Nice Color Success Americans Minority Twentieth Century:

Suburban Warriors Lisa McGirr, 2015-06-02 In the early 1960s American conservatives seemed to have fallen on hard times McCarthyism was on the run and movements on the political left were grabbing headlines The media lampooned John Birchers s accusations that Dwight Eisenhower was a communist puppet Mainstream America snickered at warnings by California Congressman James B Utt that barefooted Africans were training in Georgia to help the United Nations take over the country Yet in Utt s home district of Orange County thousands of middle class suburbanites proceeded to organize a powerful conservative movement that would land Ronald Reagan in the White House and redefine the spectrum of acceptable politics into the next century Suburban Warriors introduces us to these people women hosting coffee klatches for Barry Goldwater in their tract houses members of anticommunist reading groups organizing against sex education pro life Democrats gradually drawn into conservative circles and new arrivals finding work in defense companies and a sense of community in Orange County s mushrooming evangelical churches We learn what motivated them and how they interpreted their political activity Lisa McGirr shows that their movement was not one of marginal people suffering from status anxiety but rather one formed by successful entrepreneurial types with modern lifestyles and bright futures She describes how these suburban pioneers created new political and social philosophies anchored in a fusion of Christian fundamentalism xenophobic nationalism and western libertarianism While introducing these rank and file activists McGirr chronicles Orange County s rise from nut country to political vanguard Through this history she traces the evolution of the New Right from a virulent anticommunist anti establishment fringe to a broad national movement nourished by evangelical Protestantism Her original contribution to the social history of politics broadens and often upsets our understanding of the deep and tenacious roots of popular conservatism in America

Color behind Bars Scott W. Bowman, 2014-08-11 A diverse critical analysis of racial and ethnic disparities within the American criminal justice system that encourages critical thinking by providing various sides to the issues Low income African Americans Latin Americans and American Indians bear the statistical brunt of policing death penalty verdicts and sentencing disparities in the United States Why does this long standing inequity exist in a country where schoolchildren are taught to expect justice for all The original essays in this two volume set not only examine the deep rooted issues and lay out theories as to why racism remains a problem in our prison system but they also provide potential solutions to the problem The work gives a broad multicultural overview of the history of overrepresentation of ethnic minorities in our prison system examining white black disparities as well as racism and issues of ethnic based discrimination concerning other ethnic minorities This up to date resource is ideally suited for undergraduate students who are enrolled in criminal justice or racial ethnic studies classes and general readers interested in the U S criminal justice system

Asian North American Identities Eleanor Rose Ty, Donald C. Goellnicht, 2004 The nine essays in *Asian North American Identities* explore how Asian North Americans are no longer caught between worlds of the old and the new the east and the west and the south and the north Moving beyond national and diasporic models of ethnic identity to focus on the individual feelings and experiences of those who are not part of a dominant white majority the essays collected here draw from a wide range of sources including novels art photography poetry cinema theatre and popular culture The book illustrates how Asian North Americans are developing new ways of seeing and thinking about themselves by eluding imposed identities and creating spaces that offer alternative sites from which to speak and imagine Contributors are Jeanne Yu Mei Chiu Patricia Chu Rocio G Davis Donald C Goellnicht Karlyn Koh Josephine Lee Leilani Nishime Caroline Rody Jeffrey J Santa Ana Malini Johar Schueller and Eleanor Ty

The Long Afterlife of Nikkei Wartime Incarceration Karen M. Inouye, 2018-03-13 *The Long Afterlife of Nikkei Wartime Incarceration* reexamines the history of imprisonment of U S and Canadian citizens of Japanese descent during World War II Karen M Inouye explores how historical events can linger in individual and collective memory and then crystallize in powerful moments of political engagement Drawing on interviews and untapped archival materials regarding politicians Norman Mineta and Warren Furutani sociologist Tamotsu Shibutani and Canadian activists Art Miki and Mary Kitagawa among others Inouye considers the experiences of former wartime prisoners and their on going involvement in large scale educational and legislative efforts While many consider wartime imprisonment an isolated historical moment Inouye shows how imprisonment and the suspension of rights have continued to impact political discourse and public policies in both the United States and Canada long after their supposed political and legal reversal In particular she attends to how activist groups can use the persistence of memory to engage empathetically with people across often profound cultural and political divides This book addresses the mechanisms by which injustice can transform both its victims and its perpetrators detailing the dangers of suspending rights during times of crisis as well as the opportunities for more empathetic agency

Culturally Alert Counseling Garrett McAuliffe,2008 A comprehensive readable introduction to the cultural dimensions of counseling and psychotherapy is now available National leaders in each topic have been selected to provide an accessible yet thorough presentation of culturally alert counseling An introduction to the nature of counseling and culture begins the book followed by chapters on Social Inequality Race and Ethnicity The succeeding chapters reveal the characteristics histories mental health issues and appropriate counseling strategies for each of eleven cultural groupings The book ends with a thorough presentation of actual culturally alert counseling practice Seven dimensions combine to make the book unique namely thoroughness inclusiveness theoretical foundations practicality readability activity and modeling In the first case this book broadens the discussion of culture from ethnicity and race to include social class religion gender and sexual orientation Of particular note in the area of ethnicity all five of the major U S pan ethnic groupings are presented as well as Middle Eastern and South Asian people The book is also inclusive of all people including both those in dominant and non dominant

cultural groups The assumption is that everyone has culture Culturally alert counseling is also theoretically grounded in the first few chapters of the book which lay out a guiding developmental vision of culturally alert counseling Further conceptual foundations are laid in discussions of social inequality social justice social diversity and critical consciousness The practical dimension of the book is underscored by the inclusion of a chapter devoted to actual culturally alert counseling skills an area that is needed by practitioners in this important work Readability and interest are enhanced by the interweaving of case vignettes and experiential activities throughout the book Finally culturally alert counseling skills are modeled in an accessible vital demonstration video that accompanies the book Ultimately readers will leave informed moved and changed by the encounters with culture that lie in these pages They will also be ready to begin practice equipped with both a vision of the work and practical skills in implementing it

A State-by-State History of Race and Racism in the United States

Patricia Reid-Merritt, 2018-12-07 Providing chronologies of important events historical narratives from the first settlement to the present and biographies of major figures this work offers readers an unseen look at the history of racism from the perspective of individual states From the initial impact of European settlement on indigenous populations to the racial divides caused by immigration and police shootings in the 21st century each American state has imposed some form of racial restriction on its residents The United States proclaims a belief in freedom and justice for all but members of various minority racial groups have often faced a different reality as seen in such examples as the forcible dispossession of indigenous peoples during the Trail of Tears Jim Crow laws crushing discrimination of blacks and the manifest unfairness of the Chinese Exclusion Act Including the District of Columbia the 51 entries in these two volumes cover the state specific histories of all of the major minority and immigrant groups in the United States including African Americans Hispanics Asian Americans and Native Americans Every state has had a unique experience in attempting to build a community comprising multiple racial groups and the chronologies narratives and biographies that compose the entries in this collection explore the consequences of racism from states perspectives revealing distinct new insights into their respective racial histories

Redefining the Immigrant South Uzma Quraishi, 2020-03-25 In the early years of the Cold War the United States mounted expansive public diplomacy programs in the Global South including initiatives with the recently partitioned states of India and Pakistan U S operations in these two countries became the second and fourth largest in the world creating migration links that resulted in the emergence of American universities such as the University of Houston as immigration hubs for the highly selective student led South Asian migration stream starting in the 1950s By the late twentieth century Houston s South Asian community had become one of the most prosperous in the metropolitan area and one of the largest in the country Mining archives and using new oral histories Uzma Quraishi traces this pioneering community from its midcentury roots to the early twenty first century arguing that South Asian immigrants appealed to class conformity and endorsed the model minority myth to navigate the complexities of a shifting Sunbelt South By examining Indian and Pakistani

immigration to a major city transitioning out of Jim Crow Quraishi reframes our understanding of twentieth century migration the changing character of the South and the tangled politics of race class and ethnicity in the United States

The Gateway to the Pacific Meredith Oda, 2019-01-03 In the decades following World War II municipal leaders and ordinary citizens embraced San Francisco's identity as the Gateway to the Pacific using it to reimagine and rebuild the city The city became a cosmopolitan center on account of its newfound celebration of its Japanese and other Asian American residents its economy linked with Asia and its favorable location for transpacific partnerships The most conspicuous testament to San Francisco's postwar transpacific connections is the Japanese Cultural and Trade Center in the city's redeveloped Japanese American enclave Focusing on the development of the Center Meredith Oda shows how this multilayered story was embedded within a larger story of the changing institutions and ideas that were shaping the city During these formative decades Oda argues San Francisco's relations with and ideas about Japan were being forged within the intimate local sites of civic and community life This shift took many forms including changes in city leadership new municipal institutions and especially transformations in the built environment Newly friendly relations between Japan and the United States also meant that Japanese Americans found fresh if highly constrained job and community prospects just as the city's African Americans struggled against rising barriers San Francisco's story is an inherently local one but it also a broader story of a city collectively if not cooperatively reimaging its place in a global economy

Integrations Lawrence Blum, Zoë Burkholder, 2021-05-11 The promise of a free high quality public education is supposed to guarantee every child a shot at the American dream But our widely segregated schools mean that many children of color do not have access to educational opportunities equal to those of their white peers In *Integrations* historian Zo Burkholder and philosopher Lawrence Blum investigate what this country's long history of school segregation means for achieving just and equitable educational opportunities in the United States *Integrations* focuses on multiple marginalized groups in American schooling African Americans Native Americans Latinxs and Asian Americans The authors show that in order to grapple with integration in a meaningful way we must think of integration in the plural both in its multiple histories and in the many possible definitions of and courses of action for integration Ultimately the authors show integration cannot guarantee educational equality and justice but it is an essential component of civic education that prepares students for life in our multiracial democracy
