New Orleans A City Named Desire Gris Gris Publications LLC, Todd Fell, 2004-11-01 **New Orleans, A City Named Desire** Gris Gris Publications LLC, 2009 New Orleans Todd Fell, 2004 **Beirut on the Bayou** Raif Shwayri, 2016-02-16

Raif Shwayri begins his family's story with his grandfather Habib Shwayri's arrival at Ellis Island in 1902. Having left Beirut then a harbor city on the Syrian coast of the Ottoman Empire only weeks before he took the name Alfred Nicola and made his way to relatives in New Orleans. There he began peddling down the Bayou Lafourche, befriending the communities living alongside the water and earning the nickname Sweet Papa for his kindness and generosity. When he returned home to Lebanon in 1920, he invested the money he had made from years of peddling in real estate and died a wealthy man in 1956. After his death, his youngest son Nadim Raif's father turned his part of the inheritance into an endowment that started Al Kafa, an iconic and unique institution in Lebanon that serves the handicapped and underprivileged. Alfred Nicola's story like the story of Lebanon itself begins farther back in history. In its account of centuries of Ottoman rule, decades of colonial occupation and years of internal political strife and civil war, *Beirut on the Bayou* intertwines a family narrative with the story of a people of Lebanon in the making. From the Fertile Crescent that was Syria to the Crescent City that is New Orleans, the saga of the Shwayri family reflects the experiences of those Lebanese who walked the path of immigration to the United States as well as those who stayed behind or returned to help forge a nation.

Reassessing the 1930s South Karen Cox, Sarah Gardner, 2018-05-18. Much of American popular culture depicts the 1930s South either as home to a population that was intellectually, morally, and physically stunted or as a romantic sentimentalized haven untouched by the nation's financial troubles. Though these images stand as polar opposites, each casts the South as an exceptional region that stood separate from American norms. *Reassessing the 1930s South* brings together historians, art critics, and literary scholars to provide a new social and cultural history of the Great Depression South that moves beyond common stereotypes of the region. Essays by Steven Knepper, Anthony J. Stanonis, and Bryan A. Gienza delve into the literary culture of the 1930s South and the multiple ways authors such as Sterling Brown, Tennessee Williams, and E. P. O'Donnell represented the region to outsiders. Lisa Dorrell and Robert W. Haynes explore connections between artists and the South in essays on New Deal murals and southern dramatists on Broadway. Rejecting traditional views of southern resistance to modernization, Douglas E. Thompson and Ted Atkinson survey the cultural impacts of technological advancement and industrialization. Emily Senefeld, Scott L. Matthews, Rebecca Sharpless, and Melissa Walker compare public representations of the South in the 1930s to the circumstances of everyday life. Finally, Ella Howard, Nicholas Roland, and Robert Hunt Ferguson examine the ways southern governments and activists shaped racial perceptions and realities in Georgia, Texas, and Tennessee. *Reassessing the 1930s South* provides an interpretation that focuses on the region's embrace of technological innovation, promotion of government-sponsored programs of modernization, rejection of the plantation legend of the late nineteenth century, and experimentation with

unionism and interracialism Taken collectively these essays provide a better understanding of the region's identity both real and perceived as well as how southerners grappled with modernity during a decade of uncertainty and economic hardship

Madame Vieux Carré Scott S. Ellis, 2010-03-05 Celebrated in media and myth New Orleans's French Quarter Vieux Carré was the original settlement of what became the city of New Orleans In *Madame Vieux Carré* Scott S. Ellis presents the social and political history of this famous district as it evolved from 1900 through the beginning of the twenty-first century From the immigrants of the 1910s to the preservationists of the 1930s to the nightclub workers and owners of the 1950s and the urban revivalists of the 1990s *Madame Vieux Carré* examines the many different people who have called the Quarter home

who have defined its character and who have fought to keep it from being overwhelmed by tourism's neon and kitsch. The old French village took on different roles: bastion of the French Creoles, Italian immigrant slum, honky-tonk enclave, literary incubator, working-class community, and tourist playground. The Quarter has been a place of refuge for various groups before they became mainstream Americans. Although the Vieux Carré has been marketed as a free-wheeling, boozy tourist concept, it exists on many levels for many groups, some with competing agendas. Madame Vieux Carré looks with unromanticized frankness at these groups, their intentions, and the future of the South's most historic and famous neighborhood. The author, a former Quarter resident, combines five years of research, personal experience, and unique interviews to weave an eminently readable history of one of America's favorite neighborhoods.

Louisiana Richard Bizier, 1998-02-28 Louisiana presents an overview of the culture in the New World and Louisiana, including related literature such as Longfellow's *Evangeline*. For the visitor, the state is divided into geographic regions such as New Orleans, the plantations, and Lafayette. For each area, tours, historic sites, and restaurants are described. The section on New Orleans celebrates the French Quarter and the local food and music. Outside of New Orleans are majestic plantations and beautiful bayous filled with cypress trees and hanging Spanish moss. Side trips from New Orleans allow visitors to sample some of the various musical tastes of the Bayou State. Zydeco music may be found in Lafayette, while Cajun music may be heard throughout the southern part of the state. Special features include information on consulates, tourist offices, banks, and currency exchanges, and maps which, among other things, show distances between cities. With Louisiana, anyone can pass a good time and learn how to let the good times roll, or as the Cajuns say, *rouler*.
