Nice Deacons Ministry Charity Justice:

The Deacon's Ministry of Charity and Justice William T. Ditewig, 2015 The deacon's exercise of charity and justice extends the loving hand of God's constant love and mercy to all who are in need. The Vatican's Congregation for Catholic Education has called this work the ministry most characteristic of the deacon. In *The Deacon's Ministry of Charity and Justice* Deacon William Ditewig focuses on this ministry as a constitutive element of the nature of the Church itself, always flowing from the ministries of Word and Sacrament and leading back to them, never apart from them. Along with a rich exploration of the scriptural, historical, and theological foundation of the deacon's practice of charity and justice, Deacon Ditewig, one of today's foremost experts on the permanent diaconate, develops specific and concrete principles for exercising these ministries faithfully, authentically, and effectively. The *Deacon's Ministry* series explores the three fundamental diaconal ministries identified in the teaching of Vatican II: those of the liturgy of the word and of charity to the people of God (Lumen Gentium 29). This series, written by three highly regarded permanent deacons, offers a rich combination of theology, spirituality, and practical and effective guidance. Deacons and those in diaconal formation, their families, the bishops and priests they work with, and the people they serve will welcome it. *The Deacon's Ministry of Charity and Justice* William T.

Jesus to Social Justice Thomas Hughson, 2013-10-10 Many Christians see the societal dimension of their faith as a matter of biblical and social ethics. Returning to classical Christology, *Connecting Jesus to Social Justice* explores messianic potential in the Council of Chalcedon on the divine identity of Christ. Who Jesus is makes all the difference to Christian entrance into the public sphere on behalf of a just society. The Messiah's divinity bears on social mission directed toward a just social order. Theological appropriation of Chalcedon overcomes a gap between the professing the Creed and interpreting social existence in light of a just social order. *Connecting Jesus to Social Justice* argues a doctrinally traditional, orthodox basis for Christian

participation in the public sphere on behalf of social justice The book addresses a situation internal to churches in the U S from a Catholic perspective yet not without analogies in other churches and Christian movements Applying traditional Christology to contemporary social mission solidifies an answer to adversarial queries on the appropriateness of a social agenda Implications in the classical Christology also confirm churches and discipleship in commitment to social justice promoted through a subaltern counter public and then by word and deed in the public sphere **Embracing Change** Mario A. Guerra,2017-05-30 Mario A Guerra escaped communist Cuba in search of the American dream and while it didnt come easy he found it Through tragedies and setbacks he discovered lessons that would guide him forward and serve as the foundation of his success both professionally and personally In this memoir he shares those lessons along with intimate stories of his failures and successes Each story is told with honesty and candidness and every anecdote carries a message of hope and inspiration From a challenging childhood family tragedies life as a businessman holding political office life as a public servant and his religious work and philanthropy Mario shares wisdom gleaned from his wide range of experiences Marios experiences as a refugee gives us an opportunity to relate to immigrants who look to America as a beacon of hope
