

A black and white portrait of Nelson Rockefeller, a middle-aged man with dark hair, wearing a dark suit, white shirt, and patterned tie. He is looking directly at the camera with a slight smile. His hands are clasped in front of him, holding a pair of glasses. The background is dark and out of focus.

## **On His Own Terms A Life Of Nelson Rockefeller:**

*On His Own Terms* Richard Norton Smith, 2014 *On His Own Terms* Michael Beschloss From the Hardcover edition Nelson Rockefeller's Dilemma Marsha E. Barrett, 2024-08-15 Nelson Rockefeller's Dilemma reveals the fascinating and influential political career of the four time New York State governor and US vice president Marsha E Barrett's portrayal of this multi faceted political player focuses on the eclipse of moderate Republicanism and the betrayal of deeply held principles for political power Although never able to win his party's presidential nomination Rockefeller's tenure as governor was notable for typically liberal policies infrastructure projects expanding the state's university system and investing in local services and the social safety net As the Civil Rights movement intensified in the early 1960s Rockefeller envisioned a Republican Party recommitted to its Lincolnian heritage as a defender of Black equality But the party's extreme right wing encouraged by its successful outreach to segregationists before and after the nomination of Barry Goldwater pushed the party to the right With his national political ambitions fading by the late 1960s Rockefeller began to tack right himself on social and racial issues refusing to endorse efforts to address police brutality accusing without proof Black welfare mothers of cheating the system or introducing harsh drug laws that disproportionately incarcerated people of color These betrayals of his own ideals did little to win him the support of the party faithful and his vice presidency ended in humiliation rather than the validation of moderate ideals An in depth insightful and timely political history Nelson Rockefeller's Dilemma details how the standard bearer of moderate Republicanism lost the battle for the soul of the Party of Lincoln leading to mainlining of white grievance populism for the post civil rights era The Men and the Moment Aram Goudsouzian, 2019-03-05 The presidential election of 1968 forever changed American politics In this character driven narrative history Aram Goudsouzian portrays the key transformations that played out over that dramatic year It was the last Old Politics campaign where political machines and party bosses determined the major nominees even as the New Politics of grassroots participation powered primary elections It was an election that showed how candidates from both the Left and Right could seize on hot button issues to alter the larger political dynamic It showcased the power of television to package politicians and political ideas and it played out against an extraordinary dramatic global tableau of chaos and conflict More than anything else it was a moment decided by a contest of political personalities as a group of men battled for the presidency with momentous implications for the nation's future Well paced accessible and engagingly written Goudsouzian's book chronicles anew the characters and events of the 1968 campaign as an essential moment in American history one with clear resonance in our contemporary political moment *Republican Character* Donald T. Critchlow, 2020-10-23 Politics makes for strange bedfellows the old saying goes Americans however often forget the obvious lesson underlying this adage politics is about winning elections and governing once in office Voters of all stripes seem put off by the rough and tumble horse trading and deal making of politics viewing its practitioners as self serving and without principle or conviction Because

of these perspectives the scholarly and popular narrative of American politics has come to focus on ideology over all else But as Donald T Critchlow demonstrates in his riveting new book this obsession obscures the important role of temperament character and leadership ability in political success Critchlow looks at four leading Republican presidential contenders Richard Nixon Nelson Rockefeller Barry Goldwater and Ronald Reagan to show that behind the scenes ideology mattered less than principled pragmatism and the ability to build coalitions toward electoral and legislative victory Drawing on new archival material Critchlow lifts the curtain on the lives of these political rivals and what went on behind the scenes of their campaigns He reveals unusual relationships between these men Nixon making deals with Rockefeller while Rockefeller courted Goldwater and Reagan who themselves became political rivals despite their shared conservatism The result is a book sure to fascinate anyone wondering what it takes to win the presidency of the United States and to govern effectively [A Man and His Presidents](#) Alvin Felzenberg,2017-05-02 A new understanding of the man who changed the face of American politics William F Buckley Jr is widely regarded as the most influential American conservative writer activist and organizer in the postwar era In this nuanced biography Alvin Felzenberg sheds light on little known aspects of Buckley s career including his role as back channel adviser to policy makers his intimate friendship with both Ronald and Nancy Reagan his changing views on civil rights and his break with George W Bush over the Iraq War Felzenberg demonstrates how Buckley conveyed his message across multiple platforms and drew upon his vast network of contacts his personal charm his extraordinary wit and his celebrity status to move the center of political gravity in the United States closer to his point of view Including many rarely seen photographs this account of one of the most compelling personalities of American politics will appeal to conservatives liberals and even the apolitical **Postmodernism and Video Art** Liz Kim,2025-08-22 Liz Kim traces the theories and artistic practices that articulated American experimental video through its key works and events art critical discourse as well as the politics of its funding and distribution during the 1970s into the 1980s focusing on New York This is a historical examination of the relationship between experimental video and postmodernism in the context of the early New York video scene as a foundational crucible of ideas and practices Video grew out of both the acculturation of television as well as the resistance against its hegemonic forms as it enabled hybrid user generated content As such video became a testing ground for postmodern thought as it sat at the perfect nexus of mass media art and the politics of representation This book historicizes the theories of video art through the shifts in representations of cultural identities and the changes within its critical and structural supports Through this process chapters uncover new roots of postmodernism through historical evidence widening the scope of the term and its concepts The book will be of interest to scholars working in art history film studies and media studies **Anointed with Oil** Darren Dochuk,2019-06-04 A groundbreaking new history of the United States showing how Christian faith and the pursuit of petroleum fueled America s rise to global power and shaped today s political clashes Anointed with Oil places religion and oil at the center of American history As prize winning historian Darren

Dochuk reveals from the earliest discovery of oil in America during the Civil War citizens saw oil as the nation's special blessing and its peculiar burden the source of its prophetic mission in the world Over the century that followed and down to the present day the oil industry's leaders and its ordinary workers together fundamentally transformed American religion business and politics boosting America's ascent as the preeminent global power giving shape to modern evangelical Christianity fueling the rise of the Republican Right and setting the terms for today's political and environmental debates Ranging from the Civil War to the present from West Texas to Saudi Arabia to the Alberta Tar Sands and from oil patch boomtowns to the White House this is a sweeping magisterial book that transforms how we understand our nation's history

*Protecting the Presidential Candidates* Mel Ayton, 2021-11-24 Protecting the Presidential Candidates is the first book of its kind to examine how presidents and presidential candidates were protected during the presidential election cycles from JFK to Biden It is also the first book of its kind to tell the story of the role of state troopers and private bodyguards in protecting presidential candidates Protection for candidates changed and evolved from the free wheeling style of the 1950s and early 1960s which afforded presidential candidates little or no protection to the growth of bodyguard personnel increased intelligence facilities and state of the art technology employed today to keep the candidates safe Presidential candidates relish connecting with the public and it has given greater visibility to the bodyguards who are willing to place themselves between a presidential candidate and a would be attacker In the milieu in which the Secret Service operates bodyguards have witnessed the terrors of election campaigns when presidential candidates have waded into crowds to shake hands with their supporters rode in open top cars and made sudden but risky changes to their schedules oblivious to the fact that in every campaign there have been people stalking candidates with ill intent Many stories revealed in Protecting the Presidential Candidates have remained largely hidden from the public some buried in newspaper archives and others in oral histories presidential libraries or official government documents The author draws on numerous sources including FBI files presidential biographies vice presidential biographies civilian bodyguard memoirs Secret Service agent memoirs White House staff memoirs and more so that these stories can now be told The book also allows readers to gain an insight into the personal as well as professional relationships between the candidate and the bodyguards who protected them Some candidates were so trusting of their bodyguards they embraced them as part of an inner circle of advisers Bodyguards have also witnessed embarrassing moments in a candidate's campaign and how intrusive they have been at the most delicate of moments The president's day is your day one agent said Nobody sees the president the way an agent does *Renaissance Lawman* Martin Alan Greenberg, 2020-02-03 Renaissance Lawman The Education and Deeds of Eliot H Lumbard details the life education and public service career of Eliot Howland Lumbard A lawyer who most of his life lived and worked in Manhattan and whose legal career spanned more than fifty years beginning in the early 1950s Lumbard is easily identified as a renaissance lawman for having gained considerable expertise in the operations of the political and justice systems and for

proceeding to capitalize on this knowledge to become both an advocate and initiator of progressive reforms for criminal justice His contributions on behalf of public safety have been largely forgotten but throughout this intriguing biography Martin Alan Greenberg successfully juxtaposes many of Lombard's professional activities with many of the major historical developments and challenges of his time The chronicled events emphasize what motivated the people in his generation to behave as they did since the world today is a much different place than what Americans were experiencing in the first three decades after WW II Cultural and technological changes have combined to make our present day world quite different from over a half century ago Renaissance Lawman proves to be especially rewarding to a wide range of readers interested in police work criminal justice history public service leadership and legal ethics There are no other comparable books on the market Lombard certainly had a unique legal career and his impactful contributions have seldom if ever been duplicated even if his contributions on behalf of public safety have been largely forgotten **The Confidante** Christopher C.

Gorham, 2023-02-21 Perfect for readers of A Woman of No Importance Three Ordinary Girls and Eleanor A Life comes the first ever biography of Anna Marie Rosenberg the Hungarian Jewish immigrant who became FDR's closest advisor during World War II and according to Life the most important official woman in the world a woman of many firsts whose story forgotten for too long is extraordinary inspiring and uniquely American Her life ran parallel to the front lines of history yet her influence on 20th century America from the New Deal to the Cold War and beyond has never before been told A Goodreads Choice Awards Nominee What The Confidante provides with cinematic color and encyclopedic clarity is a resurrection THE WALL STREET JOURNAL As Franklin Delano Roosevelt's special envoy to Europe in World War II she went where the president couldn't go She was among the first Allied women to enter a liberated concentration camp and stood in the Eagle's Nest Hitler's mountain retreat days after its capture She guided the direction of the G I Bill of Rights and the Manhattan Project Though Anna Rosenberg emerged from modest immigrant beginnings equipped with only a high school education she was the real power behind national policies critical to America winning the war and prospering afterward Astonishingly her story remains largely forgotten With a disarming mix of charm and Tammany hewn toughness Rosenberg began her career in public relations in 1920s Manhattan She became friends with Eleanor Roosevelt who recommended Anna to her husband who was then running for Governor of New York As FDR's unofficial adviser Rosenberg soon wielded enormous influence no less potent for being subtle Roosevelt dubbed her my Mrs Fix It Her extraordinary career continued after his death By 1950 she was tapped to become the assistant secretary of defense the highest position ever held by a woman in the US military prompting Senator Joe McCarthy to wage an unsuccessful smear campaign against her In 1962 she organized John F Kennedy's infamous birthday gala sitting beside him while Marilyn Monroe sang Until the end of her life Rosenberg fought tirelessly for causes from racial integration to women's equality to national health care More than the story of one remarkable woman The Confidante explores who gets to be at the forefront of history and why Though she was not

quite a hidden figure Rosenberg's position as the power behind combined with her status as an immigrant and a Jewish woman served to diminish her importance. In this inspiring, impeccably researched and revelatory book, Christopher C. Gorham at last affords Anna Rosenberg the recognition she so richly deserves. Far and away the most important woman in the American government and perhaps the most important official female in the world. *LIFE* magazine, 1952

**The Liberal Consensus Reconsidered** Robert Mason, Iwan Morgan, 2019-10-14 Here leading scholars including Hodgson himself confront the longstanding theory that a liberal consensus shaped the United States after World War II. The essays draw on fresh research to examine how the consensus related to key policy areas, how it was viewed by different factions and groups, what its limitations were, and why it fell apart in the late 1960s.

[Nixon Rebuilds](#) John David Briley, 2021-08-11 Richard Nixon's election to the presidency in 1968 was an improbable vindication for a man branded as a loser after unsuccessful presidential and gubernatorial campaigns. Yet during the 1966 mid-term elections, he emerged as the critical figure who united the fractured Republican Party after the disastrous 1964 presidential election. Along the way, he sensed how large swaths of the American public were moving against the Democrats and how a candidate could take advantage of this. Filling an important gap in the Nixon literature, this book explores his dynamic reinvention during the dark days of the mid-sixties, a period that mirrored his 1946-1952 rise from obscure congressman to Eisenhower's vice president. Beginning with his 1962 press conference after losing the California governor's election and ending with his 1968 presidential victory, a far more human Nixon is revealed, unlike the familiar caricature of the shady politician and orchestrator of Watergate who would do anything to win.

**The Tango War** Mary Jo McConahay, 2024-03-26 One of WW2 Reads Top 20 Must Read WWII Books of 2018. A Christian Science Monitor Best Book of September. One of The Progressive's Favorite Books of 2018. The gripping and little-known story of the fight for the allegiance of Latin America during World War II. *The Tango War* by Mary Jo McConahay fills an important gap in WWII history. Beginning in the thirties, both sides were well aware of the need to control not just the hearts and minds but also the resources of Latin America. The fight was often dirty; residents were captured to exchange for U.S. prisoners of war, and rival spy networks shadowed each other across the continent. At all times, it was a Tango War in which each side closely shadowed the other's steps. Though the Allies triumphed at the war's inception, it looked like the Axis would win. A flow of raw materials in the Southern Hemisphere at a high cost in lives was key to ensuring Allied victory, as were military bases supporting the North African campaign, the Battle of the Atlantic, and the invasion of Sicily, and fending off attacks on the Panama Canal. Allies secured loyalty through espionage and diplomacy, including help from Hollywood and Mickey Mouse, while Jews and innocents among ethnic groups, Japanese Germans, paid an unconscionable price. Mexican pilots flew in the Philippines, and twenty-five thousand Brazilians breached the Gothic Line in Italy. *The Tango War* also describes the machinations behind the greatest mass flight of criminals of the century: fascists with blood on their hands who escaped to the Americas. A true shocking account that reads like a thriller, *The Tango War* shows in a new way how WWII was

truly a global war      **Radio Active** William O'Shaughnessy,2019-09-17 Radio Active is William O Shaughnessy s fifth collection of essays on air interviews tributes and eulogies endorsements recollections of an evening and more from perhaps the finest broadcaster in America whose commentaries are akin to potato chips per former Secretary of State Henry Kissinger because You can t stop with only one The book opens with a ringing signature defense of the First Amendment and collected O Shaughnessy correspondence with heroes and villains and insightful sections honoring former New York Governor Mario Cuomo who said When O Shaughnessy is on his game he s better than anyone on the air or in print There is also a section on the estimable Bush family In eliciting provocative and candid revelations from his wide circle this new compendium pulses with brilliant insightful prose and a life affirming reverence for luminous people places and events past and present      **Prologue** ,2014      *Statesmen and Mischief Makers:* Scott Crass,2015-09-26 History has produced many individuals who have impacted the times Some are well known others barely recognized My book follows two paths One examines officeholders who served between 1960 and 1988 famous or obscure whose actions gave way to an even more famous person s career Others are Governors credited with shaping the modern developments of their home states A number of my subjects are as scrupulous as can be Others got sidelined by scandals one can t even make up As for the rest Well let s just say they have a great story that few know but deserve to be told My book shares more than 150 stories of politicians elections and the environment of the period Each of my 150 subjects is accompanied by a tidbit anomaly that will enlighten all Many are unsung outside their home states Hopefully my book will change that      *Supermarket USA* Shane Hamilton,2018-09-18 America fought the Cold War in part through supermarkets and the food economy pioneered then has helped shape the way we eat today Supermarkets were invented in the United States and from the 1940s on they made their way around the world often explicitly to carry American style economic culture with them This innovative history tells us how supermarkets were used as anticommunist weapons during the Cold War and how that has shaped our current food system The widespread appeal of supermarkets as weapons of free enterprise contributed to a arms race between the United States and the Soviet Union as the superpowers vied to show that their contrasting approaches to food production and distribution were best suited to an abundant future In the aftermath of the Cold War U S food power was transformed into a global system of market power laying the groundwork for the emergence of our contemporary world in which transnational supermarkets operate as powerful institutions in a global food economy      *Indentured Students* Elizabeth Tandy Shermer,2021-08-03 The untold history of how America s student loan program turned the pursuit of higher education into a pathway to poverty It didn t always take thirty years to pay off the cost of a bachelor s degree Elizabeth Tandy Shermer untangles the history that brought us here and discovers that the story of skyrocketing college debt is not merely one of good intentions gone wrong In fact the federal student loan program was never supposed to make college affordable The earliest federal proposals for college affordability sought to replace tuition with taxpayer funding of institutions But Southern whites

feared that lower costs would undermine segregation Catholic colleges objected to state support of secular institutions professors worried that federal dollars would come with regulations hindering academic freedom and elite university presidents recoiled at the idea of mass higher education Cold War congressional fights eventually made access more important than affordability Rather than freeing colleges from their dependence on tuition the government created a loan instrument that made college accessible in the short term but even costlier in the long term by charging an interest penalty only to needy students In the mid 1960s as bankers wavered over the prospect of uncollected debt Congress backstopped the loans provoking runaway inflation in college tuition and resulting in immense lender profits Today 45 million Americans owe more than 1.5 trillion in college debt with the burdens falling disproportionately on borrowers of color particularly women Reformers meanwhile have been frustrated by colleges and lenders too rich and powerful to contain Indentured Students makes clear that these are not unforeseen consequences The federal student loan system is working as designed

[A Wild Idea](#) Brad Edmondson, 2021-05-15 A Wild Idea shares the complete story of the difficult birth of the Adirondack Park Agency APA The Adirondack region of New York's rural North Country forms the nation's largest State Park with a territory as large as Vermont Planning experts view the APA as a triumph of sustainability that balances human activity with the preservation of wild ecosystems The truth isn't as pretty The story of the APA told here for the first time is a complex troubled tale of political dueling and communities pushed to the brink of violence The North Country's environmental movement started among a small group of hunters and hikers rose on a huge wave of public concern about pollution that crested in the early 1970s and overcame multiple obstacles to save the Adirondacks Edmondson shows how the movement's leaders persuaded a powerful Governor to recruit planners naturalists and advisors and assign a task that had never been attempted before The team and the politicians who supported them worked around the clock to draft two visionary land use plans and turn them into law But they also made mistakes and their strict regulations were met with determined opposition from local landowners who insisted that private property is private A Wild Idea is based on in-depth interviews with five dozen insiders who are central to the story Their observations contain many surprising and shocking revelations This is a rich exciting narrative about state power and how it was imposed on rural residents It shows how the Adirondacks were saved and also why that campaign sparked a passionate rebellion

[Washington's Circle](#) David S. Heidler, Jeanne T. Heidler, 2016-02-09 History enthusiasts and admirers of Team of Rivals will rejoice in this magisterial account of the extraordinary Americans who served the nation's first chief executive Together they created the presidency for a country disgusted by crowns and the people who would wear them In 1789 as George Washington became the first president of the United States the world was all but certain that the American experiment in liberty and representative government would founder More than a few Americans feared that the world was right In Washington's Circle we see how Washington and his trusted advisers close friends and devoted family defied the doomsayers to lay the foundation for an enduring constitutional republic This is a fresh look at an aloof man

whose service in the Revolutionary War had already earned him the acclaim of fellow citizens Washington was easy to revere if difficult to know David S Heidler and Jeanne T Heidler reveal Washington's character through his relationship with his inner circle showing how this unlikely group created the office of the presidency Here is a story of cooperation confrontation triumph and disappointment as the president Congress and the courts sorted out the limits of executive power quarreled over funding the government coped with domestic strife and faced a world at war while trying to keep their country at peace Even more it is a story of remarkable people striving for extraordinary achievements Many of these characters are familiar as historic icons but in these pages they act and speak as living individuals the often irked and frequently irksome John Adams in the vice presidency the mercurial Alexander Hamilton leading the Treasury Department the brilliant deceptively cunning Thomas Jefferson as secretary of state James Madison who was Washington's advocate and his eyes and ears in Congress and Washington's old friend and former brother in arms Henry Knox at the administration's beleaguered War Department Their stories mingle with those of Edmund Randolph John Jay Gouverneur Morris and the others who stood with a self educated Virginia farmer to forge the presidency into an institution protective of its privileges but respectful of congressional prerogatives Written with energy wit and an eye for vivid detail Washington's Circle is the fascinating account of the people who met the most formidable challenges of the government's earliest hours with pluck ability and enviable resourcefulness When the world said they would fail they rolled up their sleeves This is their story Praise for Washington's Circle A fine readable history of the first presidency David and Jeanne Heidler provide not only a lively history but a group portrait of Washington and the various figures vying to influence him The Wall Street Journal Washington's Circle positively glows with narrative exuberance This is a book that will make even the most jaded student of the American Revolution bark little laughs of pure delight while reading Open Letters Monthly Traditional accounts portray Washington as a solitary actor in the drama of American nationhood as chilly and featureless as the marble shaft that dominates his namesake capitol In fact he was the intensely human lead in one of history's most colorful and contentious ensembles David S Heidler and Jeanne T Heidler bring the whole cast to unforgettable life in this character study cum group portrait cum old fashioned page turner Richard Norton Smith author of On His Own Terms

## On His Own Terms A Life Of Nelson Rockefeller Introduction

On His Own Terms A Life Of Nelson Rockefeller Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. On His Own Terms A Life Of Nelson Rockefeller Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. On His Own Terms A Life Of Nelson Rockefeller : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for On His Own Terms A Life Of Nelson Rockefeller : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks On His Own Terms A Life Of Nelson Rockefeller Offers a diverse range of free eBooks across various genres. On His Own Terms A Life Of Nelson Rockefeller Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. On His Own Terms A Life Of Nelson Rockefeller Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific On His Own Terms A Life Of Nelson Rockefeller, especially related to On His Own Terms A Life Of Nelson Rockefeller, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to On His Own Terms A Life Of Nelson Rockefeller, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some On His Own Terms A Life Of Nelson Rockefeller books or magazines might include. Look for these in online stores or libraries. Remember that while On His Own Terms A Life Of Nelson Rockefeller, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow On His Own Terms A Life Of Nelson Rockefeller eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the On His Own Terms A Life Of Nelson Rockefeller full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of On His Own Terms A Life Of Nelson Rockefeller eBooks, including some popular titles.

## **FAQs About On His Own Terms A Life Of Nelson Rockefeller Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. On His Own Terms A Life Of Nelson Rockefeller is one of the best book in our library for free trial. We provide copy of On His Own Terms A Life Of Nelson Rockefeller in digital format, so the resources that you find are reliable. There are also many Ebooks of related with On His Own Terms A Life Of Nelson Rockefeller. Where to download On His Own Terms A Life Of Nelson Rockefeller online for free? Are you looking for On His Own Terms A Life Of Nelson Rockefeller PDF? This is definitely going to save you time and cash in something you should think about.
