New Saints And Blesseds Of The Catholic Church:

New Saints and Blesseds of the Catholic Church Ferdinand Holböck, 2000 Includes short biographies of individuals raised to the rank of saint or blessed by Pope John Paul II from 1984-1987 as well as excerpts from the homily given by the Pope at the beatification or canonization ceremony

New Saints and Blesseds of the Catholic Church: Blesseds and saints canonized by Pope John Paul II during the years 1979-1983 Ferdinand Holböck, 2000 In this volume a master of hagiography presents thirty seven new Blesseds and five Saints beatified and canonized by Pope John Paul II These are new faces some of them our contemporaries who followed Christ under circumstances that were completely different from those of the saints of earlier ages who had the privilege of living in a world that was still more or less whole The short biographies each include an illustration of the saint and part of the homily given by the Pope at the canonization or beatification In this book you will meet men and women who come from eras of great conflict who in a heroic way remained faithful to Christ and to His Church and so have become as Vatican II says companions of our human condition When the prophet Elijah on his forty day journey to Mount Horeb collapsed in exhaustion an angel came to him and strengthened him The Saints have the power and the duty to help us to set us aright and teach us strategy for our battle with the powers of darkness Let us get to know them so that we can call on them by name

Married Saints and Blesseds Ferdinand Holböck, 2002

Countless saints have been priests or religious living out lives of penance and sacrifice for the good of the Church But many Catholics don't realize that married couples are called to holiness as well Fr Holböck tells the inspiring stories of over 200 married saints and blesseds from the Virgin Mary and St Joseph to Margaret of Scotland King Louis of France Thomas More and modern examples like Gianna Molla and Louis and Zlie Martin parents of St Therese of Lisieux The example of these holy men and women is essential to living a truly Catholic married life Important Church documents and scripture passages are also included to further guide and enlighten the reader Many illustrations

Saints and Blesseds of the Americas Fr. Daniel P. Ewald, 2009-02-23 Kirkus Discoveries book review Part devotional guide part encyclopedia Saints and Blesseds of the Americas will find a welcome place on the shelves of a new generation of Catholics Ewald's tidy collection provides an exhaustive country by country listing of all the Catholic saints and blesseds of the Western world In Catholic theology saints serve as intercessors between humanity and God blessed those who have undergone the process of beatification are only one step away from becoming saints Believers pray to either for aid in any number of life pursuits Perhaps the most gratifying aspect of this catalogue is the fact that it is extremely up to date Ewald provides not only the saints and blesseds of old but also those recently beatified and canonized For example he presents the Blessed Lindalva Justo de Oliveira martyred in 1993 and beatified by Pope Benedict XVI just last year This is a timely reference guide at least in part because the previous

Pope John Paul II was a prolific supporter of the path to sainthood. According to the Vatican, Pope John Paul II beatified and canonized more individuals than all the popes of the past five centuries combined. Thus, Ewald fulfills an important role in bringing his devout readership up to speed. But currentness is not the volume's only strength. Ewald paints quick but thorough sketches of his many subjects. His brief biographies never run much more than a page or two, but he has an eye for the fine points, and his portraits are always extremely pertinent. There are as few wasted details as there are wasted words. However, though his book serves best as a reference volume, it also provides a surprisingly gratifying reading experience. Ewald has the skill of a storyteller, and each biography features a neat narrative arc. A helpful compendium to the heroes of the American Catholic Church, Ewald's *Fr Daniel P. Saints and Blesseds of the Americas* (Xlibris, 318 pp, 2008, ISBN 978-1-4363-6762-2, Paper 978-1-4363-6761-5, Kirkus Discoveries, Nielsen Business Media, 770 Broadway, New York, NY 10003, discoveries.kirkusreviews.com). *Modern Saints and Blesseds of the Catholic Church* (Bryan J. Dickerson, 2016-10-08). For 2,000 years, men and women have been following Christ. Since 1900, the Catholic Church has recognized over 650 of them as Saints, and many others had been Beatified. Most of these canonizations and beatifications were done during the Pontificate of Pope John Paul II. Here are the stories of some of those canonized and beatified since 1900. Saints serve as role models for living the Gospel and following in the example of Christ. They come from all walks of life, time periods, and nationalities since the time of Christ. With such a geographic, spatial, and cultural diversity, one can see the innumerable ways in which Christ's message of faith and love can be lived under a wide diversity of circumstances. In this book are short biographies about sixty-seven extraordinarily holy men and women who devoted their lives to serving the Thrice Holy God, the Catholic Church, and humanity. Forty-nine of them have been declared Saints, while the remaining eighteen are still under evaluation for that honor. They represent a broad diversity of historical eras, cultures, and ethnicities. Their common bond, however, is love and faith. Each has taken the Gospel message of Our Savior and put it into practice for the betterment of our world. Many of these men and women you will recognize as they have become a familiar part of the Catholic faith. These include Saint Pope John Paul II, Saint Mother Teresa of Calcutta, Saint Bernadette, and Saint Pio. Others like Saint Peter de Betancourt, Blessed Franz Jagerstatter, Blessed Frederick Ozanam, and Saint Josephine Bakhita lived no less holy lives but have not received widespread attention. Each, in their own way, presents an inspiring example of faith in Christ. *Saints' Blessings* (Nipb) Meera Lester, 2004. **Historical Dictionary of Catholicism** (William J. Collinge, 2012-02-23). With about one billion members, the Catholic Church is one of the world's largest religious bodies, and its history is crucially linked to global events. In the *Historical Dictionary of Catholicism*, author William J. Collinge provides the reader with a comprehensive introduction to the theology, doctrines, and worship of the religion. He covers the entire Catholic tradition from the time of Jesus to the present, including the periods before the present division of Christianity into Roman Catholic, Eastern Orthodox, and Protestant. Collinge has also included entries on heretical, schismatic, and dissident movements within Catholicism, and he covers the

relation of Catholicism to other Christian traditions to the major non Christian religions and to Western cultural and philosophical traditions The second edition of the Historical Dictionary of Catholicism has been updated to reflect recent developments in the Catholic Church most notably the death of Pope John Paul II and his succession by Pope Benedict XVI An updated introduction precedes the main body of the dictionary which contains more than 500 alphabetical cross referenced entries covering persons organizations places events titles and concepts The entries are followed by several appendixes on popes ecumenical councils the documents of Vatican Council II major papal encyclicals and Catholic prayers and a comprehensive bibliography provides the researcher with further readings The second edition of the Historical Dictionary of Catholicism is an ideal access point for students researchers or anyone interested in the history of the Catholic Church

Every Tribe Sharon Prentis, 2019-04-18 The Bible tells us Jesus is for every tribe language people and nation so why are all the saints in our stained glass windows white An oppressive bias has taken hold of the storytelling of the Church Many are surprised to discover that St Augustine was from present day Algeria and even that most British of saints George was an immigrant with a Turkish father and a Palestinian mother Every Tribe celebrates the true diversity of the saints inspiring the church to become what it is meant to be the rainbow people of God serving the diverse needs of a diverse world **Sisters**
