Australian Theatre after the New Wave Julian Meyrick, 2017-09-25 In *Australian Theatre after the New Wave* Julian Meyrick charts the history of three ground breaking Australian theatre companies the Paris Theatre 1978 the Hunter Valley Theatre 1976 94 and Anthill Theatre 1980 94 In the years following the controversial dismissal of Gough Whitlam's Labor government in 1975 these alternative theatres struggled to survive in an increasingly adverse economic environment Drawing on interviews and archival sources including Australia Council files and correspondence the book examines the funding structures in which the companies operated and the impact of the cultural policies of the period It analyses the changing relationship between the artist and the State the rise of a managerial ethos of accountability and the growing dominance of government in the fate of the nation's theatre In doing so it shows the historical roots of many of the problems facing Australian theatre today This is an exceptionally timely book In giving a history of Australian independent theatre it not only charts the amazing rise and strange disappearance of an energetic radical and dynamically democratic artistic movement but also tries to explain that rise and fall and how we should relate to it now Prof Justin O Connor Monash University This study makes a significant contribution to scholarship on Australian theatre and more broadly to the global discussion about the vexed relationship between artists' creativity government funding for the arts and cultural policy Dr Gillian Arrighi The University of Newcastle Australia
