New Insight into **IELTS** Student's Book with answers

The bestselling *Insight into IELTS* has been thoroughly updated and now includes a wealth of fresh, new material, and a new layout.

New Insight into IELTS offers comprehensive preparation and practice for IELTS. By exploring the test paper by paper and looking in detail at each task type, the course gradually builds up the skills, language and test techniques students need to approach IELTS with confidence. The course contains a detailed introduction to the test and a full answer key, and is equally suitable for use in the classroom or at home.

The material is intended for **use with students** whose current level is around Band 5, and is suitable for both Academic and General Training candidates.

Teachers can ...

- choose which part of the book to focus on. The course is organised by paper meaning teachers can target areas their students need to work on.

Students can ...

- get systematic test preparation and practice through the regular test-type exercises.
- use the exam answers and advice on each IELTS paper to prepare for the different parts of the exam.
