Five Models of Scripture Mark Reasoner, 2021-08-24 To relish the feast that is Scripture we need to use multiple models A Christian never gains all that Scripture offers by reading it with just one approach Yet too often this is attempted whether through an academic obsession with the historical critical method or through a consumerist approach that seeks only the motivation of the moment Mark Reasoner broadens the options for scriptural engagement by describing five models of Scripture documents stories prayers laws and oracles To illustrate each he uses examples from throughout the history of interpretation While he concedes that certain books of the Bible will naturally lend themselves to particular models Reasoner shows how an appreciation for all five will enrich one s scriptural insights while also bridging divides between the various branches of the Christian family In addition to the five models Reasoner surveys Catholic Orthodox and Protestant constructions of the biblical canon and addresses specific issues relevant to their respective interpretations of Scripture including scriptural metanarratives the use of the Bible in Christian worship and the principle of sola Scriptura Through it all Reasoner remains unequivocally focused on his goal to help readers grow in their love for Scripture in ways that will help them plant this love in those to whom they minister     Eyes Fixed on Jesus, Vol. 1 Meg Hunter-Kilmer, 2025-08-01 Whether we realize it or not many of us who attempt to follow Jesus perceive him as distant and uninterested We tune out the Gospel stories we ve heard so many times because we think we know them already and understand the message they teach God is friendly and he likes us okay We may confess our belief in God the Son but we ve taken our eyes off Jesus Meg Hunter Kilmer helps you see Jesus anew by taking you through his life as told in the gospels breaking open the familiar and shedding light on the foreign so that you can see the face of Jesus in the pages of Scripture and learn to love him more in his word Eyes Fixed on Jesus provides biblical context that makes sense of Jesus actions cultural tidbits that shed new light on old stories and connections between the New Testament s miracles and parables and the centuries of revelation found in the Old Testament This first volume in a three part series begins with the Incarnation and runs through Jesus sending out his disciples on mission This book also includes a study guide to be used for individual or group Bible study     Biblical Fundamentalism Ronald D. Witherup, 2001 2002 Catholic Press Association Award Winner One of the most significant changes initiated by the Second Vatican Council was the direct encouragement for Catholics to rediscover the Bible Unfortunately education has lagged behind Catholic interest in exploring the Bible and its mysteries Consequently vital questions including how to read and interpret the Bible remain unanswered for many Christians In Biblical Fundamentalism

Father Ronald Witherup offers Catholics a guide to the questions that arise when they desire to use the good book in their personal lives. Father Witherup provides an overview of the origins, history, basic tenets, and problems with biblical fundamentalism and its influence in contemporary culture. He summarizes Catholic teaching on the Bible and points out both the strengths and the weaknesses in the fundamentalist approach to the Bible. He also provides a concise but thorough response to questions that Catholics have about fundamentalism and discusses resources for further study.

**Biblical Fundamentalism** is divided into five chapters. The first chapter explains the historical origins of Christian biblical fundamentalism and why it is a uniquely American phenomenon. The second chapter outlines the main tenets of fundamentalist faith and how it approached the Bible. The third chapter does the same for the Catholic faith. The fourth chapter explores why biblical fundamentalism is attractive in our day and offers a critique of it. Finally, the fifth chapter imparts some practical advice about how to fashion a sensible and courteous Catholic response to fundamentalism.

Chapters are: The Origins of Biblical Fundamentalism, Bible Basics: A Fundamentalist Approach to the Bible, Bible Basics: A Catholic Approach to the Bible, Evaluating Fundamentalism, and A Catholic Response to Fundamentalism.
