On The Edge Of Nowhere:

Church on the Edge of Somewhere George B. Thompson Jr.,2007-11-19 Most congregations today exist in what George Thompson calls the middle of anywhere They live comfortably with their surrounding culture focusing their energies on serving the needs of their current members These congregations have many strengths and gifts that they can exercise without changing a thing But Thompson envisions a deeper more prophetic call for congregations to explore the meaning of being in the world but not of it a church on the edge of somewhere Thompson sees a church that is deeply engaged in ministering to the community while calling on others to commit to doing the same By analyzing the interaction between a congregation s focus of identity and their stance with the world Thompson has created a helpful grid for congregations to place themselves on today s cultural map A congregation that sees itself as existing on the margins of society will look different than one that sees itself as embedded in society A congregation that hears a call to serve the surrounding community will look different from one that focuses on its internal needs Knowing where they stand now is the key for congregations to discover where they must go in the future to fully live out their call to be God s people in the world

On the Edge of Grace Christine Watkins,2004-08 ON THE EDGE OF GRACE Mystical Stories of True Transformation Sometimes as human beings we find ourselves on the edge of grace At that edge an abyss falls away before us and we are helpless not to tumble into it unless grace reaches out and saves us We do not always know how we arrived at such a precarious point but once there we know we need healing meaning love peace hope and happiness We know that we are seeking something to fulfill us and take away our angst and our sadness What we do not know is that we are seeking God Each true life story in this book reveals a person who has teetered on the edge of grace in seemingly hopeless situations and discovered hope and healing in a loving God The people an atheist a stripper a car thief a

woman who had two abortions a sex addict a lonely youth a woman who told God to go to hell a woman who hears the voice of God a priest a man with the hidden stigmata and a homosexual man abandoned by his mother all possess as diverse as they are vital elements in common they have truly found God and they have received help in their journeys of faith through the Blessed Virgin Mary's presence and messages in Medjugorje Each story therefore begins with a message that Mary has given to the world a message which speaks to that person's life and perhaps to our own
