Monique Robinson, 2019-08-01 Even though diversity is currently conveyed as a ubiquitous principle within institutions of higher education professionals of color still face issues such as

discrimination the glass ceiling lack of mentoring and limited access to career networks Unfortunately an open channel does not exist for professionals of color to express their frustrations and genuine concerns The narratives in No Ways Tired present a powerful voice about the experiences of student affairs professionals of color in higher education including intersecting identities such as race class and gender Furthermore the narratives are nuggets of personal truth that can serve as a lens for professionals of color who wish to develop strategies to succeed as they traverse their careers in higher education Through the sharing of their visions of success lessons learned and cautionary tales the authors openly offer insights about how they have created a way to survive and thrive within higher education in spite of challenges and distractions They also articulate a vision where student affairs professionals of color can develop fully be authentic use their agency and effectively contribute This book includes recommendations for professionals of color at all levels within higher education and ways to construct opportunities to flourish The ultimate goal for this book is to promote discussions regarding how professionals of color can be more proactive in developing strategies that are conducive to their professional and personal success as they navigate their higher education careers

Formulating American Indian Policy in New York State, 1970-1986 Laurence M. Hauptman, 1988-01-01 This is the first descriptive analysis of how American Indian policies

are made both at the statewide and at agency levels Pertinent to all states the study describes New York s historic policies and emphasizes that improving Indian lifestyles or attracting Indians to government employment is handicapped by their overall distrust of state intentions a distrust caused by the continued impasse on American Indian land claims Employing archival records never before used as well as a plethora of interviews with state officials and American Indians over a fifteen year period Hauptman concludes that critical policy changes are needed to build lasting trust Encyclopedia of Spirits and

Ghosts in World Mythology Theresa Bane, 2016-03-24 Of all the anomalous phenomenon reported ghost sightings are by far the most common The words ghost and spirit are used interchangeably in American English but in other cultures the lingering souls of the departed are not to be confused with ancestral spirits demonic spirits numens or poltergeists This encyclopedia lists hundreds of entities of the spirit realm from aatxe to zuzeca from world mythology and folklore
