vietnam War but for anyone who is concerned about the place of the United States on the world stage and how America can and more importantly cannot employ its immense military force to help bring peace to an increasingly troubled world **On Strategy** is just about the best thing I have read on Vietnam Drew Middleton The New York Times Perhaps the most trenchant single postmortem to date of our defeat in Vietnam a classic compact subtle and surprisingly readable Newsweek At our house we sleep less easily now that Harry G Summers Jr Colonel of Infantry is no longer defending us After two wars and 38 years of active duty Summers has retired from the Army Every taxpayer should mourn his loss Colonel Summers is perhaps the most influential thinker of our time his book **On Strategy** is required reading at the Army and Naval War Colleges Jack Beatty Boston Globe This investigation of the U S army s role in the Vietnam War is widely recognized as the single most useful postmortem on the unpopular war The Washington Post Book World The most detailed exposition of this view that the U S threw away whatever chance for victory it may have had through blunders that must not be repeated comes from Col Harry Summers whose book **On Strategy** has become must reading for young officers Time A masterful analysis of the strategy or lack thereof in the Vietnam War The best critique of the war I have read and a book every policy maker in Washington should absorb Max Cleland Atlanta Journal Constitution

On Strategy Harry G. Summers, 2009-02-04 Stunning in its insight **On Strategy** is required reading not just for everyone who is interested in the Vietnam War but for anyone who is concerned about the place of the United States on the world stage and how America can and more importantly cannot employ its immense military force to help bring peace to an increasingly troubled world **On Strategy** is just about the best thing I have read on Vietnam Drew Middleton The New York Times Perhaps the most trenchant single postmortem to date of our defeat in Vietnam a classic compact subtle and surprisingly readable Newsweek At our house we sleep less easily now that Harry G Summers Jr Colonel of Infantry is no longer defending us After two wars and 38 years of active duty Summers has retired from the Army Every taxpayer should mourn his loss Colonel Summers is perhaps the most influential thinker of our time his book **On Strategy** is required reading at the Army and Naval War Colleges Jack Beatty Boston Globe This investigation of the U S army s role in the Vietnam War is widely recognized as the single most useful postmortem on the unpopular war The Washington Post Book World The most detailed exposition of this view that the U S threw away whatever chance for victory it may have had through blunders that must not be repeated comes from Col Harry Summers whose book **On Strategy** has become must reading for young officers Time A masterful analysis of the strategy or lack thereof in the Vietnam War The best critique of the war I have read and a book every policy maker in Washington should absorb Max Cleland Atlanta Journal Constitution

On Strategy Harry G. Summers, 1961 **On Strategy** , 1995 Kritisk analyse af USAs krigsfrelse i Vietnam **On Strategy** Harry G. Summers, 2002-12-01 This important

book is one man's critical analysis of American strategy in the Vietnam war That man Harry Summers is an active Army officer who began professional life as an enlisted soldier knows personally the bayonet point reality of war and has thought widely about strategic issues His commitment to the nation and Army he serves is unstinting Colonel Summers has focused his attention at that point in the strategic continuum where military strategy and national policy come together His main thesis is that a lack of understanding of the relationship between military strategy and national policy caused us to exhaust our will and endurance against a secondary enemy the guerrilla movement in South Vietnam instead of focusing our military efforts to check North Vietnamese expansion in support of our national policy of containment DeWitt C Smith Jr Lieutenant General United States Army Retired *American Strategy in Vietnam* Harry G Summers, 2012-04-19 A politico military assessment of the Vietnam War analyzing the U S Army's strategic and tactical ideologies Particularly relevant today it stresses the futility of any military action without the full support of the people **Professional Journal of the United States Army**, 1987 **Review of Current Military Literature**, 1987 *Newsletter*, 1992 *The Long War* Andrew J. Bacevich, 2009-06-22 Essays by a diverse and distinguished group of historians political scientists and sociologists examine the alarms emergencies controversies and confusions that have characterized America's Cold War the post Cold War interval of the 1990s and today's Global War on Terror The developments of this Long War have left their imprint on virtually every aspect of American life and by considering the period as a whole this volume is the first to take a truly comprehensive look at America's response to the national security crisis touched off by the events of World War II Contributors consider topics ranging from grand strategy and strategic bombing to ideology and economics and assess the changing American way of war as the twentieth century progressed They evaluate the evolution of the national security apparatus and the role of dissenters who viewed the activities of that apparatus with dismay and they take a fresh look at the Long War's civic implications and its impact on civil military relations More than a military history The Long War examines the ideas policies and institutions that have taken shape since the United States claimed the role of global superpower In breaking down the old and artificial boundaries that have traditionally divided the postwar period into neat historical units this volume offers fresh perspectives on the current state of American national security *America in the World* Frank Costigliola, Michael J. Hogan, 2013-12-23 This volume includes historiographical surveys of American foreign relations since 1941 by some of the country's leading historians Some of the essays offer sweeping overviews of the major trends in the field of foreign international relations history Others survey the literature on US relations with particular regions of the world or on the foreign policies of presidential administrations The result is a comprehensive assessment of the historical literature on US foreign policy that highlights recent developments in the field *Special Warfare*, 1992 **Understanding Military Doctrine** Harald Hoiback, 2013-07-18 This book puts military doctrine into a wider perspective drawing on military history philosophy and political science Military doctrines are institutional beliefs about what works in war given the trauma of 9 11 and the ensuing

War on Terror serious divergences over what the message of the new military doctrine ought to be were expected around the world. However, such questions are often drowned in ferocious meta doctrinal disagreements. What is a doctrine after all? This book provides a theoretical understanding of such questions. Divided into three parts, the author investigates the historical roots of military doctrine and explores its growth and expansion until the present day and goes on to analyse the main characteristics of a military doctrine. Using a multidisciplinary approach, the book concludes that doctrine can be utilized in three key ways: as a tool of command, as a tool of change, and as a tool of education. This book will be of much interest to students of military studies, civil military relations, strategic studies, and war studies, as well as to students in professional military education.

The Evolution of Strategy Beatrice Heuser, 2010-10-14. Is there a Western way of war which pursues battles of annihilation and single minded military victory? Is warfare on a path to ever greater destructive force? This magisterial account answers these questions by tracing the history of Western thinking about strategy, the employment of military force as a political instrument from antiquity to the present day. Assessing sources from Vegetius to contemporary America and with a particular focus on strategy since the Napoleonic Wars, Beatrice Heuser explores the evolution of strategic thought, the social institutions, norms, and patterns of behaviour within which it operates, the policies that guide it, and the cultures that influence it. Ranging across technology and warfare, total warfare and small wars, as well as land, sea, air, and nuclear warfare, she demonstrates that warfare and strategic thinking have fluctuated wildly in their aims, intensity, limitations, and excesses over the past two millennia.

Makers of Modern Strategy from Machiavelli to the Nuclear Age Peter Paret, Gordon A. Craig, Felix Gilbert, 2010-10-01. Authoritative and convincing. New York Times Book Review. The classic reference on the theory and practice of war. The essays in this volume analyze war, its strategic characteristics, and its political and social functions over the past five centuries. The diversity of its themes and the broad perspectives applied to them make the book a work of general history as much as a history of the theory and practice of war from the Renaissance to the present. *Makers of Modern Strategy from Machiavelli to the Nuclear Age* takes the first part of its title from an earlier collection of essays that became a classic of historical scholarship. Three essays are republished from the earlier book, while four others have been extensively revised. The rest, twenty-two essays, are new. The subjects addressed range from major theorists and political and military leaders to impersonal forces. Machiavelli, Clausewitz, and Marx and Engels are discussed, as are Napoleon, Churchill, and Mao. Other essays trace the interaction of theory and experience over generations, the evolution of American strategy, for instance, or the emergence of revolutionary war in the modern world. Still others analyze the strategy of particular conflicts, the First and Second World Wars, or the relationship between technology, policy, and war in the nuclear age. Whatever its theme, each essay places the specifics of military thought and action in their political, social, and economic environment. Together, the contributors have produced a book that reinterprets and illuminates war, one of the most powerful forces in history and one that cannot be controlled in the future without an understanding of its past.

Strategy and

History Colin S. Gray, 2007-01-24 This book comprises some of the most important contributions to the strategic debate over the past thirty years by a leading theorist and practitioner **The Moral Dimension of Asymmetrical Warfare** Th. A. Van Baarda, D. E. M. Verweij, 2009 PART I The superpower and asymmetry PART II Jus ad bellum jus in bello jus post bellum PART III Leadership and accountability PART IV Soldiers perspectives PART V Ethical Education and Decision making for the Military PART VI Stress and trauma PART VII The media PART VIII Democracy under Scrutiny PART IX In Hindsight

World Politics and the Evolution of War John J. Weltman, 1995 In this comprehensive study international relations scholar John Weltman explores the many roles of war in world politics With topics ranging from the development of strategic thought to the effects on war of political and technological change from the uses of force and threats of force to the uses of arms control from the prominence of war in history to its likely fate in the post Cold War world Weltman s analysis offers a detailed thoroughgoing and rigorous overview of the subject Throughout Weltman questions a number of widely held assumptions To the conventional argument that the number of players in the international system determines the incidence and character of war he responds with evidence that suggesting that the social material and intellectual context within which conflicts occur is far more influential Weltman also questions the prevailing wisdom that democracies are inherently peaceful and autocracies inherently warlike arguing instead that the propensity to wage war and the effects of war are largely the products of prevailing expectations whether or not war offers a means for the cheap easy and decisive accomplishment of a government s objectives And he criticizes the dominant view that conflict even violent conflict is psychologically abnormal Drawing upon the traditional distinction between wars of attrition and wars of annihilation Weltman sees the trend toward the former despite the anomalous Persian Gulf conflict as likely to continue While this trend does not suggest the end of warfare much less the end of history it does imply the localization of conflict and the minimization of the danger of global conflagration The new world order Weltman concludes will be far from peaceful but the conflicts that do arise will be slow burning and difficult to spread Outside intervention in these conflicts will be costly **The Making of Strategy** Williamson

Murray, 1996-05-31 Most writing about strategy has focused on individual strategic theorists or great military leaders This book focuses instead on the messy processes by which rulers and states have framed strategy in the past a subject of vital practical importance to strategists and of great interest to students of strategy and statecraft It consists of 17 case studies that range from fifth century Athens and Ming China to Hitler s Germany Israel and the post 1945 United States The studies analyse within a common interpretive framework precisely how rulers and states have made strategy The introduction emphasises the constants in the rapidly shifting world of the strategist the concluding essay tries to understand the forces that have driven the transformation of strategy since 400 BC and seem likely to continue to transform it in the future

ADA. ,

As recognized, adventure as without difficulty as experience very nearly lesson, amusement, as capably as harmony can be gotten by just checking out a books **On Strategy A Critical Analysis Of The Vietnam War** after that it is not directly done, you could believe even more all but this life, around the world.

We come up with the money for you this proper as capably as easy artifice to acquire those all. On Strategy A Critical Analysis Of The Vietnam War Introduction

In the digital age, access to information has become easier than ever before. The ability to download On Strategy A Critical Analysis Of The Vietnam War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download On Strategy A Critical Analysis Of The Vietnam War has opened up a world of possibilities. Downloading On Strategy A Critical Analysis Of The Vietnam War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading On Strategy A Critical Analysis Of The Vietnam War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download On Strategy A Critical Analysis Of The Vietnam War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading On Strategy A Critical Analysis Of The Vietnam War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading On Strategy A Critical Analysis Of The Vietnam War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download On

Strategy A Critical Analysis Of The Vietnam War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About On Strategy A Critical Analysis Of The Vietnam War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. On Strategy A Critical Analysis Of The Vietnam War is one of the best book in our library for free trial. We provide copy of On Strategy A Critical Analysis Of The Vietnam War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with On Strategy A Critical Analysis Of The Vietnam War. Where to download On Strategy A Critical Analysis Of The Vietnam War online for free? Are you looking for On Strategy A Critical Analysis Of The Vietnam War PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another On Strategy A Critical Analysis Of The Vietnam War. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of On Strategy A Critical Analysis Of The Vietnam War are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of

thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with On Strategy A Critical Analysis Of The Vietnam War. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with On Strategy A Critical Analysis Of The Vietnam War To get started finding On Strategy A Critical Analysis Of The Vietnam War, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with On Strategy A Critical Analysis Of The Vietnam War So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading On Strategy A Critical Analysis Of The Vietnam War. Maybe you have knowledge that, people have search numerous times for their favorite readings like this On Strategy A Critical Analysis Of The Vietnam War, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. On Strategy A Critical Analysis Of The Vietnam War is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, On Strategy A Critical Analysis Of The Vietnam War is universally compatible with any devices to read.
