New World Islam Lothrop Stoddard:

The New World of Islam Lothrop Stoddard, 1921 *The New World of Islam* T. Stoddard, 2013-11-29 This 1921 book by America's foremost racial thinker was the first work to warn the West of the Islamic revival which started in the nineteenth century and which would find its expression in the mass immigration and Islamic extremism to which the world has been subjected since the 1980s. It provides an accurate history of Islam from its founding, initial blooming and sophistication to its decline into drudgery and the dominance of the Ottoman Turks. Stoddard explains the roots of the Wahabbist revival and the spring of Arab, Indian and Middle Eastern nationalism unleashed as a result of World War I and warns that these events have set Islam in motion once again to start a reconquest of the globe for that religion. Stoddard warns that the white world's foreign policy toward the Islamic world holds far more danger than any individual agitator and provides ammunition for Islamic extremists. Prescient words given the US-led wars against Muslim nations since 2001 and the ongoing Israel-Palestine debacle. Contents: Introduction, The Decline And Fall Of The Old Islamic World, I The Mohammedan Revival, II Pan Islamism, III The Influence Of The West, IV Political Change, V Nationalism, VI Nationalism In India, VII Economic Change, VIII Social Change, IX Social Unrest And Bolshevism, Conclusion, Index, Map. *New World of Islam by Lothrop Stoddard Illustrated* Lothrop Stoddard, 2021-12-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. Analyzing key episodes from the 1991 Persian Gulf War and Bill Clinton's mishandling of the Oslo peace process through the 9/11 attacks, George W. M. A. Rob,2002-12-30 Today the world stands in an imperative need for a code of universal teachings such as Islam Peace It is our foremost duty to depict the teachings of Islam in its true perspective In Europe America and even in India there are still prevalent gross misconceptions and wrong notions about Islam and also about the Holy Prophet of Islam This book contains comments quotations and writings from hundreds of eminent scholars writers and thinkers of the Non Muslim world to show the real truth about Islam and its Prophet As an American lady converted to Islam remarked The Muslims of to day do not know the real meaning of Islam and the work life example and precepts of their Prophet Most of the to day Muslims are living in gross ignorance of the true teachings of Islam This book is needed at this juncture of the World when it is torn into blocks by ideologies and there is an impending danger of the annihilation of the whole human race and its beautiful civilization by nuclear chemical and other weapons of mass destruction Today a nations status and existence should depend on superior ideology and not on arms and ammunition Islam alone can supply this all comprehensive superior ideology to be applied to the pressing problems of the present day World Absolute faith in one and only one humanity earnestly taught by Islam can alone save the World and the modern civilization from degradation destruction and utter ruination Islam and its holy prophet have a message to the whole mankind The message is The world in which we have our beings does not belong to us It is a God s trust to men and women All the powers all the greatness that mankind posses should be ever used employed as God s trust and according to this law and commandments Men and women must not think themselves as master of all things and should not use them arbitrarily They must think themselves as divine instruments to carry out God s trust faithfully and justly Islam enjoys one universal
